## PRESIDENT'S REPORT

### *Richard 'Olly' Olesinski OAM*

After another COVID-19 impacted, but highly successful record-breaking season, I'm pleased to report that again importantly no lives were lost on our beach.

Over the past busy season, 8 lives were saved by our members, 877 preventative actions, this being persons stopped from endangering themselves, over 400 more than the previous season and 74 first aid cases administered. All this achieved under severe duress with our toilets and changerooms being renovated for most of the season.

Many thanks to all our patrolling members who continued to ensure our high standard of patrolling and keeping South Port Beach safe for all swimmers, surfers and visitors.

As reported in previous seasons, our patrols continue to be challenged with increased local population growth. It's more than evident that many more community members are making South Port their beach to enjoy with beach visitation numbers continuing to increase.

Our patrol statistics continue to substantiate the need for us to be where we are and for ALL of us, managing the challenges to ensure that we remain sustainable into the future.

With again many highlights the past season none of which would have been achieved if it was not for our numerous volunteers.

Major highlights included:

- Continuing to maintain healthy membership numbers with 555 members, which included 149 Junior members.
- Operating successfully with the majority of the season being impacting on by the Club's toilets and changerooms being redeveloped. HUGE thanks to the City of Onkaparinga and Federal Government support to ensure our members and visitors have access to modern facilities.
- Wearing Street gym, emergency services and training area facility nearing commencement for construction.
- The Club's BarFlys continue to work behind the scenes to keep the Club neat and tidy, and stocks delivered – many thanks to all involved.
- Continuing to build on the successful Surf Babies and Little Lifesavers program – a great way of having past members get involved again with their young children.
- Competitively the Club continues to improve greatly, in particular within our youth area. Big thanks to Kylie Cederblad for her guidance of our growing group of senior competitors.

Congratulations to our new bronze medallion recipients and our Juniors continuing their surf life saving journey and completing their Surf Resuscitation Certificates. The Juniors are our future and we look forward to assisting you, particularly through the transition area, again well managed by Aaron Oliver and helpers.

Thanks also to the Board of Management and to all members who took on Committee positions the past season. The Club desperately needs more members to volunteer to help share the workload and I look forward to some new faces getting involved as with new members, new ideas naturally evolve.

Congratulations to all of our competitors, Juniors, Seniors and Masters who continue to wear the South Port cap proudly and did their best in representing the Club. It was pleasing to see members be successful at the Australian Championships and in particular Zalika Cederblad and Sadie Proctor winning a Silver Medal

in the U17 2Km Relay Beach event, the Club's first Australian medal in the beach area. To all our coaches, thank you for your commitment to helping South Port be a well-recognised competitive Club throughout the nation.

Thanks again to Junior Chairperson, Danni Hansen and her team of helpers together with Age Group Managers and Assistants that guided our Juniors throughout another busy season.

Sincere appreciation to our Officials who continue to ensure our members are able to compete. I encourage any of our members, in particular parents, to put their hands up to help in the important area of health and well being activities.

Thank you to all our partners, sponsors and supporters, in particular Kahini Pty Ltd (SLSSA Trust Fund), the City of Onkaparinga, the Federal Government, State Government, through SAFECOM, and major sponsor, KFC Seaford Rise. A list of Club sponsors is listed within this report. Many thanks to all for your commitment to our essential community service and competitive activities.

The Club's Sunday Sessions continue to be a great opportunity for members and the broader community to be able to enjoy live music, meals and refreshments and the Club generating much needed funds, particularly during the 'off-season'. Thanks to all our volunteers who make these afternoons run so well. The Sessions were put on hold due to the COVID-19 situation and toilet renovations but recent reopening has proven to again be a great success and major fundraiser for the Club.

I would like to pass on my huge thanks to Nicole Berry for her multiple roles as not only Assistant Secretary but Secretary and numerous others for the past 9 years on the Board of Management and on panels. Her commitment to working together with numerous members and external entities has always focused on the best outcome for the Club. As she is stepping down as Secretary, on behalf of all of our members, many thanks again to Nicole and we look forward to seeing her continue to volunteer her time in some capacity at the Club.

Effective communication is a key to success, and again, Laura Odell has continued to make sure members are kept well up to date with what's happening in and around the Club. Many thanks Laura.

Finally, I'd like to sincerely thank Mark 'Dobbo' Dobson, the Club's Facilities Manager for his unbelievable contributions in ensuring our 'behind the scenes' operations are successfully managed, in particular with our Council 'go-to-man', Ian Bradshaw. Not many members are aware of the number of hours he volunteers, so on behalf of all Club members, thanks Dobbo!

In closing, thanks again to all of our members and sponsors for your support. As a Club, I believe we are well placed to maintain growth to keep South Port Beach safe for all and to continue to be successful into the future.

Well, there goes another jam packed, fun filled season! They really seem to roll by faster with each year. How awesome do our new changeroom facilities look! It was a bit crazy navigating the best part of the season with only a third of the Club opened, but in true South Port style, we handled it like a boss! A huge thanks to those involved in making it happen!

This season saw us continue to deal with the COVID pandemic and the goal posts kept getting shifted as rules and regulations constantly changed. We became masters of flexibility and resilience, especially when it came to Junior carnivals. A massive thanks goes out to all the members who got their COVID Marshal Certificate and assisted with marshalling at carnivals and the Club.

Member numbers were down slightly. We lost quite a few members, but it nearly balanced out with over 100 new members this season. The breakdown of membership numbers are as follows:

	<b>2021/22</b>	<b>2020/21</b>	<b>2019/20</b>
<b>Juniors (Nippers aged 5-12)</b>	151	170	142
<b>Under 14-15 (Youth)</b>	22	22	25
<b>Under 17's</b>	16	12	9
<b>Under 19's</b>	14	18	16
<b>Under 21's</b>	14	12	8
<b>21 and up</b>	350	358	287
<b>Total</b>	<b>567</b>	<b>597</b>	<b>487</b>

Our Social Media Platforms continue to show a strong following:

<b>Club Website</b>	111	117	114
<b>Team App</b>	317	256	202
<b>Facebook (main group)</b>	528	497	457
<b>Instagram</b>	1076	894	N/A

Our Child Safety Management continues to go from strength to strength. We have now got over 90% of our 18+ membership having completed their WWCC. Those members who have had theirs expire or have not yet provided one will be contacted in the coming weeks to ensure that they have this requirement completed before the start of the 2022/23 season.

Surf Babies was very successful again in its second year at South Port, hosted by the wonderful Daniel Vogt and Amber Smith. The kids adored them! We look forward to hosting the program again next season.

We are also very excited to be hosting the Vac Swim program for the first time at South Port in 2022/23, with the program due to be held in December and also hosted by Daniel! Keep an eye out for more information later in the year!

Congratulations to all the competitors for their outstanding successes throughout the season. Kudos to the Surf Sports team, led by Kylie, Alex, Clayton, Sean, Andy and Keith for looking after our team.

## SECRETARY'S REPORT CONT...

*Nicole Berry*

A huge and heartfelt thanks goes out to ALL of our hard-working and dedicated volunteers who give their time and effort to help make our wonderful Club run efficiently. Without you, we would not function. Most importantly no lives were lost at South Port with zero drownings.

After being on the board of Management as Assistant Secretary and then Secretary for the last 9 years, it is time for me to take a step back for a while and allow someone else the opportunity to be involved in the best Club on the planet and have as much fun as I have had. I would like to thank each and every person I have served alongside on the board and as an office bearer. The friendships I have made and skills I have learned will stay with me forever. I will continue to support the Club and help out in any way I can and will be here to help the new Secretary transition into the role.

I know I said this last year, but the saying many hands make light work rings so true, especially in our environment. We still need more volunteers. We currently have a small group of people who are juggling 3-4 roles and have done so for a long time because nobody else puts their hand up. These guys need a hand and won't be around forever. It doesn't matter how much or how little time you can give. Every little bit helps. If you would like to get involved but are not sure how or what you would like to do, please contact [mail@southportslsc.org.au](mailto:mail@southportslsc.org.au) and we will provide you with the information and support you need.

Lastly, a special thanks goes to Laura Odell, Kylie Cederblad and Richard Olesinski. The extra work you three in particular have taken on with me over the last several years has been nothing short of astounding. You are the rocks of South Port. Also, a big thanks to Deb Sinclair for her endless support.

Wishing everyone all the very best for a fantastic 2022/23 season.

Much love!  
Nicole Berry  
Secretary

Well, it was another year of disruption due to COVID-19 though we've managed as a Club to continue to survive and thrive financially, even with my hands on the financial helm!

Audited financials are based on 1 May 2021 to 30 April 2022.

At the end of FY22 we are in a strong position with \$300,323 sitting in the bank and cash equivalents which is a modest increase on last FY21 \$289,830. These available funds continue to position the Club well for future development of our members activities and will cover major expenditure such as the new shed at Wearing Street, which Council say will get underway later this year (hopefully) and upgrade building works around the Club.

The audited accounts included in this Annual Report provide a detailed overview of money in and out for those that are interested in the exacting detail of accountants. For those not so inclined below is a highlight package but noting this report has been written before the audit has been finalised so it is possible some minor adjustments will be made here and there in final numbers if you decide to compare it with the audited report...but you'll still get a good idea where the Clubs money comes and goes!

1. Sales:
  - a. Bar: Sales for the year were \$61,533 and while down once again mainly due to Covid-19 restrictions the bar still made a healthy profit of \$33,065. Thank you to Marsha Smith, the Bar Flies and all the volunteers for making this possible.
  - b. Apparel: Sally Botha has once again done an amazing job keeping South Port ahead in the fashion stakes to the tune of \$19,334 in sales and a profit of \$122. Note that while this may appear a modest profit (which is calculated on standard annual accounting methods... (well the way Bristles did it anyway!) it is worth noting we are currently holding \$11,928 in apparel (at cost) which when sold in the future goes directly to our bottom line as profit.
  - c. Canteen: the canteen operations were greatly curtailed this year due to Club renovations (and COVID) though Donna Logan did a great job providing a small service for Nippers on a Saturday and still managed sales of \$2,385 and a profit of around \$750. (Note the canteen was run in part through bar this year so these breakdown figures may not be exact but you get the idea!)
2. Fundraising: income for FY22 \$17,945 less costs \$8,438 = \$9,506 profit – drop from last year due to COVID restrictions however still making money on fundraising activities (e.g., Nippers bbq/raffle \$5,064, 100 Club, footy tips, wine wall, Sunday sessions \$3,992). Well done all involved.
3. Grants, Sponsorship and Donations: A total of \$76,289 was received this season. This came from both large sponsors and several smaller sponsors being both members and/or friends of the Club. Big thank you to all and make sure you all continue to support the Club sponsors big and small!
  - a. Large sponsors, donations, grants:
    - o City of Onkaparinga Council Grant \$12,721,
    - o Festival Foods Pty Ltd (KFC) \$10,000
    - o CMI Toyota \$5,000
    - o M F Paterson \$5,000

## TREASURER'S REPORT CONT...

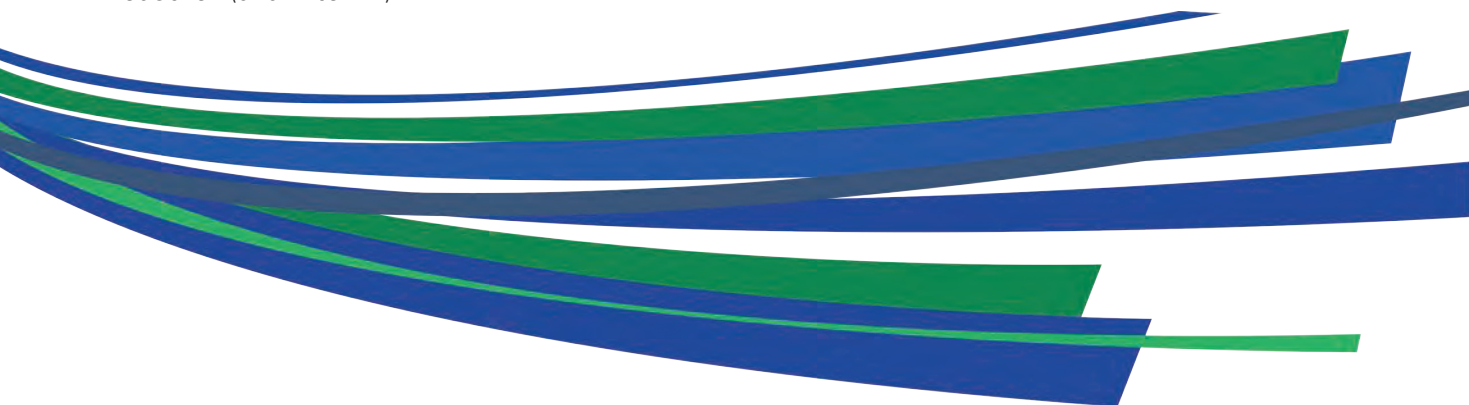

*Ian Hodgen*

- o Beach Safety Equipment Fund Grant \$15,000
- o Australian Sports Foundation \$9,000
- 4. Operating Expenses: some operating information for those still reading (i.e. money going out the door):
  - a. Competition: includes Tour Team Expenses, Training and State Team Subsidies and Travelling Expenses, and Carnival Entry Fees (including Juniors)  
FY22 \$14,395 FY21 \$14,759
  - b. Equipment: includes Board & Ski Maintenance, Surf Boat Maintenance  
FY22 \$6,118 FY21 \$5,289
  - c. Finance Expenses: Square merchant fees and bank fees.  
FY22 \$1,610 FY21 \$2,320
  - d. General Administration: includes General Administration, Audit Fees, Trophies  
FY22 \$15,819 FY21 \$22,364
  - e. Insurance: including building, contents, members and public liability insurances  
FY22 \$13,180 FY21 \$8,017
  - f. Life Saving: includes lifesaving, IRB and patrol  
FY22 \$12,588 FY21 \$13,254
  - g. Premises and Facilities: Cleaning, maintenance, utilities, small items  
FY22 \$30,504 FY21 \$26,094
- 5. Net Profit: FY22 \$65,091 FY 21 \$122,404
- 6. Non-Current Assets: we continue to turn over our equipment with several mals and rescue boards purchased this season and skis on order. We have also paid for a new IRB to be delivered in May/June.

Well, I survived a year as interim treasurer (as did the Club!) but it is time for me to sign off. Thanks to BOM and Cass Stoodley for your support during the year. Thank you to all members for supporting the running of the Club, raising funds, saving lives and having fun.

I am pleased to report South Port Surf Life Saving Club Inc. is solvent.

Ian Hodgen  
Treasurer (aka Interim)

## CAPTAIN'S REPORT *Lyndon Mills*

We have seen a successful year on the beach once again achieving our major goal and mission each season of keeping South Port safe and fatality free. Over 4000 volunteer hours contributed to lifesaving beach patrols. A single hour given to community service to ensure our beach remains fatality free is the core existence of our Club and future. An amazing statistic in itself and one that our members and in particular our patrolling members should be proud of. To each and every one of our volunteer members I thank you for your selfless commitment to our beach operations and lifesaving services. When you reflect on the past season, there are so many members worthy of recognition. Firstly, thank you to our Patrol Captains for your commitment this season in leading and mentoring your patrol groups. The importance of our Patrol Captains in managing the beach and the position within the Club that you hold is greatly respected and appreciated. Our Nippers are our future lifesavers and competitors and it is important that we harness the potential that lies in this area of the Club. This season saw the delivery of another hugely successful Nipper beach program.

The Club was fortunate enough to receive a number of grants in season 2021/22 to assist with delivering new rescue equipment via the Beach Safety and Equipment Fund, along with Council Grants.

Thanks to all those who also contributed to a successful lifesaving season, from the Committees of both Lifesaving and Supporters, through to all the Trainers, Gear Officers, Patrol Captains and Patrol Members. Also, a special thanks to those on the building committee, who have all worked tirelessly on the Club redevelopment of our toilets and on-going redevelopment of the Gym.

Thank you and congratulations to our competitive members for a successful season and for your commitment to attending patrols, training and succeeding in your individual pathways. The Club is fully behind your continued growth and success.

The Club is extremely fortunate to have a core group sitting on the management committee. The committee has a great blend of passion for the Club, dedication to their role and the skillsets to perform their job, ensuring what happens on the beach is delivered in an efficient and effective manner. These members are certainly the unsung heroes of the Club and give many hours on the beach and behind the scenes at Board meetings, sacrificing their own personal time and commitments for the greater good of our Club. To our board, thank you for your continued dedication, support to the Club and your roles.

Our annual report is a time capsule of how exciting our Club is and highlights our many achievements in areas such as Lifesaving, Surf Sports, Nippers and the ever-present Club culture. South Port Surf Life Saving Club continues to develop and cherish.

Let's not lose sight to why we are here, patrolling is our core business.

Finally thank you to every member who volunteered their time in any capacity throughout the season.

Lyndon Mills  
Club Captain

What a busy season 2021/22 was.....

SLSSA Senior State Championship – overall point score 5th with 298 points, the top mid coast club with a 53% improvement from season 2020/21!

SLSSA Junior State Championship – overall point score 6th with 166 points, the top mid coast club with a 10% improvement for season 2022/21.

SLSSA Masters State Championship – overall point score 5th with 350 points, the top mid coast club.

Amazing commitment from our Coaches Alex Botha (Board and Iron), Sean Lohse (Ski), Jason, Keith and Ben (Boat/Sweep). It goes without saying that our coaches are amazing humans who not only commit their time at a coaching session but the behind-the-scenes work; planning sessions, supporting athletes and parents before/after training, looking after club equipment and organising repairs, team selections, administration work that I annoyingly asking of them all the time, supporting athletes at Carnivals, 8@8 sessions and Aussies. Their families are amazing for supporting and allowing them to do what they love. All our athletes and the Club should be extremely grateful to these wonderful individuals.

Supporting our Coaches, we had Alex Gettie running Tuesday night Swimming at Noarlunga Aquatic and Leisure Centre. Alex's confidence has continued to grow since joining South Port SLSC and volunteering his time in an such an impactful way. I hear he was a huge hit on a Tuesday night.

We had four Senior Athletes selected in the SLSSA Surf League; Alex Botha Leader in the Air Diffusion Team; Zalika Cederblad in the Prep Hydration Team and Sadie Proctor in the Helistar Team. Tillie Zeitz had the opportunity to fill in for the Prep Hydration Team and Reserve Women Boat Crew filled in for Helistar.

Twelve athletes were selected in the SLSSA 2021/22 Youth High Performance Group. This group were invited to skills development sessions, involved in Zoom guest speaker session with Georgia Miller and Matt Bevilaqua and camp.

U13 – Nicole Hendry, Taj Lee

U15 – Swai Abbracciavento, Denia Brenchley-Sheldon, Mali Gilligan, Leo Oliver, Daisy Proctor, Summer Thomas

U16 – Angus Logan, Zalika Cederblad

U17 – Kenya Thomas, Sadie Proctor

We welcomed Macklin Harvey and Jayden Reeves to the Club in the Senior Competition Team. We also had Kai and Cale Dellow come back to their first competitions since Nippers. Our Senior Team continues to grow with our U14's transitioning. It was a pleasure watching this groups confidence grow throughout the season. Isabella McAvaney, Ruby Booi, Chloe Harsing, Kaysha Dellow, Tamika Davidson, Kade Stoodley, Diesel Stevens, Jake Gore.

Our Surf Sports group has been working on the culture of the Club's youth with the aim of retaining them into Seniors and the wider Club community. We have been lucky to have Aaron Oliver and Mel Thomas supporting this group. Aaron has enthusiastically organised pizza nights, camps and excursions into the city. Mel Thomas ran the Saturday Squids sessions where she successfully supported our Squids,

especially making sure our U14's transitioning to Seniors had something to do and remain engaged with the Club.

Penny McKenzie and Steve Proctor started working with our Youth.

Massive thanks to Aaron Oliver, Carla and Paul Zeitz, Donna Logan, Joe Thomas and Kylie Cederblad for chaperoning 23 athletes for a two-night camp, competing at the Robe Senior Carnival and a surf session on the second day. It was a fantastic weekend with huge surf and team bonding. Also, thanks to Harvey, Fisher, Dellow and Stoodley families who supported the weekend.

Josh Zeitz supported Tillie and Zalika in their preparation for Champion Lifesaver State Championships. Josh did an amazing job with all three securing points for the Club. Hopefully we can grow the numbers competing in this group in the coming seasons.

We had growing numbers compete in the Kozii Enduro, Board Riding Championships and Pool Rescue Carnivals and State Championships.

### **Aussies**

Youth – Leo Oliver and Kade Stoodley

Masters – Alex Botha and South Port Seedy Seals – Rachel Martin, Lisa Biggs, Mary Carr, Megan Syvertsen and Jason McGaffin

U23 Boat Crew – South Port Shockwaves – Megan Sinclair, Amber Smith, Jade Benn, Charlotte Woodroffe, Jason McGaffin

Open – Sadie Proctor, Zalika Cederblad, Tillie Zeitz, Macklin Harvey, Alex Botha and we welcomed Amy Buck and Liliya Zampatti from Semaphore SLSC.

We had a successful Aussies 2022 campaign. It was great to have new athletes make the trip to Queensland. Leo and Kade learning a lot from their experience and should be proud of their races. Our Masters Athletes coming away with 3 medals, the U23 Boat Crew just missing out on progressing past the quarter finals, Sadie and Zalika winning the first Australian Beach Medal for our Club and the difficult conditions our Open competitors had to deal with.

Our Officials who without we could not have achieved any of these results we are most grateful for. As the Club has grown so too does our Officials requirements. We were lucky enough to have a lot more members become accredited officials this season to share the workload. Huge appreciation to Paul Zeitz who took on the role of Officials Coordinator.

As always our amazing photographers Chloe James, Tracy McAvaney, Deb Sinclair, Danni Hansen, Brad Vogt, Vanda-lee Giebel and Kylie Cederblad who stand on the beach for hours on end capturing amazing photos.

Looking forward to the 2022/23 season to continue our work on developing the team's culture, increasing participation across all areas of surf sports, continuing and improving our strong competition results and most importantly being part of the South Port SLSC community.

It is a pleasure to write this report, following another successful year, with multiple crews at Masters and Senior States, and two crews competing at Aussies, with the Seedy Seals 160 Female crew picking up a Bronze medal. Congratulations to all of you.

### **The Sponsors –**

KFC Seaford Rise, who have generously committed once again, to a 2 year deal, worth \$20k to our Club.

CMI Toyota have also come on board this season.

The Boaties Supporters club – A record year, with over \$9000 raised. Thank you to everyone who has donated, you know who you are!

It is poignant, that in the year when we scattered Don ‘Bristles’ Alexander’s ashes in the water at South Port, the Boaties Supporters Club came up trumps – for those who aren’t aware, it was Bristles who initiated the Club. Vale.

It is of course important that we all strive to maintain these income streams – after all, we all benefit with good quality, well maintained equipment and travel support.

I have to thank Jason, who still puts in many hours and much energy behind the scenes, even though he is no longer Boat Captain.

And a final thank you from me to the ‘elder statesmen’ of rowers still around the Club – people who aren’t necessarily involved on a day to day basis, but whose expert knowledge and input is freely offered, and very much appreciated.

## MARKETING & SPONSORSHIP OFFICER'S REPORT

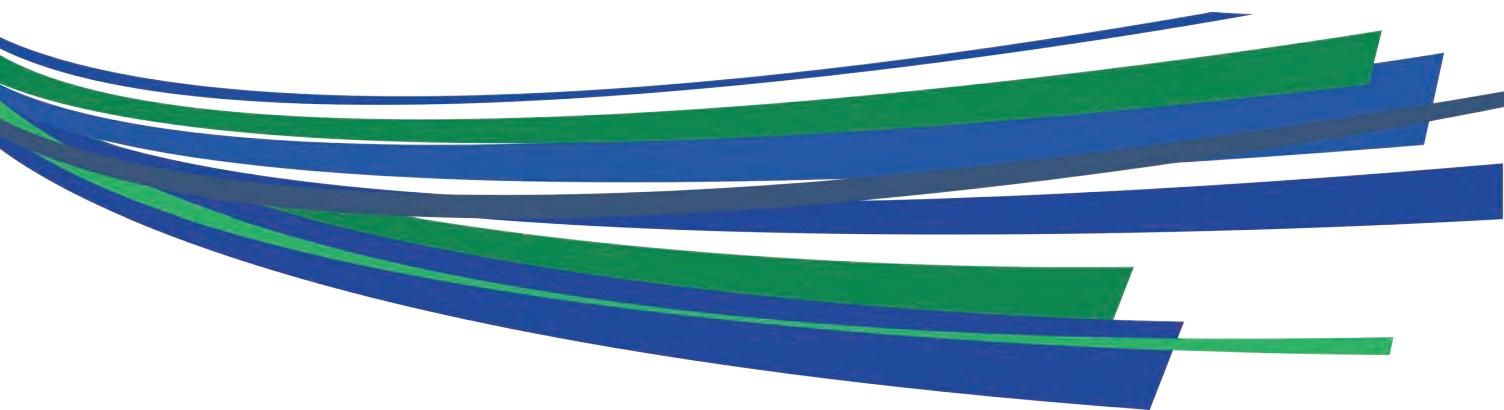

*Sara Lane*

For the 2021/2022 season, the Club introduced and welcomed, a Marketing and Sponsorship Officer to the Board of Management. As it was the first year of the position, time was spent focusing on building and developing the foundation documents, systems, processes and tools for the role in the future. Steps have been taking to ensure that, whoever fills the role in the future, can build on the legacy and work, of those before them by adding additional value to the Club.

A special thanks to the new and ongoing partners and sponsors of the Club this year, many of whom are members. Without your ongoing support, the Club wouldn't be as successful both on and off the water. Also, special thanks to those members who actively engaged, connected and supported our sponsors this season. Please see all sponsors at the end of the Annual Report for this season.

Finally, just as important as our sponsors, the Club brand is strengthened by our Club culture and pride that our members have in the Club. Everytime you hit the beach in competition, share a Club post or photo on social media, wear your Club merchandise in the community or share your experience with someone who is not connected to the Club, you are acting as Club brand ambassadors. This positive interaction and engagement adds value to those connected to this great Club. It is these 1%ers which makes marketing the Club more successful.

Marketing and Sponsorship Officer

## MARCH PAST REPORT

*Vonnie Olesinski and Anita Emswiler*

### Open March Past Team

Well, wasn't there a big change to the March Past season this year?

We saw the retirement of coach and mentor extraordinaire – Bob Mayo AM. After countless years at the helm, (more than 30) another chapter in history came to an end at South Port. Thank you Bob for paving the way for all teams around Australia, for being a leader, a trailblazer, and a passionate advocate for March Past.

But as they say in the classics, when one door closes, another door opens - and this was the case with Andy Higgs stepping into the coaching role. Andy hadn't coached since 2007 where he took the ladies team to a bronze Aussie medal at Scarborough WA, but stepped back into the role effortlessly with calm and enthusiasm. Along with Andy at the helm, we would also like to say a big thank you to John "Hally" Hall and Frank Drake for helping out at training's and always encouraging us.

We also needed to find new members to fill vacant positions. One of those positions was held by Jenny Whitmee, who like Bob, had marched for around 30 years and was the only female at times in the magnificent South Port March Past teams of yesteryear. We were lucky to find four ladies who had all marched (some as long ago as Under 21's) and some a little more recent than that, that had the skill, muscle memory and a great sense of fun. Just what the team needed. Thank you to Sharryn Campbell (after a year off), Sally Botha, Maggie Botha and Gabby Peterson... and as previous seasons we had Donna Logan as our reserve, who marched brilliantly on the day of States at very short notice.

We didn't train as long this season, in fact, with everyone's busy schedules I think we only managed 3 training sessions with a full team. At times we may have only had 6 or 7 on the beach but we never gave up. Improvisation was key to this season.

March Past States was on a Saturday this year and the event was amalgamated with the Junior States which made for lots of teams on the Beach and a true spectacle of colours and flags.

I am happy to say that we won, we took the Gold! It just goes to prove that with determination, fantastic team work (no matter how fractured at times), belief in your ability and the positions you have marched in for season after season, that perseverance pays off.

Thank you to all that have supported us, believed in us, and came to watch us march at States, we hope we did you proud.

Here's to our next season, one that hopefully will be filled with the same enthusiasm, pride, team work and above all fun.

## MARCH PAST REPORT CONT...

### *Vonnie Olesinski and Anita Emswiler*

#### **U23 March Past Team**

The Club was lucky to have twenty four competitors for 2 Teams in the Under 23 Division this Season.

The Green Team led by Pennant Bearer Josh Zeitz with Tillie Zeitz in Belt.

The Blue Team led by Pennant Bearer Alexander Gettie with Daisy Proctor in Belt.

They all competed as a Team with amazing results coming in with a Gold and Silver.

Thanks to Donna Logan, Assistant Coach, and Kylie Cederblad for the Administration of the Teams.

A Special Thanks to 'Classic Colour Screen Printers' for donating the T-Shirts and Screen Printing.

## FACILITIES MANAGER'S REPORT

*Mark 'Dobbo' Dobson*

Our Club had the completion of the renovation of the changerooms and toilets bringing them up to date. Together with the Onkaparinga team and work commissioned by Robbie Hodges of the RMK building group. The funding was a mix of federal and council funding at a cost of \$540,000. Work involved the total removal all the existing changerooms and first aid room and entry hallway to the Club. The canteen was fitted out with new stainless steel benches and installed with 2 new fridges and freezer. A brand-new first aid room was also built in line with the canteen. We achieved the extra space to build this by a suggestion to bring the whole footprint of the build into the existing Club room, a great suggestion by Aaron Oliver.

### *Other completed works*

- A new cool room installed in the bar area at a cost of \$23,000 thanks to Marsha Smith and installed by Mid coast refrigeration - thanks Mango and his crew and Lindsay Bloom for new beer lines.
- The complete exterior of the Club repainted by Onkaparinga council and the paint was donated by Dulux as part of their Surf Lifesaving sponsorship.
- Security cameras installed at the boatshed on River Road.

### *Future work this year*

- Outside security camera upgrade by the Onkaparinga assets team.

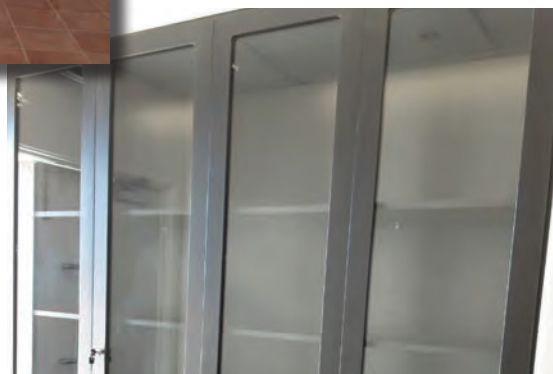

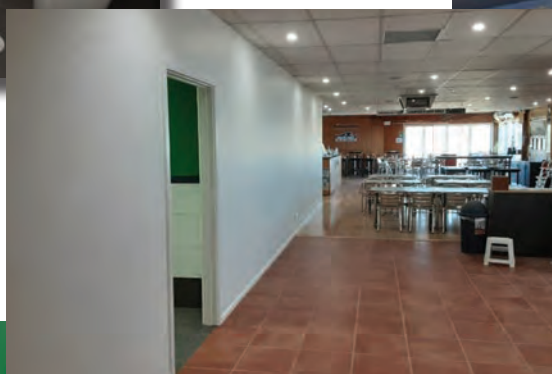

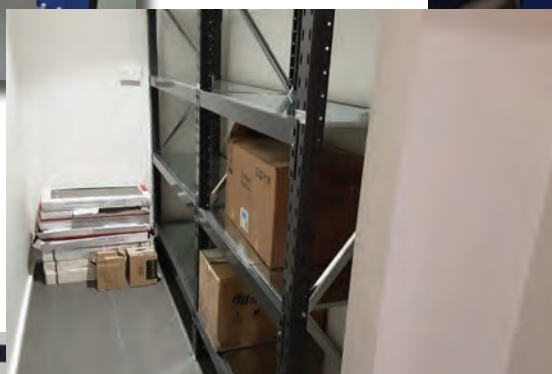

I'd like to give thanks to our cleaner Paul Catchpole and The Bar Flys and Sand Flys. Thanks to Marsha, Laura and Hendrix, Olly, Dolla, Doha, Spider, Devo, Aaron 'Gary' and 'The Triplets' (Howsey, Big Kev and Reddas).

Thank you all, with your work and commitment our Club is in fine shape.

Facilities Manager  
Mark Dobson.

## ENVIRONMENTAL (ECOSURF) REPORT

Carly Lynch

I wanted to highlight that this season we saw the installation of an environmentally themed A frame sign for the Club to encourage a litter free environment.

We also completed a beach clean with the Nippers and spoke about the effects of marine debris on the coast and ocean with ideas of how to reduce our consumption of single use plastics at the Club and beyond.

## MEMBER DEVELOPMENT OFFICER'S REPORT

*Aaron Oliver*

This season was incredibly hard with all the restrictions and events having to be cancelled due to covid out breaks in and around the Club.

We started off the season with a Winter camp to Willow Creek. We had 22 SQUIDS come along, including a new bunch of U14s. We spent the days hiking, surfing and catching up around a bonfire. It was a great opportunity to catch up pre season.

As the season started we were still juggling Covid restrictions, but managed to have a pool shark competition followed by pizza which was a great night. The group once again embraced the new u14s to feel welcome and by the end of the night no one wanted to go home.

Later on in the season we decided to musk up and catch the train into Adelaide to wonder around the Luna festival. We spent most of the night in the food truck line, but eventually got to go through to see the Lanterns.

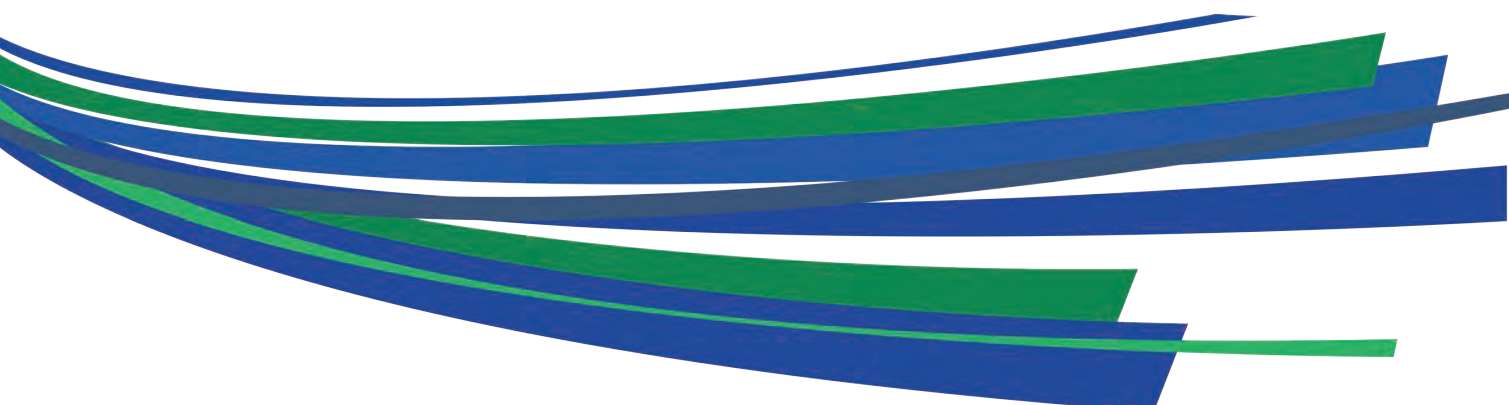

As we moved through the year an opportunity came forward to go to Robe for a senior carnival. With the support of the Surf Sports Crew 22 athletes made the adventure to Robe on a 22-seater bus. Followed by the club ute with craft in tow. We stayed in cabins at the caravan park with a communal kitchen that became the hub. Carnival day spirits were high and the swell was pumping. The group did really well in trying conditions with some of the crew having to jump out of there comfit zone. Shout out to all the new U14s who took on the conditions.

Hopefully this new season we see less restrictions and can get on with some fun events.

Big thanks to all the parents that helped out in our events and to the Board of Management for supporting us in what we do.

Thanks

Member Development Officer

## SENIOR LIFESAVING EDUCATION OFFICER'S REPORT

*Noelene Charles*

I would like to start by saying, how all members have coped exceptionally well with multiple changes Surf Central throw at us. And how everyone has supported Brett Fisher and myself as we understand all the changes made to proficiencies and all other courses.

The Club's traditional 1st course run at the beginning of the season, was one of the biggest groups seen in many years. This saw 9 Junior members gain their SRC award, 8 SRC members successfully completed their transition to Bronze Medallion, 4 returning members updated their Bronze Medallion and 9 members gaining their Bronze Medallion.

Brett Fisher was the senior instructor in-charge of this massive group, what a mammoth effort, thank you! I would like to thank all helpers that supported and helped Brett with this course, teaching from their knowledge and being there for water safety.

Six members gained their Inflatable Rescue Boat (IRB) crew award, thank you Lyndon Mills for the Instruction and Assessment of this award.

There are members which attended Surf Central or other Clubs to gain their proficiencies or new awards, not available at South Port. We thank these clubs for their support for our members.

Brett Fisher finally has been acknowledged by Surf Central for his Certificate 4 in Training and Assessing, now allowing Brett to assess SRC awards and Resuscitation inhouse. Congratulations Brett!

A Massive Congratulations to all new award holders.

Proficiencies this season was squashed into a few short days, with limited assessors, I thank all members for their patience, we got through everyone!

The next few seasons will bring many changes to awards, the main one is Advanced Resuscitation Techniques. To gain this award now will be through Surf Central with the added Applied First Aid Certificate.

I am excited to see what happens next season as I have had some interest from members to become instructors in some awards, this is some great news for the future. Watch this space!

There is some new equipment on the way for education, training AED, finger pulse oximeters (for the new ART award holders only) and some new mats.

COVID 19 still is an active disease within the community, so we need to be aware of this and accept the changes made to protect ourselves when performing CPR. I am super proud of South Port Members on how you all have adjusted to these changes, Well Done!

Thank you for everyone's support

## JUNIOR DEVELOPMENT CHAIRPERSON'S REPORT *Danni Hansen*

Well, what a year!

With Covid throwing curve balls at us from every angle this season, we really had to pull together as a team and that we did.

As always, a huge shout out to my incredible Junior Panel. Aaron Oliver, Alex Botha, Anna Fisher, Cass Stoodley, Chloe James, Olivia Harsing and Tracy McAvaney. You are all important pieces to the SPSLSC Nippers puzzle, thank you for keeping me somewhat sane!

This season it felt as though our list of volunteers got longer by the minute, especially for State Titles and I cannot thank everyone enough who put their hand up (or had their arms gently twisted) to fill these roles. From water cover, officials, work parties and Covid marshals to those who helped load and unload equipment, without you our kids could not have competed.

To the Saturday helpers, the BBQ crew, bar staff, canteen, set up and pack up teams and water cover, thank you all. To my ever growing bunch of Age Group Managers, thank you for your time, dedication, passion and patience. Again, our kids could not have the fantastic time that they do week in week out without all of you.

Thank you to the parents for supporting your nippers, whether that be on a Saturday afternoon or extra trainings multiple times per week. On the extra training, a special thank you to our water cover who ensure our kids can train safely and of course to the coaches both on the beach and also in the pool.

To Chloe, Tracy and Vanda-lee, your commitment to photographing our events is amazing. The kids are so lucky to have these memories captured to look back on, not only online but also in the fantastic year books (Thank you Chloe).

Alex, thank you for the countless hours you put in to help develop and nurture the kids. Not only do you care about the Club, you know the kids. I know I can rely on you to be there and know the right thing to say in both defeat and also success.

Enjoy winter and bring on season 22/23!

Danni Hansen  
Junior Development Chairperson

Winter 2021. Though the wind was cold, the water was icy, the lockdowns were short, and the cough was spicy, the shags emerged to do what they do best... run squealing into the ocean every Sunday morning in the name of fundraising.

This season, word of our heroic and honourable ways had spread far and wide, with two new brave souls joining the fray. It takes a special sort of clubbie to join such a group, and as always, we welcomed them with open arms (while quietly marvelling that they were not scared away from the first meeting). We saw out the season with a trip away to Clare, where the locals were kind enough to provide us with an unheated pool to complete our end of season swim.

Shaggers for 2021 were Lyndon "Boonie" Mills, Larry "Chalky" Edge, Craig "Clagus" Smith, Gary "Emu" Eastham, Ray "Hooray" Martin Jnr, Paul "Howsey" Howse, Tim "I Don't Think So" Edge, Katherine "Kat" Foster, Belinda "Moist" Hammond, Richard "Olly" Olesinski, Rob "Online" Morgan, Tanya "Precious" Spaan, Matthew "Pubes" Burgess, Deb "Pussy" Philips, John "Schmidt" Smith, Laura "Shortstack" Odell, Peter "Softie" Whitehorn, Siegfried "Siggi" Giebel, Tibor "T-Bone" Szolnoki, Steven "Trippa" Clohesy,

Season 2021 was led by our illustrious Head Shag Tim "I Don't Think So" Edge. Tim was supported by Scribe Shag Katherine "Kat" Foster, Tower Shags John "Schmidt" Smith, "Siggi" Giebel and Janet "Yeti" Puplett, Heavy Shags Larry "Chalky" Edge and Nick "Yorky" Fox, and Bar Shag Laura "Shortstack" Odell. Thanks to the great fundraising efforts of the brothers and sisters, Shags will be donating a new ski to the surf club which will support up and coming competitors. We thank the Board of Management for allowing our continued use of the Club rooms to hold our meetings each week.

Cheers

# WEEKLY & ANNUAL LONG SWIM

## Surf Race and 48th Long Swim Report 2021

Well it's hard to believe the season is coming to a close. I am amazed we only lost two surf races to Covid this season. The surf club members have been ever so vigilant in their response to a very serious health matter that our Club has responded to so successfully.

Thanks to Deborah Oliver, Shaun James and Melissa Thomas for their assistance in the administration of the weekly swim. Aaron Oliver and Alex Botha for their selfless assistance in organising and laying the cans, plus assuring that there was always adequate water cover.

I must thank our Club Captain Lyndon Mills for all his work and help, and every Patrol Captain for their cooperation as well as all the patrols that have made a large contribution to the success of the races.

The Long Swim continues to run with success and enthusiasm. Everyone involved really works hard to bring along the "can do" attitude. There is a core group of ladies who work hard behind the scenes, I really thank you all. Numbers of competitors are always high and the Junior Club seems to embrace this day every year. Keep up the good work. It is also nice to be able to thank Dennis "Congo" and Dawn Ferrett for their continued support via the prizes for the Long Swim. They have done this for many years.

Then there are all the competitors who front up every week to participate in a competitive swim. We had between 15 and 30 competitors each swim along with some very vocal spectators. Thank you all for your encouragement.

I have just read the results of the South Port SLSC competitors who competed in the 2022 Australian Surf Life Saving Championships compiled by Kylie Cederblad. What an amazing set of results. Congratulations to you all. Then to cap that off I opened my Onkaparinga Council rates to find my edition of Onkaparinga Now. Page 2 & 3 was dedicated to the City of Onkaparinga's young citizen of the year 2022. Leo Oliver. Well done Leo. This is what it is all about in preparing all the young people of our Club to be confident that when the occasion arises they are ready to respond.

These results and achievements create an environment for older senior members to continue assisting our great Community based Club.

It is a real pleasure supporting the young people of South Port.

## SLSSA STATE AWARD WINNER

### *Coach of the Year - Alex Botha*

#### **Congratulations to Alex Botha who took out Coach of the Year at the Surf Life Saving SA State Awards!**

Alex has been a member of South Port Surf Life Saving Club since 1991. He grew up participating in the Nipper program, competing as a Senior/Master competitor and now he is supporting his 2 children through the Nipper Program. He is the Junior Coach, Senior Board/Iron Coach, Coach Mentor and assists with Ski Coaching, active patrolling member (146.50 current season) and Senior/Masters competitor.

Each week Alex runs: 2 Junior Board sessions, 2 Senior Board sessions, 1 Iron session, Nippers on Saturdays, assist and runs 2 ski sessions, in addition to attending Nipper and Senior Carnivals, 8@8, competing himself in Seniors and Masters events.

Alex has been an integral part of South Port's growth and improved results in the Junior and Senior competition groups.

#### **Results for the 2022 Season**

Senior Team 5th at 2022 Senior State Championships, improving from the 2021 season where the Club came 8th and a 53% point improvement.

Seniors Board and Iron Medals and top 6 places – 3 Golds, 4 Silver, 2 Bronze, 4 fourths, 1 Fifth and 4 six places.

Nippers came 6th with a 7% increase in points from the 2021 season. There were so many amazing results across the Juniors in all 3 divisions.

Alex supported our Senior Aussies Board and Ski 2022 team, the biggest team to attend in a number of years.

South Port's U17 females made the Taplin Final, Ski Relay Final, and U19 Double Ski Final and a silver medal in the U17 2x1km Run.

Alex was selected as a Team Leader for the Air Diffusion SA Surf League Team, taking on this role and the athletes with the same passion he has for South Port members. He was also selected as the Team Manager for the SA Reds Team, unfortunately due to contracting COVID-19 he was unable to attend.

While the Clubs athletes results have improved, the most significant impact Alex has is on the Clubs culture. Leading by example: respect, fun, serving the community, volunteering, giving it your best has seen the Clubs membership grow the past couple of years.

Alex is an outstanding role model who is engaging, patient, a strong communicator with the ability to adapt training sessions according to abilities and conditions. At training sessions he is in the water, motivating athletes as a group and individually. Alex's confidence and support encourages our athletes to have a go in any conditions, even when the surf is up, which is evident by the numbers attending training.

His passion for surf not only influences members of South Port but extending to other Clubs. We often have members of other Clubs train with our Seniors and he is a strong advocate and organiser of our joint training sessions with Port Noarlunga.

## SLSSA STATE AWARD WINNER *Coach of the Year - Alex Botha*

Alex's passion for Surf Lifesaving permeates throughout the Club, from all the parents who help to do water cover at Nipper board training and Saturday Nippers, all the parents who competed at the 2021 Masters State Championships, the parents who are taking an interest in assisting in coaching the Nippers and families who continue to bring their children to Nippers.

South Port are privileged and proud to have an inspiring leader and mentor who just by doing what he loves has such a significant impact on so many.

**CONGRATULATIONS AGAIN ALEX... SO WELL DESERVED!**

## SOUTH PORT SLSC LONG SERVICE AWARDS

Congratulations to five of our wonderful Members for achieving the prestigious awards of **60 year** and **50 year** Surf Life Saving Long Service in 2021/22.

Life Member, Geoffrey Price, has reached the amazing pinnacle of 60 years long service. He joins the very esteemed group of 10 members in South Australia to hold this award - six of them being from South Port!

Life Members, Simon Linden, Robin Atkinson and Dennis Ferrett along with Raymond Martin Jnr all reached their 50 year long service milestone this season which is an incredible achievement.

Between these five great and committed members, they have collectively provided over 280 years service to our Club and to the Surf Life Saving Association - a truly astonishing and humbling fact. They form part of who we are as a Club, and their years of dedication and service allow us to enjoy the culture and success we have had in the past, that we do at present and that we will in the future.

On behalf of all members of South Port SLSC, we congratulate Geoff, Simon, Robin, Congo and Hooray for achieving these long service awards and thank them for their years of service and unwavering support of the Club!

### Notes to the financial statements

For the year ended 30 April 2022

The financial statements cover South Port SLSC as an individual entity. South Port SLSC is a not-for-profit association incorporated in South Australia under the Associations Incorporation Act 1985 ('the Act').

The principal activity of the association for the year ended 30 April 2022 is:

Surf Life Saving

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Basis of preparation

In the opinion of the committee of management, South Port SLSC is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The financial statements and material accounting policies all comply with the recognition and measurement requirements in the Australian Accounting Standards.

#### 2 Summary of significant accounting policies

##### Income tax

The association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

##### Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

##### Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

### Notes to the financial statements

For the year ended 30 April 2022

#### Interest revenue

Interest is recognised using the effective interest method.

#### Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

#### Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

#### Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

### **Independent audit report to the members of association, South Port SLSC**

#### **Report on the audit of the financial report**

##### **Opinion**

I have audited the accompanying financial report, being a special purpose financial report, of South Port SLSC (the association), which comprises the balance sheet as at 30 April 2022, the income statement, and notes to the financial statements, including a summary of significant accounting policies and the statement by members of the committee.

In my opinion, the accompanying financial report of the association for the year ended 30 April 2022 is prepared, in all material respects, in accordance with the Associations Incorporation Act 1985.

##### **Basis of opinion**

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial report section of my report. I am independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

##### **Emphasis of matter - basis of accounting**

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the association in meeting the requirements of the Associations Incorporation Act 1985 and regulations. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the association and should not be distributed to or used by parties other than the association. My opinion is not modified in respect of this matter.

##### **Responsibility of management and those charged with governance**

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 1985, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

### **Independent audit report to the members of association, South Port SLSC**

#### **Auditor's responsibilities for the audit of the financial report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
