

SOUTH PORT Surf Life Saving Club Inc.

**27th. Annual Report &
Financial Statement
Season 1985 ~ 86**

NOTICE OF MEETING

SOUTH PORTSURF LIFE SAVING CLUB INCORPORATEDANNUAL GENERAL MEETINGSEASON 1985 - 1986

Notice is hereby given that the Twenty Seventh Annual General Meeting of South Port Surf Life Saving Club Incorporated will be held at the Clubhouse on Sunday, 1 June 1986 at 11 a.m.

AGENDA

1. Notice of Meeting.
2. Apologies.
3. Confirmation of the Minutes of the Annual General Meeting of 2 June 1985.
4. Business arising out of the Minutes.
5. Correspondence.
6. Presentation, Consideration and Adoption of the 27th Annual Report.
7. Presentation, Consideration and Adoption of the 27th Annual Financial Statements and Treasurer's Report.
8. Motions of which due notice has been given.
 - (1) Moved G Hann/M Shead that recommendation be made to 27th Annual General Meeting of South Port SLSC that Life Membership be conferred on Mrs. June Watt.
 - (2) Moved G Hann/M Shead that recommendation be made to 27th Annual General Meeting of South Port SLSC that Life Membership be conferred on Mr. Tony Horton.
9. Election of Officers for the Season 1986/87.
10. Consideration and Adoption of subscriptions and other amounts payable by members and officers for Season 1986/87.
11. Determine the maximum amount that the Committee may expend on any one item for the 1986/87 Season.
12. Consideration of Honoraria and Reimbursement for Season 1986/87.
13. General Business.

For and on behalf of the Committee

GEOFF MOFFAT
HONORARY SECRETARY

NAME, AFFILIATION, OBJECTIVES, COLOURS

NAME

The name of the Club is:-

"THE SOUTH PORT SURF LIFE SAVING CLUB INCORPORATED"

AFFILIATION

The Club is affiliated with the Surf Life Saving Association of Australia (South Australia State Centre).

OBJECTIVES

The Objectives of the Club are:-

- (a) To minimise the loss of life from drowning by providing efficient life saving patrols and apparatus.
- (b) To adopt the gear, drill and handbooks of the Surf Life Saving Association of Australia, to patrol that portion of Port Noarlunga Beach, south of the reef to the mouth of the Onkaparinga River or to be on call within the Municipality of Noarlunga on such days and for such periods as the Branch shall from time to time determine.
- (c) To promote demonstrations and arrange classes of instruction in life saving.
- (d) To obtain facilities for life saving and to assist the Corporation of the City of Noarlunga and other Public Bodies in imposing facilities for bathers.
- (e) To encourage the physical and social welfare of its members.
- (f) To purchase, take on lease, exchange, hire or otherwise acquire and deal with any real or personal property rights or privileges.
- (g) To raise funds and borrow monies for the purposes and benefit of the Club upon such terms and such conditions as may be determined.

COLOURS

Club Colours - Navy Blue, White and Green

Club Badge - A green silhouette of the side elevation of the Standard Reel, the words "South Port" above and "S.L.S.C." below in white lettering, superimposed on a navy blue background.

MANAGEMENT

Management of the club is vested in the General Committee and is structured as follows:-

FACTS AND FIGURES

HIGHLIGHTS

No lives were lost at South Port while patrols were on duty.
 Fourteen rescues completed - progressive total 350 in 27 years.
 Equal 3rd Champion Patrol Competition.
 1st First Aid Competition.
 Association Awards total 39.
 4th State Championships - Moana Beach.
 3 bronze medals - Australian Championships Moana Beach.
 Clubhouse officially opened 20/10/85.
 Alteration of colour allocation to badge and uniform.
 Inaugural half Triathlon.

REVIEW OF CLUB ACTIVITIES

SECRETARY'S REPORT

Ladies and Gentlemen,

I am pleased to present for your consideration and adoption the 27th Annual Report and Financial Statement of South Port S.L.S.C. Incorporated.

My summary of the season's activities is as follows:-

LIFE SAVING

No lives were lost at South Port.

As a testimony to this very important statement is the fact that:-

- 14 rescues were carried out
- 29 preventative actions were undertaken
- 34 cases of first aid occurred
- 1921 patrol hours were completed with average of 33 hours per member.

In addition at the State Championships:-

- Champion Patrol equal 3rd
- First Aid Competition 1st.

ASSOCIATION AWARDS

Thirty nine awards were obtained including 9 Bronze Medallions. This number appears consistent with the vagaries of each season as can be seen in the statistics.

This is an area that we should all be aware of and encourage the achievement of these awards.

COMPETITION

Fourth at the State Titles at Moana and 3 bronze medals at the Australian Titles - a creditable effort.

MEMBERSHIP

Membership is down on statistics however I feel that this is due to the more stringent conditions applying to membership qualifications and payment of fees.

It is worth noting that Active membership is down and if this continues it will be of major concern to the club.

We are here to be lifesavers - all the rest is just trimmings.

FINANCE

Once more major contributors to the finance of the club were the bar and canteen.

The Treasurer's comprehensive report details the situation.

CLUBHOUSE

The club was officially opened by the Minister for Recreation & Sport, Mr Jack Slater on Sunday 20/10/85. There was a large crowd of officials, benefactors and supporters in attendance - it was a most successful day. I believe that this function "opened the eyes" of a number of people to what we do and what we have achieved.

FUTURE

The following matters will have to be finalised in the near future.

New Members - New (particularly active) members should be encouraged. The basis of lifesaving is the patrolling member on the beach - without this person there is, in my opinion, no purpose for a club to exist.
We live on public support and government funding on the basis that we hold ourselves out to be proficient at saving lives. This must be maintained.

Bronze Medallion Winners - The Bronze Medallion is the most important award of Surf Life Saving.
I feel that we should endeavour to ensure that all who obtain the Bronze Medallion should be honoured at a function and presented with a T shirt suitably printed which is given only to Bronze Medallion holders.

Constitution and Administration - The club Constitution is due to be overhauled.
To be done properly it will need to take into consideration not only the conditions of a surf club but also the Licencing Act, Incorporated Associates Act, to name just two. It should also be checked and verified by a Solicitor to test its effectiveness and validity.

Administration of any organisation is one of the major contributors to its success. I have heard comments about the necessity to consider more and more paid workers for the S.L.S.A. and also in clubs. While I can see the merit in this to some degree at National Council or State Centre, I question whether it is the right way to go.
I feel that the answer is not to pay some people to do more work but to spread the work through more (voluntary) members. South Port should consider co-opting or appointing (non committee) assistants to various club officials so that the work load can be spread and those that help obtain experience.

Club Work - There are 295 members in South Port (including Juniors). Besides patrols, the following regular work is required
- canteen
- bar
- cleaning club
- assistance in setting up and taking down at surf carnivals to name just the basics.
The surf season goes for about 20-24 weeks. It is obvious that there is more than ample person power to help once a season.
Let's read the newsletter and get here and help.

Water and Electricity - The reticulation systems for water and electricity will have to be amended next season.
I suggest that an approach be made for any recreation grants etc. that may be available to fund this important work.

APPRECIATION

I would like to record the club's appreciation of the magnificent donation of the club Honour Board and Trophy Case by Tony and Josie HORTON.

Thank you both. It was an outstanding contribution.

THANK YOU

As Secretary I come in contact with most members and the majority of them have been helpful to me. I would however like to mention the following people:

Mick and Maureen Shead for getting all the club records straight and applications processed.

Tony Horton for sorting out the licencing provisions and laws that apply.
Thanks.

CONCLUSION

I feel that it has been a good season for learning for a lot of us.

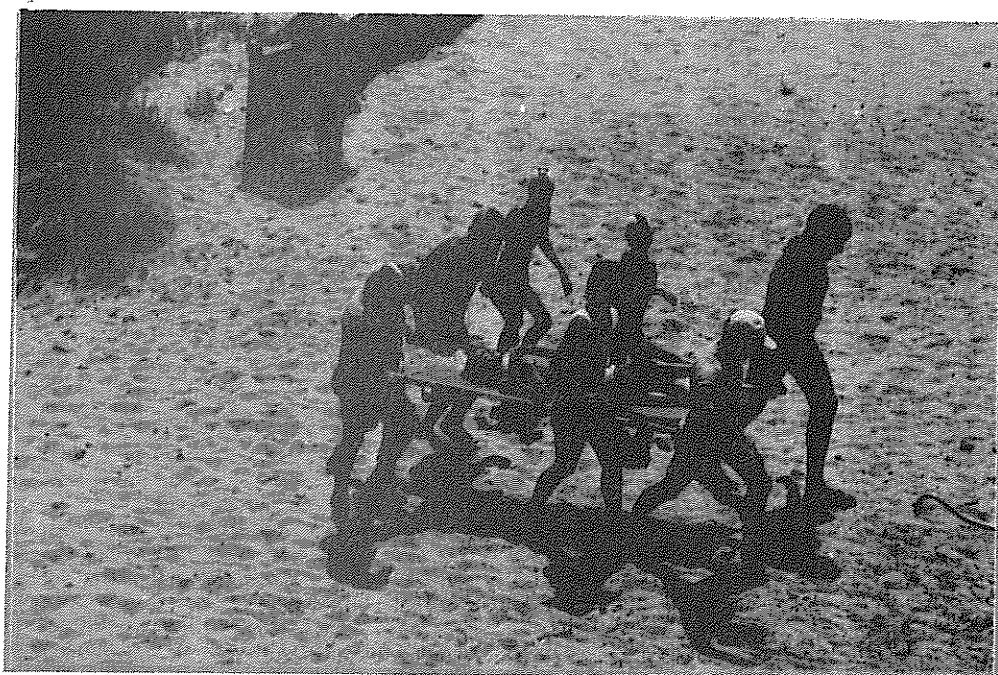

I am sure that those that joined the committee for the first time learned quite a lot both positive and negative but all to their advantage.

Next season will see a lot of changes in various committee positions, this I feel is healthy for new blood is a good thing.

We must however never lose sight of the ideal of surf life saving - it is a unique organisation that began in Australia - the Australian Surf Lifesaver quite rightly is highly respected throughout the country and the land.

We should always remember the obligations and advantages of belonging.

GEOFF MOFFAT

WHAT THE CLUB IS REALLY HERE FOR.

PRESIDENT'S REPORT

Season 1985-86 although very eventful has not been as fruitful or rewarding as one could have expected. Perhaps we can put it down to the fact that with the building project completed there is no longer a challenge; nothing could be further from the truth. We have only just begun. These magnificent club rooms are here for ALL members to use and enjoy.

The Junior Division after a slow start finished the year quite creditably.

To all members who gained awards or competed at carnivals my congratulations.

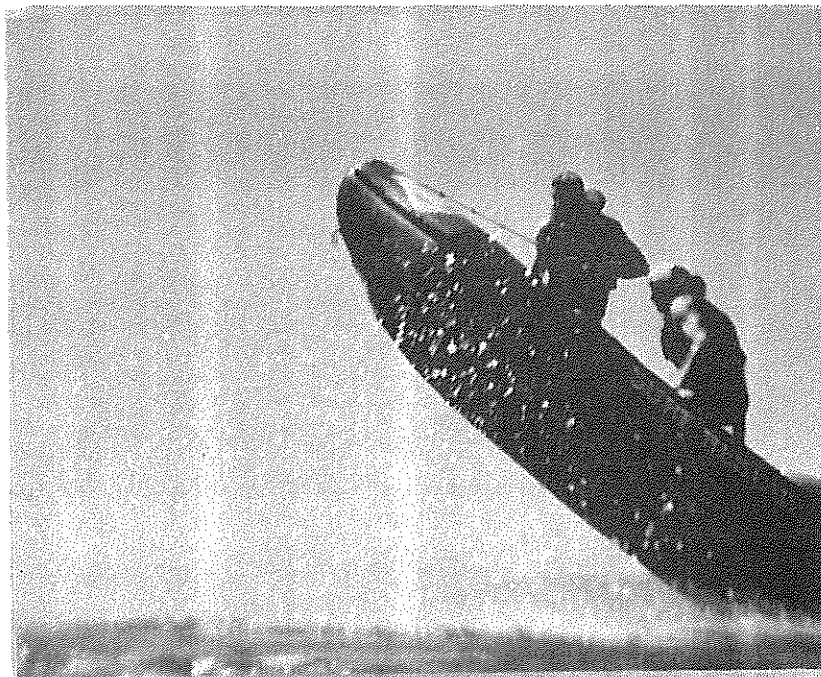

Special mention must be made at this time of the achievements of Sam Peacock at both State and National level. He is a credit to himself and to SOUTH PORT.

The co-hosting of the Aussie Titles was an experience those who assisted will remember for a lifetime. To all these people who helped including those who kept the home beach running; Well done. To the committee who helped me blunder my way through this my inaugural year as your President, my sincere thanks.

The efforts of our untiring money raisers must be applauded with June and Tony leading the way in the pay the mortgage stakes.

Lastly my heart felt thanks to you all for allowing me the honour of serving this past year as your President.

GEORGE W. HANN.

HODGY AND JOHNNO - UP & OVER

CAPTAIN'S REPORT

'A difficult year it will be' was the warning as I accepted the position of Captain for this Season, 85-86. As was the case, but interesting also, some aspects were disappointing, others better than expected.

Patrols, the main function of any surf club, worked reasonably well. With a reduced patrolling strength and introduction of personal patrol obligations on a National basis, saw a substantial increase in the average number of hours spent on the beach by our members. A return to the single roster afternoon patrols appeared to work fairly well, absenteeism being reduced compared to last season. One unfortunate trend did appear however, certain members had to 'cram' doing their hours prior to the closing date for entry into the Aussies and States, then neglecting their patrols for the rest of the season.

Thanks must be extended to John Nearmy and his troops in the carnival patrol, the commitment was exceptional, the average number of hours by this group was in excess of 70 hours each for the season. Well done.

Competition this year provided a mixed bag. Our small group of juniors and cadets proved themselves as the best group that any club could wish to have, they gave their most all season. Our Open ranks unfortunately continued to thin and of course the Boaties were at the other end of the beach going their hardest!

The most outstanding performance must be that of Sam Peacock, State Titles Gold in Cadet Iron Man, Run Swim Run, Surf Race and Malibu. He also teamed up with Sam Keelan and Keith Rowlings in the Cadet Malibu and Ski Relays being victorious in both events. This was on top of his National Junior Titles effort in January. Mention must be made of the performance by Gavin Steel in the State Titles, successfully defending his Junior Iron Man Title and gaining three other gold medals on the day. Many other juniors and cadets performed well at the State Titles and they must all be congratulated for their effort. Special mention must also be made of Tim Peacock who competed consistently all year and was selected in the State Team.

Our junior craft competitors again proved themselves at the Australian Championships. Bronze medals were gained by David Pummeroy in the Junior Ski and the Steel/Liptak combination in the Junior Double Ski.

The club again proved its strength in March Past repeating last year's performance of first and third in the State Titles, and the dedication of the team was again rewarded by gaining a bronze medal in the Australian Championships for the second year in succession. According to some, unlucky not to do better.

Co-hosting the Australian Championships was another major task the club had to meet in addition to conducting three carnivals and our inaugural triathlon. Thanks must go to all members who contributed to the conducting of these events.

Special thanks must go to Andy Higgs and John Parker of St. Johns who prepared our First Aid teams this year. Our team of Anita Higgs and Sue Stewart broke Seacliff's five year hold on this Championship. Also later in the season our patrols were tested to the full when they became involved in varied simulated accidents. Those involved enjoyed the experience and I hope that this 'First Aid Training' becomes a regular feature for all patrols next year.

In concluding I would like to thank all those people who have helped me throughout the season, it has been an enjoyable experience but unfortunately I cannot stand for this position next year due to work commitments (being transferred interstate). I must impress that persons standing for any position

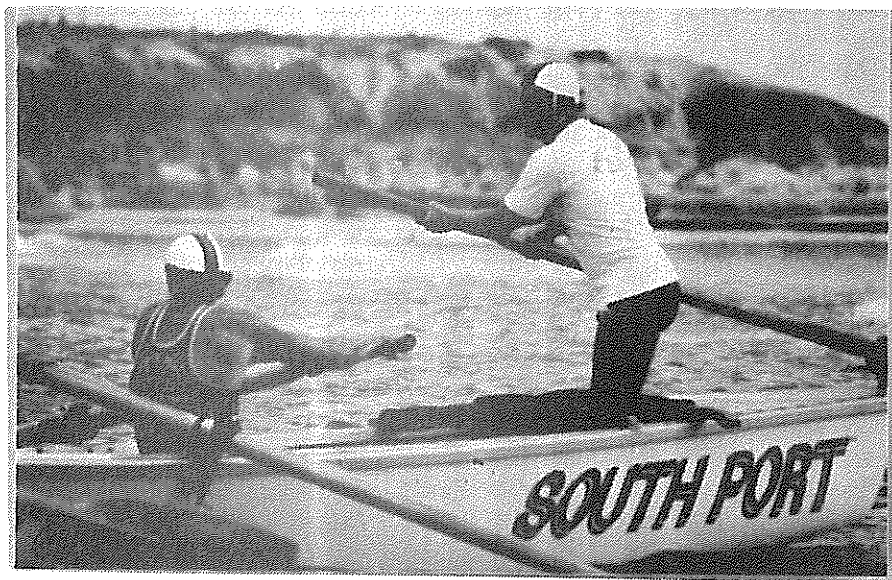

next year must realise the importance of that position and devote the appropriate time to fulfilling that task.

Good luck in 86/87.

PHIL MAYO
CLUB CAPTAIN

AVAGOODWEEGEND WITH AREOGARD

SWEEP EXTRAORDINAIRE - SNAKE

VICE CAPTAIN'S REPORT

1985-86 was a much improved season for South Port in the patrolling area. I decided to go back to the old method of patrolling instead of shifts and it certainly paid off. People missing patrols was cut down to half and there were less patrols to do.

A special thank you must go to Vintage Cellars at Morphett Vale for their kind donation of over \$400 to buy 30 shorts and 30 t-shirts to use as patrol uniforms. I must stress to all members to look after this patrol dress, it is required to be worn on patrol because it was the area that we lost a lot of points in the State PATROL EFFICIENCY AWARD. I must also thank my mum for washing the patrol uniforms after each weekend and labelling them as well.

The beach was patrolled for a total of 1921 hours at an average of 33 hours per person.

We completed 14 Resuces.
Guided 29 people to safety.
Had 30 MINOR cases of First Aid.
Had 4 MAJOR cases of First Aid.

I would like to congratulate Kevin Stephens on his 131 Hours, also M. Day 105 (another good patrolling season again, well done Martin). And well done to John Nearmy on his 84 hours.

To finish off with, I would like to thank all patrolling members for their attendance through the season of 85/86.

DAVID WATT

JOE FROM VINTAGE CELLARS AND THE CREW

CHIEF INSTRUCTOR'S REPORT

Normally the group of Juniors that we train in the late winter months provides an adequate influx of new Senior members but this year that total was so small that we scrambled all throughout the season to build our numbers by processing a seemingly endless stream of mini-squads and even then our Bronze Medallion tally was half of last year's total. This situation was caused by the unfortunate slump in Junior numbers and the Club must either reverse this trend or mount an effective campaign to recruit Senior personnel.

I thank the I.R.B. crews for their support in the preparation and presentation of candidates and I congratulate all of those who worked so hard to achieve their various awards. Your well earned successes make the effort worthwhile. My only regret for this year is that there just aren't enough Bronze Medallions for comfort.

RICARDO MID COAST TRIATHLON

Because of our sketchy knowledge of the Triathlon scene our decision to organise the inaugural Ricardo Mid Coast Triathlon could be seen as foolhardy or overly ambitious but once it was entered on their calendars of events we were committed (or should that be "trapped"). We worked closely with the Triathlon Association, the Road Runners and Road Racers clubs, they provided equipment, manpower and invaluable expertise to operate the run and cycle sections which left us the swim, the interchange area and overall control of the day.

We then contacted the Noarlunga Council, the Police and St. Johns to find a pandoras box of goodwill and assistance. The Council bitumised a footpath, repaired walkways, closed a road and provided signs, barriers and hunting as required while the Police manned the potential dangers "stop" sign intersections at Weatherald Tce., Maslins and Aldinga to give the cyclists preference wherever possible and the St. Johns set up their base in our car park and then provided mobile cover in all areas. The co-operation of these three groups was outstanding, freely given and very sincerely appreciated, especially as none had any financial interest in the procedures.

The result of all of this activity left us only the provision of water cover for the swim and when the S.L.S.A. supplemented the I.R.B. flotilla with both jet boats it looked like a classic overkill for safety but the conditions of the day forced us to move behind the dubious shelter of the Noarlunga reef and all safety craft stayed busy throughout the swim.

In retrospect, our decision to run the first half triathlon in South Australia at that particular time proved fortunate, we were well supported by local and interstate entries and once the pain had subsided favourable comments on the course and organisation came freely. Our only possible detraction this year was the decision to operate on a non-profit basis as an experiment. Now we know the pitfalls we will certainly remedy that without taking anything away from the participants next year.

MICK SHEAD

BOAT REPORT

This season has seen a marked improvement within the boat area with the 'A' crew making most finals and achieving a 3rd at the Christies Carnival.

The Reserve crew although having difficulty holding a full crew together, made it to semi finals. With a few more dedicated rowers we should have a stronger crew next season. The 'C' crew had a very good season making most finals and gaining placings during the later half of the season.

Many thanks must go to the older chaps who decided that they were not "over the hill" as many people thought and gained points for the club in the Veteran boat race.

Next season will see a higher achievement by all crews with dedicated winter training, sandhill (torture track) runs and work outs on the new gym equipment. Thanks to Chris "Dollar" Foord for the organising and setting up of the surf club gym which should prove to be an asset to all club members now and in the future.

Thanks to all crew members:-

"A" CREW

C Foord (Dollar)
R Pummeroy (Fletcher)

R Pummeroy (Shr.)
R Mayo
B Dixon (Dicko)

and anybody who rowed that I may have forgotten and to anybody who gave assistance to the Boaties.

Thank you very much.

MALCOLM (RAMBO) RUDD

POWER CRAFT CAPTAIN'S REPORT

The South Port Power Craft team once again continued their high class service to this Club. The I.R.B. drivers and crews put in a total of 356½ hours in the boat this year, a monumental effort. During this time they performed 22 preventative actions and 3 rescues (1 craft rescue and 2 swimmers).

Training for I.R.B. awards commenced in early June 1985 and finally after 6 months of training and some good and bad luck at times, we achieved 3 new awards. Congratulations to Tony Dawson (I.R.B. driver), Martin Day (I.R.B. crew) and Kevin Stephens (I.R.B. instructor). Our greatest loss for the season was Ray Willsmore who unfortunately broke his foot during training and was unable to obtain his award.

This year for the first time we had an I.R.B. patrol roster separate from the patrol roster. This system worked well but next year I would like to have enough qualified drivers to put 2 drivers on each patrol. There are only 12 qualified people in the club of which 5 were rostered to the patrols. Thanks to Leonie Stephens, Natalie Parks, Peter Sutton and Robin Atkinson for helping me on these patrols. Thanks to the other 28 people in the club who went out and either crewed or drove with these people. Maybe some of you could become qualified next season.

This season S.L.S.A. decided to have I.R.B. competitions in this State. This enables the I.R.B. drivers and crews to keep up to date in rescue operations and maintain a high standard of I.R.B. operation in the club. The results of the competition at Moana on 20th April show that we are up with the rest of the State in I.R.B. operations. Congratulations to the I.R.B. drivers who competed in this competition.

Finally I would like to thank all the people who helped me keep the I.R.B. going this year. Firstly, the I.R.B. drivers and crews for keeping the boat on patrol for every patrol this year. Secondly, to the patrols for assisting us in carrying the boat up and down the beach for each patrol. Without you we would not be able to patrol the beach. Thirdly, thanks to the Stagg brothers for their assistance with boat maintenance and finally, thanks to Bob, Wally and everybody at Adelaide Outboard Service for keeping the motor in top condition this year.

Thanks again to everyone and remember I.R.B. training for awards commences 8th June.

I.R.B. HOURS 1985/86 SEASON

K Stephens	75 hours	M Parsons	1 hour
J Nearnmy	23 hours	M Day	72½ hours
N Parks	26 hours	A Dawson	49 3/4 hours
J Wright	3/4 hour	S Linden	3 3/4 hours
L Stephens	16 3/4 hours	P Sutton	22 hours
L Hume	2 3/4 hours	R Atkinson	5½ hours

KEVIN STEPHENS

COMPETITION OFFICER'S REPORT

With the 1985/86 season all but complete in the competition arena, South Port has once again put in commendable performances.

The pinnacle of competition once again was the Australian Championships held at Moana Beach in late March. South Port acquitted itself well collecting 3 bronze medals with the congratulations going to Bob Mayo and his March Past tribe, Gavin Steel and Danny Liptak (Junior Double Ski) and David Pummeroy (Junior Single Ski) for these top performances. Many other fine performances were put in over the championships by club competitors in all areas covering first aid, beach, swim, ski, board and boat events. More hard training and better luck next year!

A creditable 4th position was obtained at the State Titles, although not as high up as previous years we were still right up there fighting it out like a top club should. Once again all competitors put in their best performances for the club.

Overall, competition wise South Port proved itself to be a top competition club again. Competing in all facets of the Surf Lifesaving movement, whether it be a surf carnival, first aid competition, board riding competition, patrol competition or a rubber duck competition to mention a few.

Here's looking to next season where with a bit of continued dedication and hard training we can put South Port back up on top, where WE belong.

IAN HODGEN

PUBLICITY REPORT

Season 1985-86 saw South Port gain large interstate coverage through the club co-hosting the Moana National Titles.

On the domestic front, the monthly "South Port Snippets" ensured that club members were advised of what was happening around the club.

I feel this aspect of club communication is paramount in keeping members in touch with Committee decisions, social activities and all other aspects of surf life saving in general.

The club again gained high public exposure in being involved with the Colonnades Christmas Parade. Next year hopefully we could dress the boat up a bit more and with a bit of effort possibly win prizes donated by the Centre.

The "Southern Times" was used fairly regularly to promote club activities and hopefully next season an improved flow of information will project to the southern surfing public what the club is all about.

Thank you again for allowing me to represent this great club through the position of Publicity Officer.

R OLESINSKI (OLLY)

GEORGE AND OLLY WITH THE AEROGARD BOYS

SOCIAL SECRETARY'S REPORT

Our past season has been a year of most interesting events. With the club co-hosting the Aussie Titles we have seen the coming and going of a very busy season.

With that in mind we quickly review the social calendar, its successes and its failings for the past 85-86 season.

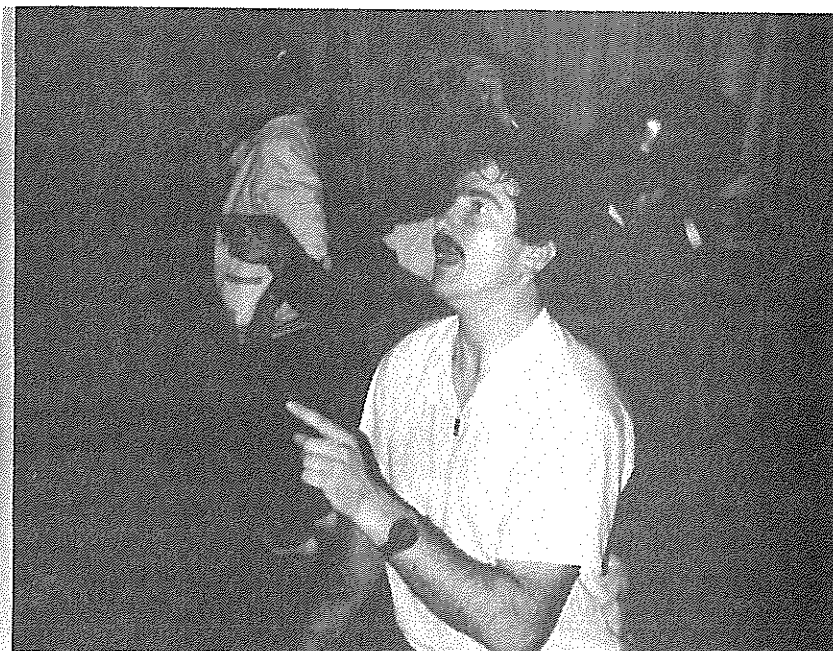

Sat. 31st Aug.	Fancy Dress Show. Even Spiderman was there.
Sat. 28th Sept.	VFL Footy Grand Final Show.
Sat. 28th Sept.	Mr S.A. Beach Girl Quest.
	Betty Boat Banger show us your stuff.
Sun. 29th Sept.	Family Day - Car Rally and Picnic.
	Thank you again Bob Pummeroy for the lovely Trophy won by Biffo and Allison Hann.
Sun. 10th Oct.	Grand Club Opening and we give tribute to one of the clubbie greats, Geoffrey 'Prezo' Price.
Sat. 2nd Nov.	Diko's Bonfire night. A great night for the family with good scout Brian 'Dicko' Dixon making the evening a circus carnival with his incredible flare.
Sat. 9th Nov.	Pyjama Party. It's surprising to see how many people actually do wear their birthday suits to bed.
Sat. 23rd Nov.	Colonnades Christmas Pageant.
Sat. 15th Dec.	Santa lobs at South Port.
Sat. 22nd Dec.	S.A.'s first $\frac{1}{2}$ Triathlon at South Port.
New Year's Eve.	Great Night.
8th Feb.	Club Championships.
Sun. 23rd March	Aussie Titles Show - standing room only.
Sun. 20th April	Presentation Day.
Sat. 31st May	Club Dinner - Lindy Lodge Motel.
Sun. 1st June	A.G.M. Hello There.
Sat. 25th June	Oh Oh Bucks Night, still due.

Some of the shows were great successes while others were poorly attended. The Social Committee will make moves this coming year to maximise attendances at club functions not only for the enjoyment of the members but also for this unit of the Club's Committee to reach its full fund raising capacity.

Be ready and take an active part in the exciting events coming this season. There will be lots of Ol' favourites and lots of new ideas so you get the most out of every function.

All the best for the season.

PAUL (MORK) O'DONOHUE

MORK - OUR SOCIAL DISORGANISER

JUNIOR REPRESENTATIVE'S REPORT

The 1985/86 year has been a year of difficulties and hard work by the members of Junior Management Committee.

It is an annual complaint and was evident again - lack of support - by all, parents, seniors and the junior members.

We are a club that can go far with a little effort from all, improvements will come with assistance, so let's put our future lifesavers in the forefront of our effort for 1986/87.

Many high points have been experienced, but the shining example to all up and coming lifesavers must surely be the effort of Sam Peacock. His efforts no doubt have been recognised in other sections of this report. Again, well done!

A thank you must go to Bob Mayo for bringing our March Past team to a medal winning level at the State Titles. His effort is most appreciated by the members of the teams.

Finally a thank you to all committee members and assisting parents for their efforts during the past season; they have not gone unnoticed.

KIDS IN TRAINING

CLUB HOUSE DIRECTOR'S REPORT

Well it has been a busy year around the Club House, 3 Carnivals and a Triathlon all in six weeks. We had many pleasing words said about our Club House and facilities (something to be proud of). Cleaning is still a big job, but I find more members are coming forward to help. Many thanks to a small band of dedicated fellows who clean every Monday night. (KEVIN, WARREN STEPHENS, THE DAY BOYS, TONY HORTON).

Kindly donated to the club by Tony and Josie Horton were the Honour Board and Trophy Cabinet. They have been suitably placed in the club. The Penants and Trophies which have been placed on the walls have made the Club Rooms look more like a Life Saving Club.

The attitude towards the club has greatly improved through more pride and general awareness.

A good source of income has been provided by a good use of many functions held in the club. Latest addition to the club is in the purchase of gym gear for the training area.

This is using the club as it should be, ALL YEAR THROUGH.

Once again I have enjoyed the past season in this fine club, through the improving attitude of my fellow members.

KEVIN WATT

THE SHAGS HAVE ARRIVED

CADET SUPERVISOR'S REPORT

After gaining 9 first year cadets to the South Port Cadet Competition Team last season (1984/85), it was disappointing to only have 3 out of 8 second year cadets and 2 out of 7 first year cadets compete on a regular basis at this season's carnivals.

However, all cadets, both first and second year attended diligently and enthusiastically to all duties asked of them, including patrols and competition.

This season saw the following cadets registered.

2nd Year Cadets

Sam Peacock
Sam Keelan
Keith Rowling
Paula Wilson
Rachael Combes
Gaynor Muscroft
Anita Higgs

1st Year Cadets

Terry Button
Simon Patterson
Andrew Day
Kym Symonds
Mark Willsmore
Mark Hann
Oliver Mallee

CLUB CHAMPIONSHIPS

All cadets who competed in our Club Championships showed good sportsmanship and gave their best.

STATE CHAMPIONSHIPS

As a group (small as it was) South Port cadets gave an outstanding performance at the 1985/86 South Australian Championships with places being gained in -

Iron Man
Run Swim Run
Surf Swim
Ski
Ski Relay
Malibu
Malibu Relay

Well done to all competition cadets for your efforts and willingness to give it your best shot.

AUSTRALIAN CHAMPIONSHIPS

Although reasonably uneventful in the winners circle, our cadets competed well and made it through several heats. Hopefully, next year in Perth we will be more successful, although much experience was gained for us at Moana this season.

To all cadets, WELL DONE - the season was most interesting and enjoyable.

In closing, a word to the outgoing cadets. Carry on and obtain your Bronze Medallion and stay with the Movement becoming proficient lifesavers.

To the incoming cadets, welcome, and may the coming season 1986/87 be enjoyable to you all.

PETER KEELAN

CANTEEN REPORT

Approximate takings \$15,900.

Many thanks to members who gave their all in the Canteen at our 3 Carnivals.

Hopefully we'll get you back in 1986/87. The club is putting in for 3 Carnivals and Senior States and our triathlon so we're in for another busy year. We badly need the money and Carnivals bring it in.

Help this year in the Canteen was just about zero. Thanks to those who did help. Especially Kathy, many many thanks for your continuing effort nearly every weekend. Even you fellas can help serve, it's everyone's club. Besides the bar, it is about the only way we can work together to pay our loans.

See you next season.

JUNE (THE DRAGON) WATT

I would like to thank June Watt for her personal presentation to myself for services rendered in the Canteen over the last four seasons.

The Canteen is an important part of the club, in as much that much needed funds are raised through sales therein.

We need helpers, so if you can give a small amount of your time next season please let June or myself know.

Serving in the Canteen is a great way of meeting all the members and getting to know them.

OUR MAN FROM MITSUBISHI

BAR MANAGER'S REPORT

It is a pleasure to furnish a Manager's Report.

As a Bar Manager it is very easy to make enemies but more enjoyable to make so many friends. It is of course necessary to be flexible. This I have tried to do. It is a very demanding job but a very enjoyable one.

Some members I believe try to break the rules. All I can say to these members is that we are a Licenced Club and we are subject to rules and by laws but we try to be flexible. (Think of other members).

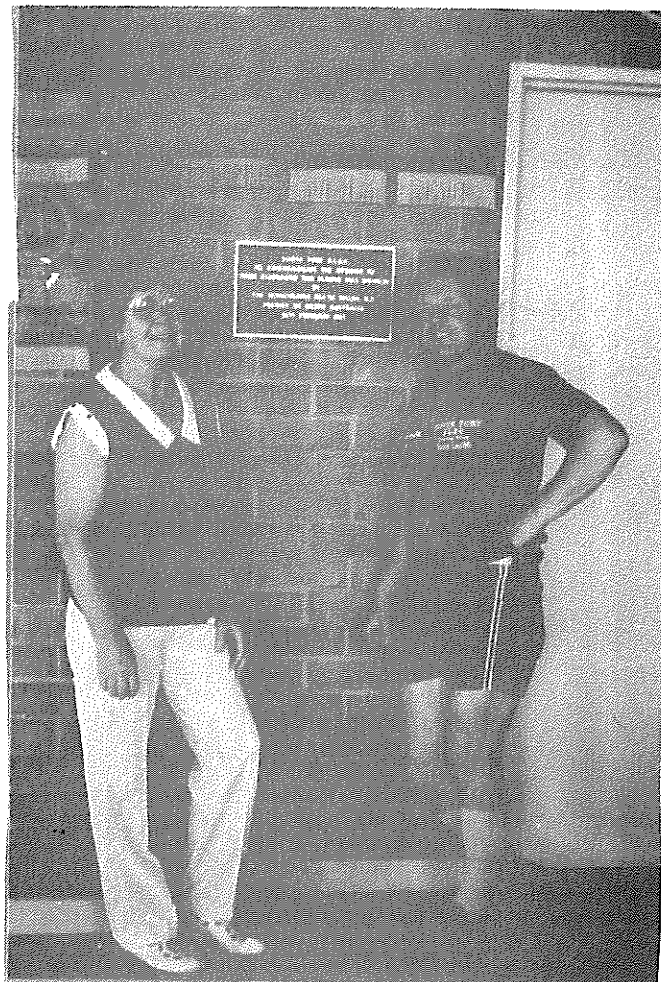

Other than that, without the support from the members my job would be very hard. Behind the scenes there is a good crew, namely George Hann, Bob Mayo, Geoff Price, Geoff Moffat, Kevin Watt, Mick Shead, Philip Mayo and many many more.

In the cleaning of the club which was very poorly attended, Kevin and Warren Stephens and Young Day were the back bone of this task. Without these members the club would not be a pleasure to come to.

Without club members this part of the Club would not succeed. Please look at your efforts in the Treasurer's Report and pat yourselves on the back. Good on you. Keep it up.

I really enjoy this job and hope that you see fit to reappoint me as Bar Manager for the coming year.

TONY HORTON
