

SOUTH PORT

Surf Life Saving Club Inc

37th ANNUAL REPORT & FINANCIAL STATEMENT

Season 1995 - 96

NOTICE OF MEETING
SOUTH PORT SURF LIFE SAVING CLUB INC
Annual General Meeting

Notice is hereby given that the Thirty-seventh Annual General Meeting of the South Port Surf Life Saving Club Incorporated to be held at the Club House on Sunday, 2nd June 1996 at 11.00 am.

AGENDA

- 1 Notice of meeting.
- 2 Apologies and proxies.
- 3 Confirmation of the minutes of the Annual General Meeting of 4th June 1995.
- 4 Business arising from minutes.
- 5 Correspondence.
- 6 Presentation, consideration and adoption of the Thirty-seventh Annual Report.
- 7 Presentation, consideration and adoption of the Thirty-seventh Annual Financial Statement and Treasurer's Report.
- 8 Notices of Motions
 - (i) Changes to Club Constitution
 - (a) Abolition of the Beach Committee (Clause 14.2)
 - (b) Restructure of the Management Committee (Clause 13)
 - (c) Upgrading of Club Officers Job Descriptions (Clause 11)
 - (d) Deputy President to also be the Fundraising Chairperson (Clause 11)
 - (e) Under 16 Co-Ordinator to be known as Youth Development Officer (Clause 11)
 - (f) Creation of Apparel Officer as new Club Officer position (Clause 10)
 - (g) Abolition of Clause 9, Duplication of Clause 6, 'Conduct of Members'.
 - (ii) Nomination of Candidate(s) for Life Membership of the Club
 - (iii) Notice of other motions which due notice has been given.
- 9 Declaration of all positions vacant.
- 10 Election of Club Officers for season 1996/97.
- 11 Consideration and adoption of subscriptions and other amounts payable by Members and Officers for season 1996/97.
- 12 Determine the maximum amount that the Committee may expend on any one item for season 1996/97.
- 13 General business.

PROCEDURES TO NOTE:

- A. Members acting as a proxy on behalf of other Members must have the Member's permission in writing.
- B. Members wishing to accept a nomination for a position on the Management Committee or a Club Officer's position and are not present at the Annual General Meeting must have their acceptance of the nomination in writing presented to the Meeting.

For and on behalf of the Committee.

Christopher Mullins
Hon. Secretary

NAME, AFFILIATION, OBJECTIVES, COLOURS

NAME

The name of the Club is:

"THE SOUTH PORT SURF LIFE
SAVING CLUB INCORPORATED"

AFFILIATION

The Club is affiliated with the Surf Life Saving Association of Australia (South Australian State Centre Inc.).

OBJECTIVES

The objectives of the Club are:

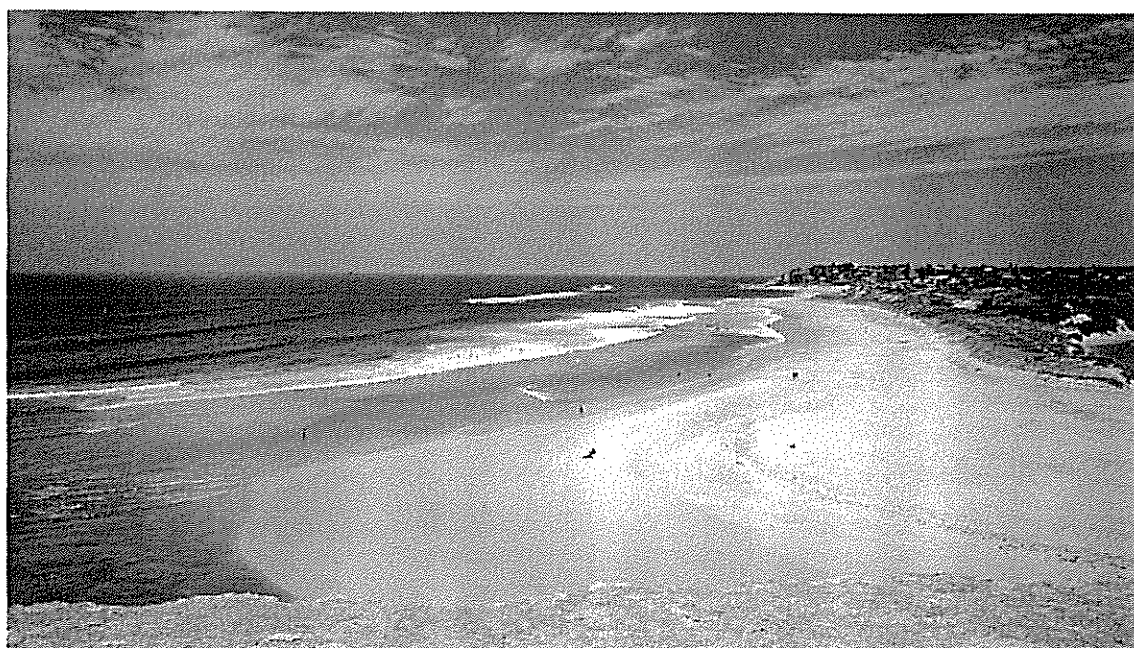

- (a) To minimise the loss of life from drowning by providing patrols and apparatus.
- (b) To adopt the gear, drill and hand-books of the Surf Life Saving Association of Australia, to patrol that portion of Port Noarlunga Beach, south of the reef to the mouth of the Onkaparinga River, or to be on call within the Municipality of Noarlunga on such days and for such periods as the Branch shall from time to time determine.

- (c) To promote demonstrations and arrange classes of instruction in life saving.
- (d) To obtain facilities for life saving and to assist the Corporation of the City of Noarlunga and other public bodies in improving facilities for bathers.
- (e) To encourage the physical and social welfare of its members.
- (f) To purchase, take on lease, exchange, hire or otherwise acquire and deal with any real or personal property, rights and privileges.
- (g) To raise funds and borrow monies for the purposes and benefit of the Club upon such terms and such conditions as may be determined.

COLOURS

Club Colours — Navy Blue, White and Green.

Club Badge — A green silhouette of the side elevation of the Standard Reel, the words "South Port" above and "S.L.S.C." below in white lettering, superimposed on a navy blue background.

MISSION STATEMENT

To maintain South Port Beach as a safe and enjoyable environment for the public and our members.

FORWARD PLAN

Season 1995/96 saw the introduction of a forward plan. Copies of the plan can be obtained from the Hon. Secretary. The broad goals of the plan are:

- To maintain high safety standards on South Port patrols.
- To encourage competition as a means to attract and retain members.
- To create and maintain a friendly social atmosphere within the club.
- To create and maintain an environment in which our members (of all ages) can grow and learn.
- To maintain an organisational structure conducive to the smooth on-going operation of club activities.
- To maintain good links with local government and the community.
- To raise community awareness about the value of South Port Surf Life Saving Club.
- To create and maintain a good working relationship with the State Centre.

Ram	—	Mark Chilman	S... Stirrer	—	Beau Lyons

PRESIDENT'S REPORT

1995/96 has been a good season. Apart from a few minor hiccups early in the year, things have run relatively smoothly with most areas in the club performing very well.

A number of people have worked very hard during the past twelve months to make things happen and on behalf of the members, I would take this opportunity to thank you.

Space does not permit me to thank everybody individually, but I feel that the efforts of our Club Captain, Sam Bentley, who was thrown in at the deep end and then showed us that nobody runs better carnivals than South Port, must be acknowledged, along with Liz Edge for her fundraising efforts, Chris Mullins for his unflappable control of the 'Paper Warfare' and Mark Wooden, whose financial expertise kept us on the straight and narrow.

In closing, I would like to thank all the 95/96 Committee Members and other office bearers for their contributions during the past year and finally, a special acknowledgment to all the patrolling members of our club for, without you, we do not exist.

Peter Sutton

Juniors	8	7	6

SECRETARY'S REPORT (AND ANNUAL REVIEW OF CLUB ACTIVITIES)

Fellow members and interested persons of the South Port Surf Life Saving Club Incorporated, it gives me great pleasure to present to you the thirty-seventh annual report and financial statement.

COMPETITION

Congratulations to the Senior March Past Team for successfully defending their National Title at the 1996 Aussie Titles in Queensland. Congratulations also to Aisha Olesinski and Frances Byrne on their selection in the Youth Development Squad. The Juniors and Seniors both acquitted themselves extremely well at their respective State championships. Well done to all those involved.

CANTEEN S.A.

This season saw the third visit to South Port for 'A Day at the Beach' by Canteen S.A. members as part of their state camp activities. One of the highlights of the day was the 'tug of war' contest with the Canteen members making the South Port team look fairly ordinary, winning five-zip. The Club was presented with an engraved plaque of appreciation of continued support from Canteen S.A.

REGISTRATIONS

Registered membership was up slightly this season from 250 last season to 261 this season, an increase of 11.

FUND RAISING AND SOCIAL

Congratulations to Liz Edge and Rosie Howse on a magnificent job of stepping in at late notice organising fundraising and social events for the Club. One of the highlights of the season was the 'Hoy Hoy' R&B night. Well done.

COMMITTEE

During the season the club experienced several committee position changes with the club appointing its first female Club Captain, Samantha Bentley. Well done Sam and all the other committee members. This season also saw the two committees system used for the first time. Unfortunately it wasn't able to work as desired. Therefore a restructuring of the Management Committee has been proposed (through the Club Constitution) for next season. Members who accept nominations of club officers positions should remember that there are certain responsibilities that go with the position, not just a title.

In closing I would like to wish the incoming committee all the best for the coming season.

Christopher Mullins
Hon. Secretary

CAPTAIN'S REPORT

My thoughts were interrupted by an attractive young lady who said, 'Schmidt, it's your turn in the tower, could you and Kylie take over for an hour'. Yes, it was my Patrol Captain Nicole changing the shifts in the tower and generally organising the patrol members to do a mobile patrol to the river mouth and the IRB driver to shift some board riders out of the swimming area.

Suddenly it came to me the theme for my report will be CHANGE — yes, change in Surf Life Saving.

Fancy having a female patrol captain — why back in the 60's, the South Port Club had a large sign painted on the shed door 'No Women Allowed'. I looked around at the patrol on the beach and counted 7 females and 6 males and what's more they all seemed so young and fit — perhaps that is me changing. I cast my mind back over 10 years ago when females were introduced to Surf Life Saving — it certainly didn't bring about the doom and gloom that the misogynists predicted but brought in a new mix of lifesavers with a great variety of new skills, ideas and enthusiasm.

I read the 1992/93 Annual Report to get some idea of what a Club Captain actually writes in his Annual Report! I have to say I had a bit of a chuckle, it was over the President's Report by John Smith. It's been a great season, I've learnt so much.

I need to thank everybody that has helped me and given me the support that I have needed. Thank you, thank you South Port. The Club did itself proud at both club-hosted carnivals — we've had some great feedback.

Well my hat goes off to everybody for a great season. That goes to the 'Juniors' as well. This season has been my first as an age group leader. The seven year olds have taught me a thing or two, to say the least. A very rewarding way to spend an hour or two.

Thank you must also go to the March Past team, carnival work party (mostly Junior parents) and the drinks and food teams. It's been a busy, demanding season all 'round, some people being put off by the tough deal we get as volunteer life savers. We are all determined in our own ways and have different ideas on how we should reach our varied goals. South Port is slowly turning for the better. As a club we have so much to offer our members. This is due to hard work and dedication, of which I have seen an abundance this season.

I'd like to thank Peter Sutton and Chris Mullins and the rest of the Committee who have been patient with me this season (well, on the outside anyway!).

Thank you to all the patrolling members who spent many hours on the beach vigilantly for South Port. Congratulations to every competitor, Junior and Senior; especially our team that trekked up to Kurrawa — the 'Back to Back' National Champion March Past Team, Aisha Olesinski, Sarah Martin and Frances Byrne. Oh! and also that Darwin ring-in Kathleen Heggarty.

I would also like to thank my partner (in crime) 'Sandbars', without whom I'd been in deep ----. Occasionally he threw a different perspective on certain issues which undoubtedly helped me.

As this season winds up, I'm looking forward to 'shagging' season and catching up with fellow shags.

I hope to be seeing everyone out and about during the 'off season'. I know there's a few things being organised, i.e., IRB training, Kayaking, Bronze Training etc. Keep a lookout on the notice board. Looking forward to a 'great one' next season.

Samantha Bentley
Club Captain

VICE-CAPTAIN'S REPORT

This season has been a challenging one for both myself and the club as far as the role of Vice Captain and patrols go.

Stepping up from being a member of the cadet crew into the senior ranks and the position of vice captain hasn't been easy, and I've appreciated the help I've received from club members too numerous to name.

As there was only 5 patrols this season, due to a lack of IRB drivers, it meant that members had a patrol approximately every 2 weeks. That was a big commitment for our 78 patrolling members, each averaging

41 patrol hours, with a grand total of 3,223 hours.

There was 63 first aid cases, 56 rescues and 173 preventative actions during patrolling hours. Most of these occurred during December as a result of the big rip.

I'd like to thank each and every patrolling member for the time and effort they've put in this season, and I hope to see more red and yellow quartered caps on the beach next season.

Richard 'Cockle' Byrne
Vice Captain

CHIEF INSTRUCTOR'S REPORT

There have been a few changes this season with the introduction of a District Supervisor in Brian (Bandy) Edwards. We were one of four clubs to attend the Mass Proficiency weekend at Pt Noarlunga, which most South Port members agreed went well. Thanks to John Nearmy, Dean Colegate and Prue Kumar for their help with Proficiencies.

This year has not seen as many awards due to a lack of help and support in this area. However I would like to thank those who did help me this season; especially Dean Colegate for the work he has done in the Surf Life Saving Certificate, Resuscitation Certificate and Junior Awards again this season. Dean had some helpers in these areas who I would also like to thank; namely Liz Colegate, Pam Scott and Brad Foord. Thanks also to Sam Bentley, Mark Nieass, and Stefan Olesinski for the work they put into training the Bronze Squads this season. Finally, thanks to all the IRB Drivers and those who helped out with water cover for the exams. Your assistance has been greatly appreciated.

THANKS TO YOU ALL.

As I mentioned, the awards are down this year but we have maintained our high standard and a 100% success rate which is very important. We are looked upon with high regard by the Examiners in the way we approach our training of awards and the standards we achieve.

Unfortunately the standards we achieve do not get the same recognition from a great number of our club members. This is shown in the attitude towards gaining Awards. Not only do we lack instructors, but at the present only have 1 competition referee (on a regular basis) and 3 examiners, two of which now only do a few exams a year. I believe this lack of interest in these areas has also led to a lack of responsibility by the Club in fulfilling the basic standard and requirements of patrolling. This is an area of great concern as it is the whole foundation of the Club's existence.

I believe South Port to be one of the best Surf Life Saving Clubs in the State, if not Australia. We have the best beach conditions in the State, the best March Past Team in Australia and other competitors who have shown they are very competitive. In the Junior movement we are strong in many areas especially in maintaining a family outlook and having fun.

South Port could be and should be the Number One Club in the State but this will require commitment by its members not only in their responsibilities to the Club but also to the Association as a whole. Remember the old saying 'if we all do a bit, a lot gets done'. This is what South Port as a whole needs to go by.

I have made it known that next season I will not be standing as Chief Instructor. This is a great disappointment to me as I had hoped to continue for a few more years. Unfortunately I have been placed in such a position this season that I feel it may be best for all concerned that I do not stand.

Thanks again to all those who have helped me over the last 2 years and I hope that the new Chief Instructor gets the help and support that is needed to be able to fulfil the position.

Jan Burton

BOAT CAPTAIN'S REPORT

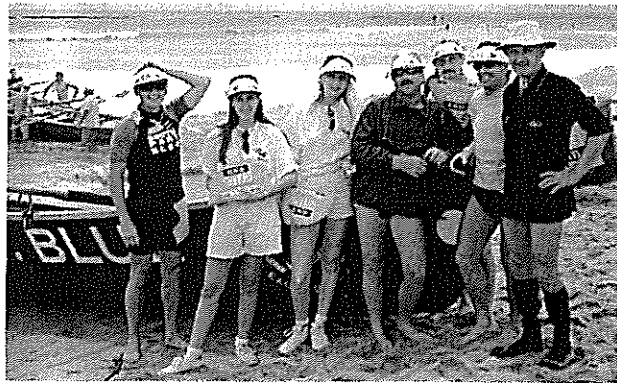

Well that went quickly didn't it? The season has ended once again and as usual we won a few and lost a few.

The State Titles went well. The young veterans ended up with a Silver Medal and not to be outdone, the over 40 crew came second to pick up our only other medal. The B crew gave it their best shot along with our gallant women crew. Unfortunately their efforts were not rewarded with any medals, but well done and it's good to see South Port Boat Crews on the water having a go.

Next season to all those young ones who have told me they wish to have a go "Be there or be square!"

Thanks to everybody who helped throughout the year, especially the sponsors. Let's get the crews together early next season and especially the under 21's. Thank you for your support everyone.

Beau Lyons
(Milky)
Boat Captain

JUNIOR COMMITTEE REPORT

It was great to see the South Port Juniors perform so splendidly at the Surf Lifesaving and Royal Lifesaving State Titles, after a frustrating start to the season marked by poor weather conditions and a subsequent drop in children attending training and carnivals.

While numbers were down we competed well at all carnivals with many individuals consistently finishing in the top three. We finished 5th overall at the Junior State Championships with a score of 115. This means that we are the top Mid Coast club. Gold medals were won by Heath Hanton, Rachel Martin (2), Alex Botha and Gina Staples. Gold was also won by the 12 year old Cameron team. At the Royal Lifesaving State Titles we finished 4th overall which was a huge improvement on last year's last. Again, we were the top club on Beach Day which was hosted this year by South Port.

This year we purchased two wizard boards and three Genesis boards which enabled us to compete on an equal footing with other clubs. Many thanks to Gary Eastham for overseeing our purchases and repairs.

Sixty-four children were put through their National Junior Awards this season. Ten children and two adults completed their Resuscitation Certificates and five children and 2 adults gained their Surf Lifesaving Certificates. Many thanks to Dean Colegate and Ian Burton for their major roles in preparing and testing the candidates. Thanks also to Brad Foord, Pam Scott, Liz Colegate and Ray Martin Senior for their assistance.

A big thank you to the Junior Committee for their support and their efforts. Special thanks to Judith Botha as JDP rep for attending monthly meetings at Surf House. Congratulations and thanks to the Age Group Leaders, their Assistants and the Coaches for their outstanding efforts this season. Special mention to Rosie Howse and Liz Edge who not only cared for an age group but ran the Social and Fundraising Committee as well. Ray Martin Senior put in a fantastic effort as beach and pool swim coach and as organiser for the Royal Life

titles. Gary (Emu) Eastham must be mentioned again for his dedication in running three board training sessions a week. In the monster seas at this year's State Titles, our kids absolutely excelled, thanks to their own dedication and Emu's good training. Thanks also to the weekly patrols for their supply of water cover and assistance on training days.

Thanks to our captains, Jessica and Heath for their assistance.

Congratulations to Alex Botha and Rachel Martin on their selection to the Australian Development Camp and for their selection as South Port's Junior Surf Lifesavers of the Year.

There are many others who have made a significant contribution to the happiness and development of the South Port Juniors. My sincere thanks to you all. I look forward to working together again next season.

Fences to keep surfers off dunes

FENCES will be built along the Onkaparinga Sand Hills in a bid to stamp out sandsurfers.

The State...

Surf rescue of men brings rip warning

Two men were rescued from heavy seas at South Port beach, near Port Noarlunga, yesterday.

They got into trouble when they became caught in a strong rip about 1.30pm and were swept 100m offshore.

A spokesman for the South Port Surf Life Saving Club, Mr Dick Olesinski, said the men, both aged about 20, were saved by a single surf lifesaver.

Mr Olesinski said the rip, which had always been a characteristic of the beach, was more pronounced this year.

He said 10 people had been rescued at South Port beach since the beginning of last month.

The club was so concerned about the rip it had ordered new signs to be erected to warn beachgoers.

"With Christmas coming up and people buying children boogie boards, and with surfing at an all-time high, people don't realise how dangerous it can be," Mr Olesinski warned.

dangerous sandbars along parts of the coast, with South Port Surf Life Saving Club expecting another busy year of rescues.

Two people in the past month have been rescued at South Port, with one taken to hospital. The club was one of the State's busiest last year, saving 18 people, treating another 90 with first-aid and warning 434 people to stay within "safety-zone" flags.

Club spokesman Dick Olesinski warned that swimmers risked being swept out to sea if they ignored designated areas along the 2km beach — from the Onkaparinga River mouth to Port Noarlunga Reef.

"Certainly this winter we have had heaps of rain and with the Onkaparinga River flushing and the easterly winds on the sand dunes, sand bars have been formed," he said. "In times of surf you have got a rip just south of the club and that is the best spot for surfing as it feeds off both sides of the rip. But with those conditions, there is no doubt it is going to be a pretty dangerous year for

those who are not experienced and don't know the surf. I expect that there would be similar recoveries this year — which makes for another busy year." Increased patrols along the beach and in the ocean and more warning signs would be implemented.

"South Port is perceived as a safe beach with all the sand and our figures (for recoveries) have increased dramatically in the last couple of years," he said. "Other local beaches are

rocky whereas ours is a bottom beach — but it's dangerous to those who don't know the surf. We found with the first-aid cases that people are from the suburbs and they are not exposed to the dangers."

Mr Olesinski said there was always an increase in incidents after Christmas, with children receiving gifts such as boogie boards, rafts and toys to use in the water.

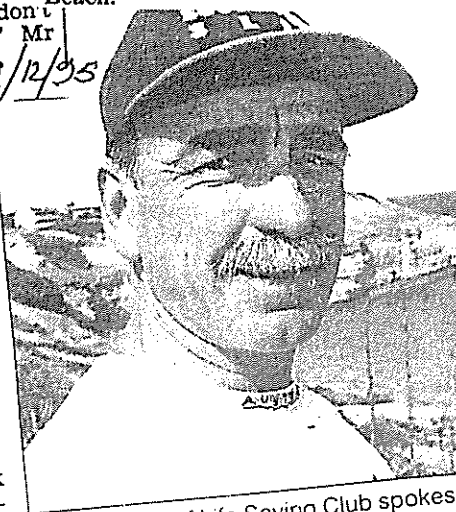

surf club member Peter Sutton (left) and Coastcare Awareness Week spokesman Dick Olesinski inspect damaged

South Port flash Aisha Olesinski dominated the women's beach events, winning the under-18 and open sprints, and the under-16 and open women's flags.

Glenelg and Brighton won the open men's and women's beach relays, both ahead of Seaciff which also won the under-16 and under-18 men's relays.

Grange continued its domination of the boat area, taking first and second in the open men's division and winning the reserve-grade, under-21 and two veteran grade championships while Glenelg's women boosted their confidence for the national titles at the end of the month, defending their title ahead of Somerton and Port Elliot.

Australian champion South Port won its 13th State march past crown in 14 years, holding out Semaphore and Seaciff while Grange won the prestigious Taplin relay from Seaciff and Christies Beach.

South Port Surf Life Saving Club spokesman Dick Olesinski: dangers.

NEW MEMBERS NEEDED

If you are interested in becoming a surf lifesaver, South Port wants you.

OPEN DAY this Saturday
October 21

Learn surf rescue, first aid and resuscitation methods. You will learn how to handle surf conditions, paddle surfboards, skis or even row a surf boat.

Training starts 2 p.m. every Saturday at the clubrooms situated in the Sandhill's near the Onkaparinga river mouth.

If between 8 and 13 years, contact Larry Edge on 270 1916 after hours if over 13 years ring Club President, Peter Sutton on 327 0200.

Sponsored by Mobil Adelaide Refinery, S.A. Brewing Co, CPM & S, Seaford Rise, Colonnades, Schweppes, Noarlunga Council and S.A. Govt.

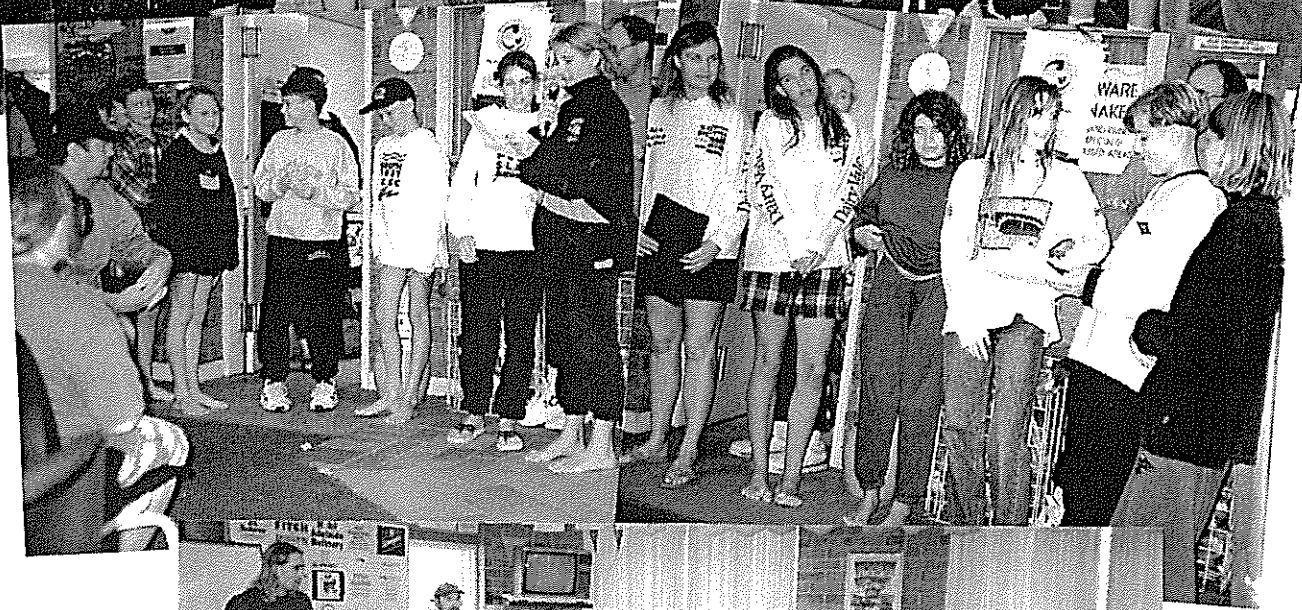

Southern Times, October 18, 1995 - 7P

South Port youngster Aisha Olesinski proved the top speedsters on the beach while Seaciff won the men's open relay.

In a remarkable women's final, all teams were disqualified for changing batons over the front line.

Glenelg won the day overall with 222 points ahead of Seaciff (196) and Grange (151) while visiting Queensland's Mooloolabah was under 10.

"Last week, with the stormy conditions, there were very big 2' rips down at Southport and a number of swimmers got caught in it and had to be rescued."

Southern Times 17/1/96 Cancer teens have a day of fun in the sun

TUG-OF-WAR, jet boat rides and volleyball matches were among the special events enjoyed last week by more than 60 children who suffer from cancer.

For the third successive year, Southport Surf Life Saving Club staged a fun day for CANTEEN members.

Southport publicity officer Dick Olesinski said more than 15 lifeguards spent the day with the children, with the day rewarding for both groups. "We feel that as we are always asking people to help us, here is a great opportunity for these children to come down to the beach and provide aquatic enjoyment," Mr Olesinski said.

CANTEEN SA coordinator Anthony Cammell said it was one of the highlights of a five-

Southport — it can vary from being a good beach for beginners to only being suitable for very experienced surfers. Beware of an in-shore rip. The river mouth also makes it tricky at times.

Testing The Water: Brett Harvey (front) and fellow members of the Southport Surf Lifesaving Club's ski team, in training for the upcoming Goolwa competition and State titles at Moana.

Surf rescue - Ice style

The surf was up, as the Hahn Ice cans were going down.

Southport Surf Life Saving Club, sponsored by SA Brewing, held its annual surf carnival last month in perfect surf conditions.

Surfboarders and boats strutted their stuff displaying their skills as well as the odd roll over and swamping.

Hahn Ice Surf Girls were on hand to give out sun shades, Hahn Ice shirts, caps and cold cans of beer to thirsty lifesavers after the day's action.

SA Brewing's sponsorship has allowed the club to purchase new surf rescue equipment, which was presented to the team on the day.

The Eagle Blue Veteran surfboat competed successfully in the testing conditions, and gained second place in a State final which saw two of the six boats not being able to negotiate the heavy surf break.

Lifesaver warns of rip after men saved

A lifesaver who rescued two men from a heavy seas at Southport beach, has warned parents against giving young children inflatable boards for Christmas.

PUBLICITY/PROMOTIONS OFFICER'S REPORT

I think we all must agree that this season saw South Port receive the best publicity of a broad range of activities for many years. It certainly makes it easier to promote the club when members are achieving high standards in competition and maintaining beach safety. With the club highlighting and getting involved in environmental issues, it also provided another focus of active club interest to the general community.

My thanks to the 'Southern Times' and 'The Advertiser' for their support in publishing the majority of stories produced this past season. In particular, David Valente, sporting journalist for 'The Advertiser', who was most supportive. The club even had a story published in the national, high profile, glossy 'Surf Lifesaver' magazine.

This season saw a change in presentation in the club's internal newsletter, the 'South Port Snippets'. This medium continues to be the club's major communication link between the committees and general membership. It is seen as being essential to 'spread the word'. Members are continued to be encouraged to take note of all information and event dates promoted in the publication. Feedback would also be appreciated to make the newsletter more interesting for members.

As mentioned, the club's newsletter saw a change in presentation. Due to the generous donation of an Apple Mac laptop computer and laser printer from the CPM & S Group of companies, all club presentation and communication needs are now met by this high tech equipment. Our sincere appreciation and thanks go to David Frost and John Burt for their most generous support.

The club's major sponsor for the past season was again the SA BREWING COMPANY. Our thanks to Bevan Harris, Graeme Sargent, Grant Warland and Stewart Kay for their coordinating roles in making this support happen. South Port endeavoured to provide high level exposure for the support through on beach and club signage, as well as providing one of our

carnivals an opportunity to promote HAHN ICE. Great to see the lovely ladies involved in our carnivals again!

Other major support was again provided by the City of Noarlunga, Seaford Joint Development, Schweppes, the state and federal governments, Dulux Paints, Buttercup Bakeries, ACI Insulation and the wonderful support of club godfathers, Gavin and Colin Stagg's FITCH RUBBER. Our thanks also go to the list of vice presidents who again assisted in providing much needed funding, goods and services. A recognition list is highlighted later in this report.

Even though conducting carnivals on our beach is a hard and arduous task, I suggest that it is still the best way of promoting South Port as the best beach to conduct a surf carnival in this state (as seen in the past season). It is also a great way of exposing our sponsors' support as well as an opportunity of showing our appreciation to our sponsors. Let's keep on hosting ONE carnival a season, OK?

The past season also saw a few opportunities made available to provide talks on surf life saving to local primary and secondary schools. All in all, three schools were visited and passed on information that hopefully will generate new membership for the club in future seasons.

Thank you again for your support in selecting me to represent this great club as publicity and promotions officer. I look forward to working together with you all again in promoting South Port as SA's premier surf beach.

Richard "Olly" Olesinski

CLUB HOUSE DIRECTOR'S REPORT

It has been a great season and I am pleased to report that a few much needed tasks have been completed. Before the start of the 95/96 season new carpet was purchased for the lounge area of the club, and new vinyl for the bar floor. Thanks Wal for 'shopping around' and getting the club a good deal. New security lights were also installed, circuit breakers fixed and at long last hot water connected to the kitchen.

I wish to thank everyone who helped in the digging and repairing of the septic tank. It was a long and tedious job however, the many helpers there made it a lot easier.

I would like to especially thank Chill for replacing the side door in the boat shed and for his knowledge and expertise, and Beau for the excellent job he did not building the deck and in erecting the retaining wall. Fantastic effort.

Also thanks to Ian Burton and helpers for the great job in extending the wooden walkway from the footbridge up to the club.

We are still in the process of raising the hot water system off the floor to make more room for storage of club equipment. This will be completed well before next season.

I look forward to another successful season in 96/97 where we all work together in making our club bigger and better than it already is.

*Paul 'Fluro' Howse
Martin 'Chill' Chilman*

FUNDRAISING REPORT

At our first meeting, Olly presented the Club's proposal of raising \$4,000. Our first thoughts were, 'Mission Impossible'. However, I'm pleased to say that we were able to raise well over the set target. The following is a brief outline of this season's fundraising activities.

Quiz Night

Once again Zee was the 'Quiz Master Extraordinaire'. Those who attended had loads of fun and no-one left without a prize or voucher. The generosity of local businesses left us with enough prizes for our season's weekly raffles. We hope to see an even bigger group attend next year.

Phone Books

Delivery of white and yellow pages (separate to the \$4,000 target). Many thanks to Janet and Olly for organising the paperwork. Once again this is an excellent fundraiser for the Club. Next year we would like to see more volunteers help to lighten the load.

Hoy Hoy Night

Rosie has mentioned Hoy Hoy Night in her report. This proved not only to be a great social night but a fantastic fundraiser as well.

Wine Sales

This has been a very successful fundraiser this season. Special thanks to Ken Currie

who sold over fifty dozen cartons of wine. A magnificent effort!

100/50 Club

Interest was not as high this year as in previous years. Hence the change from 100 to 50 Club. Although this is an excellent fundraiser we will have to be sure we definitely have 50 committed members before starting this next season.

2 major raffles

Both of these raffles were successful fundraisers. Approximately 60% of books were returned in both raffles. The Christmas bike raffle (bike kindly donated by Sutto) was won by the Glade-Wright family. Prize winners in the second raffle were John Harris, \$100 voucher from Colonnades; R. Millard, Aerobatics flight. Ultimate flight donated by Aerobatic Adventure Australia; Bruce Seggars, Billa-bong back pack donated by the Fundraising Committee. Many thanks to Maurice Pope who kindly donated 2*\$100 vouchers of McCain's goods.

My thanks to the Committee, especially Rosie and Chris Mullins for their support and tremendous effort throughout the season.

Liz Edge
Fundraising Chairperson

COMPETITION OFFICER'S REPORT

Now season 95/96 has come to an end we can reflect back over the summer. With only 5 senior carnivals before State Titles this put a lot of pressure on everyone in their training, club duties and patrol schedules.

All carnivals were well supported by our competitors from the club and some very good results were achieved.

Congratulations to Frances Byrne in making the state team and her excellent performances during the season and at the State Titles.

Congratulations also to Aisha Olesinski for her performances at all carnivals and winner of 6 gold medals at State Titles. An outstanding achievement.

Adam Chilcot also achieved gold and silver medals at States and was very consistent during the season.

Our Under 21 march Past Team, great to see the guys and girls stick to it with all of their other commitments. The Senior March Past undefeated all season. Well done!

Great performances from our masters, it is good to see more competitors in this group, but no ladies. Come on girls.

Well done to all competitors, coaches and supporters.

My special thank you section to:

Yvonne Olesinski for coaching U21 March Past and getting everyone to stick with it.

Bob Mayo for his dedication to March Past returning each weekend from Sydney to coach both teams.

Richard Olesinski for his help in preparing State Title entries and finally the dedicated patrol people who allow us the time to compete.

Thank you

John Treacy

SHIVERING SHAGS REPORT

Well, what a wonderfully typical season it was for the club's hardy group of winter swimmers.

A monumental blunder was discovered at some stage of the season that the shags had forgotten to celebrate their 10th Anniversary the year before!! Well it made for a good excuse to celebrate the 10th year in the 11th year of operation. Anyway who cares, the shags certainly did not.

For long serving shags it was great to see the huge numbers that braved the icy seas each Sunday morning in winter. The lowest number of swimmers was recorded at 8 and peaked at 17 at the end of the season trip to Moonta (oh, don't bring back bad memories).

There were quite a few highlights in the past season which included:-

- a female elected as heavy shag
- first ever by-law included in shag constitution
- Shag's tour to Mork's place
- donation of \$165 to the First Aid room
- end of season trip to Moonta.

The Moonta trip was a great culmination for a great season. Our thanks to the Treacy family for their hospitality and we look forward to revisiting in the not too distant future.

New members are always welcome and you are invited to join as either a swimmer, social member or just supporter.

Keep on shagging!

Richard Olesinski
(Scribe Shag)

SOCIAL SECRETARY'S REPORT

Our social activities for 1995/96 got off to a good start with our 1995 Annual Club dinner being held at the new South Adelaide Clubrooms in September.

Most Saturdays after Junior training, a sausage sizzle or hamburger tea was held, with a different Junior age group being responsible for these. They proved to be very popular and a good way for people to get together.

We held three chicken and salad teas during the season, one of these was to celebrate the 13 year old age group, Liz Colegate and Janet Puplett receiving their qualies certificate.

Thanks also to Emu for a delicious seafood dinner at the octopussy's (aquatic theme) night, with entertainment provided by Double Ace.

On November 28 we held a show at the Moana Progress Hall where well known Rhythm and Blues band HOY-HOY played. It was a great success and we were blown away by the number of people who attended.

South Adelaide Football players trained at South Port early in December and afterwards enjoyed delicious chicken burgers

with some of the members. Unfortunately no luck in signing up new members.

New Year's Eve was another great night where the theme for the evening was to come dressed as a punk. The band NO REALITY (who consisted of 4 young guys, 3 being South Port Lifesavers) played to an enthusiastic crowd which kicked on until the early hours of New Year's Day.

To finish our 1995/96 season, our 1996 Annual Club dinner was held at Port Noarlunga Hotel on April 27th. It was a great night with presentation of some awards and a large number of people exercising their vocal cords with Karaoke. The night was a triple celebration in recognising the 2nd gold medal that the march past team won at the Aussie titles on March 31st, plus the brilliant efforts displayed by Aisha Olesinski, Frances Byrne, Sarah Martin and Kathleen Hegarty on the beach and in the surf.

I would like to thank everyone, especially Liz Edge, who helped make our 95/96 season at South Port such a successful and enjoyable time together.

Rose Howse

ANNUAL FINANCIAL STATEMENTS AND TREASURER'S REPORT

TREASURER'S STATEMENT

It gives me great pleasure to present, on behalf of the Committee, the 37th Annual Financial Statement.

It is the opinion of the Committee that:

- (a) the attached accounts present fairly the results of the operations of South Port Surf Life Saving Inc. for the financial year ended 30 April and the state of affairs of South Port Surf Life Saving Inc. as at the end of the financial year; and
- (b) there are reasonable grounds to believe that South Port Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

Signed at Adelaide this 16th day of May 1996.

Mark Wooden
Hon. Treasurer

SUMMARY OF FINANCIAL SITUATION AND MATTERS

From a financial standpoint, 1995/96 has clearly been a disappointing year. Total expenditure before depreciation (but including expenditure on fixed assets) exceeded income by in excess of \$3000, and the budget target was undershot by \$11000. In part this might be explained by the bringing forward of the purchase of a new IRB (approx. \$7000). However, this was offset by other significant expenditures that were planned but did not take place — most notably the long awaited kitchen renovations. Overall, once changes in the value of fixed assets are accounted for, the 1995/96 season saw a decline in the estimated value of net assets of \$5463.

The main source of the much weaker financial performance over the last year has been the decline in revenue. Income is 16%

down on the previous season, and 23% down on the revenue level of two years ago. The main sources of the fall are: sponsorship revenue (down \$9300 on 93/94); prize money (down \$2800); canteen trading (down \$2600); State Centre disbursements (down \$1300); and labour services (down \$1200). On the other hand, hall hire is up as a result of bringing forward the rental agreement with the Pt Noarlunga Aquatics, and Fundraising activities, while down on last year, generated revenue on a par with 1993/94.

The star performer, however, has clearly been the bar. Bar profits are up 17% this year over last, with the profit margin up to 31.8%.

Canteen trading, on the other hand, has been very disappointing. The fall in sales was to be expected given last season we were hosts of the State Junior titles. Nevertheless, the profit margin has slipped quite noticeably — from 31.8% to just 17.7%.

Expenditure items, on the other hand, were mostly in line with expectations, with the notable exception perhaps of security services (reflecting the charging of call-outs by Wormald Security).

Significant capital items purchased during the season include the new IRB (\$6280), a new IRB motor (\$1790), three surf skis (\$4640), junior competition boards (\$2450), a set of rolling surf boat seats (\$1000), a rescue board (\$800) and a photocopier (\$700).

In conclusion, the incoming committee unfortunately begins the season with relatively meagre cash reserves, especially given the annual payment on the State Centre loan (\$5717) is due in May each year. Given it will be difficult to cut expenditure further, the new committee will need to give serious consideration to how additional sources of income can be found, and how the revenue flow from current sources can be increased.

Mark Wooden

AUDITOR'S REPORT
TO THE MEMBERS OF SOUTH PORT SURF LIFE SAVING CLUB INC.

Scope

We have audited the accounts of South Port Surf Life Saving Club Inc. for the year ended 30 April 1996 being the Trading Statements, Balance Sheet and the Statement of Income and Expenditure. The Committee are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

Our audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the accounts are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the accounts. These procedures have been undertaken to form an opinion as to whether, in all material respects, the accounts are presented fairly so as to present a view of South Port Surf Life Saving Club Inc. which is consistent with our understanding of its financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

Given the nature of the operations of South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts so recorded in the books of account of the Club.

Audit Opinion

In our opinion, subject to the above qualification, the financial accounts present fairly the financial position of South Port Surf Life Saving Club Inc. as at 30 April 1996 and the results of its operations for the year ended.

Signed at Adelaide this 9th day of May 1996.

BOARD RIDERS REPORT

The club was well represented again by members in the state board riding contest.

It was great to see the numbers maintained as well as a good cross section of ages being represented. This included the old 'mal' riders to the Under 16 age group.

A fairly significant move was arranged the past season, with the club's board riding group joining the Australian Surf riders Association. The ASA recognises that group as the South Port Boardriders.

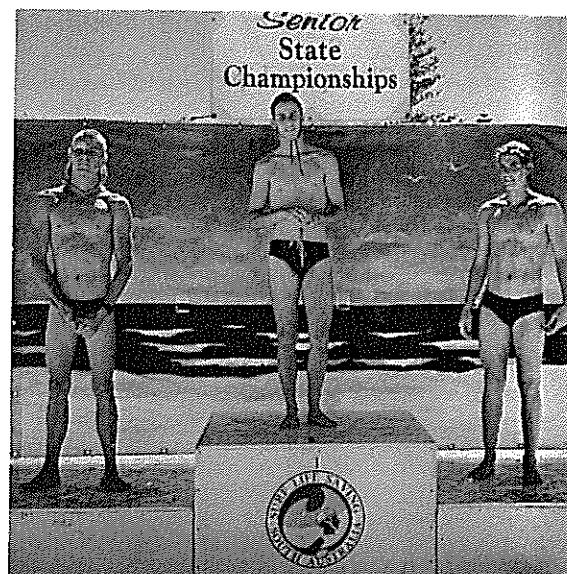

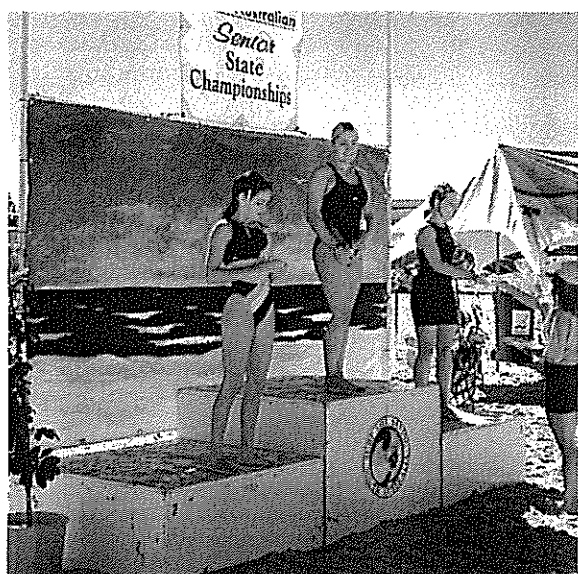

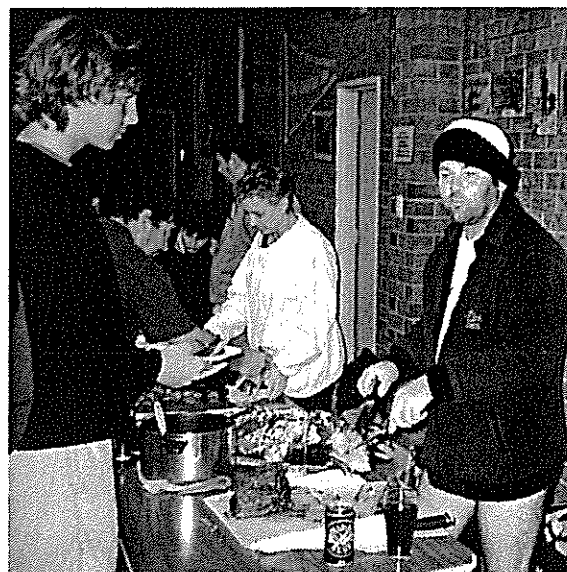

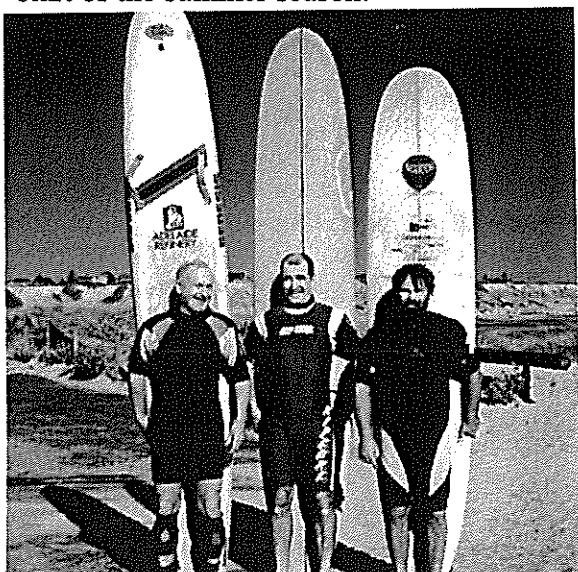

There is still more work to be done to gain maximum advantage of joining the ASA but keep an eye out in the Snippets for more info. Contests are to be held during the winter and also a trip to Yorkes prior to the start of the summer season.

Again the club performed well in having someone from South Port in each final. Well done to all involved and look forward to cracking a curler with you soon.

Beau Lyons
Board riders coordinator

South Port Boardriders results from State Champs

Open Mal	Beau Lyons - 5th
	Richard Olesinski - 6th
Open Board	Stefan Olesinski - 3rd
Open Ladies	Aisha Olesinski - 1st
U18 Mens	Stefan Olesinski - 2nd
U16 Board	Fran Byrne - 6th (against boys only)

CANTEEN REPORT

Firstly I would like to thank everyone who helped me this season as it was my first and hopefully not last.

A special thanks go to Kath for her help, she unfortunately won't be able to help next season. Thank you sincerely from the club for all your help over the years.

Also I can't forget my right hand, Vi, a special thank you for all your help this season. Without you there every Saturday, I would have been lost, hope to see you next season.

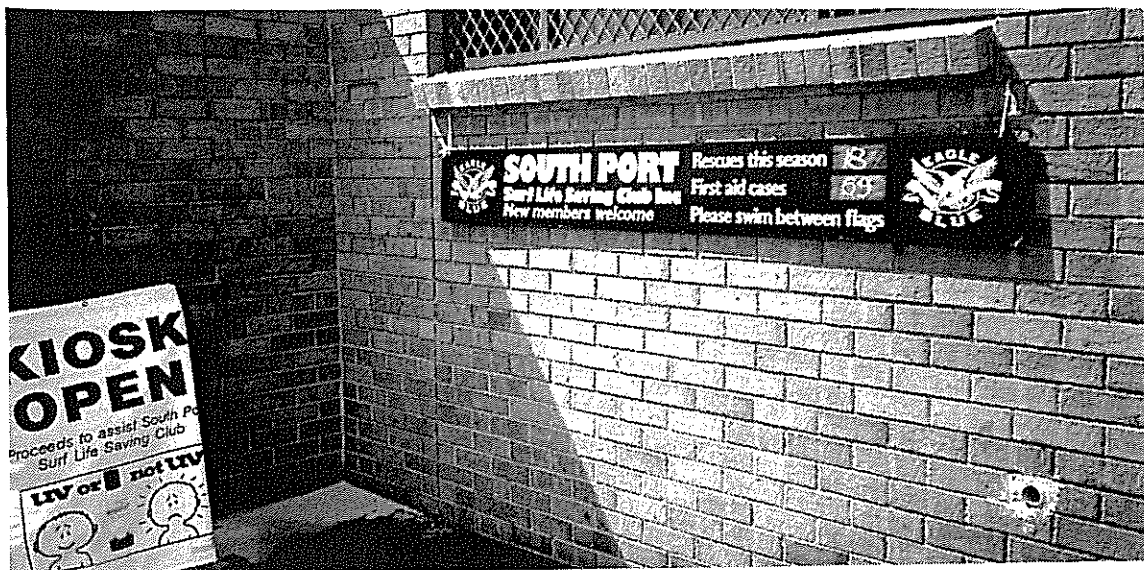

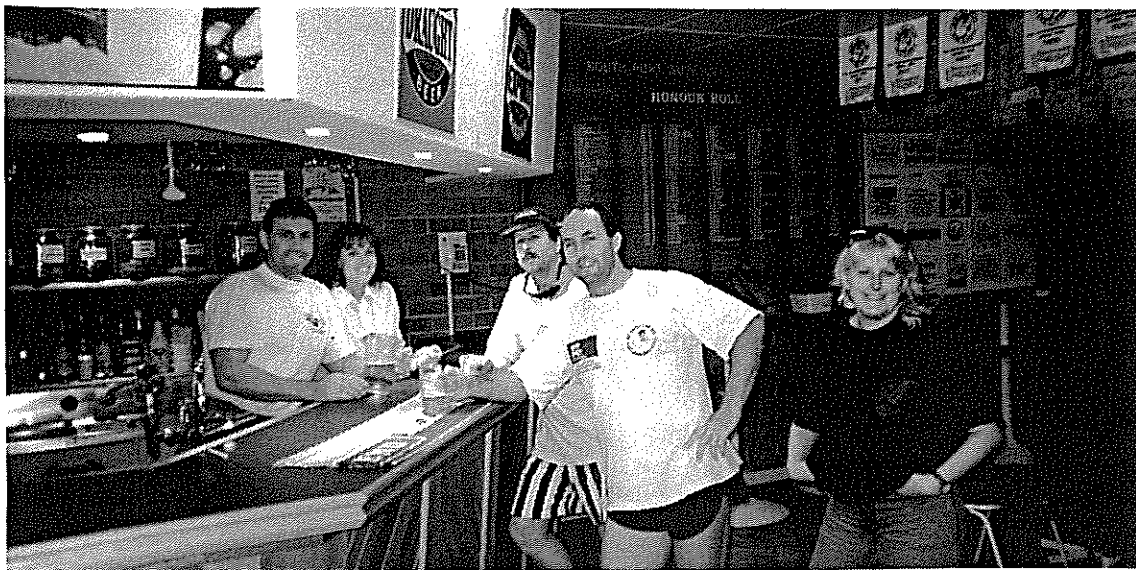

We had a couple of senior carnivals this year. Thank you to everyone that contributed on those days.

Unfortunately due to this season's bad weather on the weekends and our loss of stock due to power failures, we didn't make as high a profit as last year, but we will hopefully rectify this next season.

Overall, for both the canteen and clothing, we had a profit of about \$3,000.

Hope to see you all next season. Don't forget to keep an eye out for all the new club clothing etc., available next year.

Heather Nieass
Canteen/Apparel Officer

TOURING MANAGERS REPORT

This job came with being competition officer 'Thanks'.

Season 95/96 saw a small team and supporters travel to Karrawa, Queensland where it's to be held for the next 10 years 'May Be'.

On arrival, the conditions of the surf were huge and fierce and they didn't get any friendlier. Wednesday was Masters Day. It was transferred to Kirra Beach, approximately 20 km. south of Kurrawa. Almost the same conditions, carnival started 8 a.m. finished 7 p.m. in the dark and this was only the water events. Beach events were held at night, back at Karrawa under lights. We didn't have any Masters competing but we were there — the South Port Sipper's team right at the front of the competition 'Bar that is'.

Thursday was rest day and arrival of the rest of the competitors.

First day Friday at Karrawa. Iron Mens first heat was to test the conditions. No-one finished the heat. The decision then was to transfer down the coast with all water events. the beach events went ahead at Karawara. Our only beachy, Aisha Olesinski, performed extremely well but unfortunately came up against some very good competitors. Well done Aisha. The March Past team came second in the qualifying heat out of 36 for a place in the final 20. Friday finished with no water events held. See you all on the beach at 6 a.m. Karrawa.

Day 2, Saturday. Part of the water events for seniors were conducted at Karrawa and the juniors travelled to Burleigh Heads.

Sarah Martin swam extremely well in her heat to win a place in the final ladies open swim., beating some of Australia's top pool swimmers, now off to Atlanta. Frances Byrne also swam extremely well going through her heats to make the final of U18 surf swim. Both girls needed gold medals just to go out in those seas. As it was, the beaches were closed for normal swimming. Too dangerous.

To finish Saturday, the march past won gold again. Back-to-back champs. Well done to my team mates and coach, Bob Mayo with assistant coach George Hann.

Last day Sunday saw the carnival start at Karrawa. The conditions were a little calmer and the finals began. The march past team with some sick members. Ask John Hall about the bus he was driving. Went to the Indy race track and marched down pit straight with our trophy. Sunday finished with the loss of a fellow life saver from Karrawa Junior boat crew. This shock was felt by all that were there and a quiet evening was had.

Special thanks must go to Paula Byrnes and Nigel for their transportation of our competitors from early in the morning until late. Up and down the coast. It was much appreciated.

Sincere thanks to ACI Insulation, John Hall and Port Noarlunga Hotel, Neil Summersides, for our touring shirts and their sponsorship throughout the season.

Thank you also to our hosts Geoff and Katy Watts from Viscount Towers for being great hosts. Finally to our supporters, thank you.

John Treacy
Team Manager
