## President's Report

---

John Devitt

As this season has come to a close and members take the opportunity to kick back and pursue other interests. It's also time to reflect on the season with the World titles being in SA in November, the Junior States, at Port Noarlunga, the Senior States hosted here, for some it's been a long drawn out season, and then there are those that venture to the Australian Championships in Qld this year and next year to Perth. This year results from Junior and Senior States and Australian Titles were once again very good. I congratulate all competitors that did their best for themselves and South Port, well done. In particular on the Australian Championship side of things Shani Copley's effort winning Gold in the Under 19 Champion Lifesaver cannot be overstated, it's a tough gruelling day mentally and physically on the beach, and that's all day. Congratulations Shani well deserved after years of perseverance. Our Senior March Past team (the old crew) came together for the Worlds, and took out the triple this year again, World Champs, State Champs and Aussie Champs, can't do much better than that. The effort these people put in should be an inspiration to some of our younger members that are not inclined to the more aggressive side of Surf Sports, there is always something in surf life saving to aim to achieve.

All that being said our patrolling members did a tremendous job on the beach with many rescues and preventative actions, and I'm sure they were prepared for whatever confronted them under the proficiency guidance of Sharryn Campbell and Janet Puplett, they both did an outstanding job, we all know how easy it is to get members to front up for this task, kicking and screaming is the term that comes to mind, great job Shaz and Janet.

This season our membership increased to a record number, no doubt, Schmidt will elaborate on this in his report.

I would like to thank all the Office bearers in the Club for their tireless and often thankless work that they do above and beyond the job descriptions.

Our Chief Instructor Sharryn Campbell has put in another gruelling effort. Without Shaz's efforts we would be left in a huge hole getting members their awards, conducting proficiency's and making sure we are generally up to speed with all the current awards and trends in surf lifesaving, so thanks Shaz it truly is a debt the whole club owes.

Mark Orr stepped in to be the Head Coach of the juniors and with new blood comes new ideas, and testament to Mark's ability with the juniors is the increase in participation in the weekly board training sessions, it has been amazing, his ability to adapt to the ever changing conditions and approach to the juniors needs is fantastic and I look forward to next season.

Our Club Captain and Vice-Captain (The Dynamic Duo) had their first season at the helm of the Club and I would like to thank them for their efforts with the demands placed on them organising the Patrol Roster for the season and making many changes to accommodate members wishes certainly tested their patience. Adrian was ever present at the Club and making sure the gear was at carnivals for the juniors was a massive job and while he was at the Junior carnival officiating as well, let alone patrolling and filling in on many patrols and then lining up for Radio Room duty, on behalf the members thanks Adrian for your efforts.

As I write this report the tenders have been released for the construction of the boardwalk from the end of the foot bridge to the Club. Our services will be relocated under the board walk, including a rising main to take our sewerage across to the Weatherald terrace trunk main, at last no more septic tank problems. This is a very expensive project in the high six figures funded at this stage by the City of Onkaparinga. This project has been on the go for about 15 years now and finally is coming to an end. During the construction of the board walk it will mean some disruption for us and we have to just put up with it for the short term for a long term gain. So be mindful that access will be restricted for a period they are going to get it done as soon as possible. Hopefully as you read this report that construction has begun or is about to, the aim is to have it finished by end of October or sooner. The company that does the job will need to use our toilets and store equipment in the Club and use it as a site office, lunch and morning tea, they will be using the kitchen as well. There are holes to be cut in our floors in the kitchen, bar, first aid room and canteen for connection to the grease arrestor being installed, it **will** be disruptive. So please be patient.

Late last year Bob Mayo approached us re intending to build an extension and offered a very generous donation towards the project. Earlier this year Bob made a donation of \$100,000 to the Club and this has enabled us to proceed down the path towards getting the extension started. The money is sitting in a fixed term deposit and any withdrawals from that account require the signatures of Club President, Treasurer and Bob Mayo. We intend to fund the project ourselves because if we wait for the Facility Management Group funding that could be as many as 6 years away. We have appointed a Project Manager John Ward, from ECPM, John has been instrumental in many of the redevelopments of the other clubs and is an avid lifesaver himself. The concept plans for our extension on the southern side of the existing building are with the City of Onkaparinga, we are depending on their assistance. We have had many meetings in regard to our intentions and are now waiting on a response from the Coast Protection Board and then we'll plan our next step. We do have a problem that no other SLS Club in Australia faces in reality, we occupy a building in a very sensitive dune area with threats from sea encroachment to the front and back via the river, due to rising sea levels, this fact makes the Coast Protection Board very nervous, anyway were in their hands at the moment and awaiting the outcome. I would like to thank Dick Olesinski and Michael Campbell for the effort they have put in over the past year with this project, Olly spent an enormous amount of time lobbying the many varied organisations that have a say in what we do and finally spending hours putting in for a grant from the Department of Recreation and Sport on behalf of the City of Onkaparinga that we are still waiting on the outcome. Mike Campbell for his many hours of unpaid advice to the Council re what can and cannot be achieved in regard to our services coming across from Weatherald Terrace, Bill McCrae from the Council was very thankful for his assistance, Bill is also a great supporter of South Port.

In January Andrew Bedford applied for a grant to replace the Yamaha Rhino ATV after six seasons of use it was beginning to fail in many ways and the BOM deemed it necessary to replace it, the grant was through SLISA's program with BRP, they make the Commander range of ATV's those of you that attended the Worlds or Aussies would be familiar with this vehicle it's a lot more robust than the Rhino and it will service us very well into the future. Andy also arranged for the sale of our old ATV by auction and it sold quickly for \$3800 and we had to pay \$8800 for a machine that has a retail value of \$17K so not a bad outcome.

In closing my report I would like to congratulate Richard Olesinski. Olly was awarded the Order of Australia Medal this year for his service to Life Saving and to Conservation and the Environment.

This award was much deserved and just a very brief outline of Olly's commitment to both is as follows:-

**John Smith**

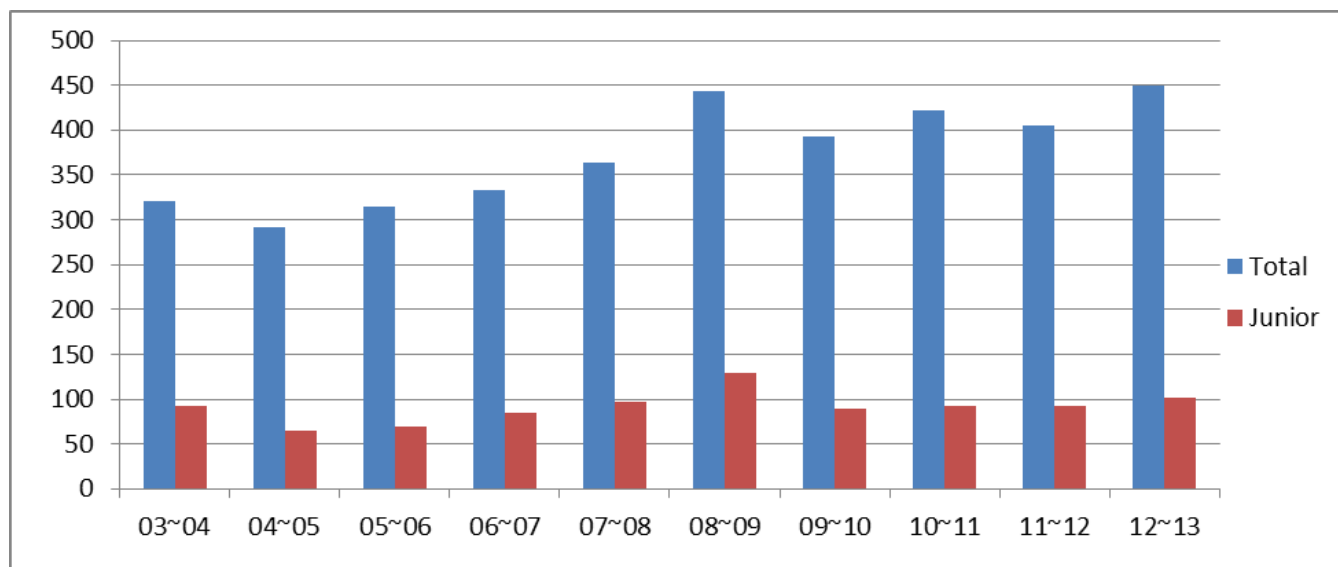

What a busy and successful season the Club has had this year. An overall increase in numbers has strained our facilities but as is the South Port tradition, we have managed admirably.

Some highlights are listed below and these will be expanded upon by the various Officers in their reports.

- 43 rescues on our beach with 38 First Aid Cases and 670 preventative actions.
- South Port Members patrolled for a total of 4641 hours.
- The running of a very successful State Titles again.
- Gold medals at the Australian Titles to Shani Copley and to the March Past Team.
- Gold medal to the March Past Team at the World Titles.
- Medals to Dennis (Congo) Ferrett and the 240 Boat Crew at the World Masters Titles.
- The Licenced area of the Club has been expanded to include the decking and the paved area.
- Successful Interstate campaigns by Boat Crews at the Navy Launch on the Gold Coast and the ASRL open at Stockton.
- 21 Bronze Medallions and 16 Surf Rescue Certificates this year.
- The performances of our competitors at the World, State and Aussie Titles.
- 4<sup>th</sup> overall at the State Titles.
- The Shivering Shags donating equipment totalling \$2.700 to the Club.
- The Shivering Shags membership topping 40.
- The internal painting of the Club and the completion of the rendering of the North wall.
- Richard (Olly) Olesinski being awarded the OAM for service to conservation and the environment, & to surf lifesaving.

### Membership

This season our total membership showed a 10.8% increase, from the 405 last season to 449 this season, making this the highest membership in the Club's history. The Juniors also showed an increase in numbers from 93 to 102 an increase of 9.7%. The graph below shows membership over the last 10 years.

During the winter there are Friday night sippers (Make the Club your Pub), Footy on the big screen throughout the weekend, board training, IRB training and competition, the Shags and functions such as the Sea & Vines at South Port, the AFL finals culminating in the Grand Final Day and the Anzac Day celebrations. There are the 4 BBQ's at the Christies Markets and the Club Footy Tipping run by Laura (Loggy) Greer. Don't forget the surfing titles during the winter where we have had good medal success over the past years. These certainly liven up the place during the so called off season. With Shags having a membership of over 40 including a goodly number of Nipper parents, Sunday morning is a busy time.

### Extremely sad note

The deaths of Life Member Mike (Bones) Etheridge and wife Pam were very sad times for the whole Club and our hearts go out to Lauren, Trent and Bec and all their family. A large numbers of members and friends attended the two funerals and the functions at the Club afterwards indicative of the deep feeling we had for them both.

### A tribute to the hard workers of South Port

I must again congratulate all Club members who were involved in patrolling, competing, coaching, working with the Juniors, helping with gear, working in the Canteen and behind the bar, cooking the weekly bar-b-que, helping with touring teams, cleaning the club, working on the club etc.

### Stepping Down

I will not be standing for any Board of Management positions next season as I feel it is necessary to begin to introduce new blood into the executive positions on the Board. I have thoroughly enjoyed my time on the Club Committee and I wish my successor all the best.

WELL DONE TO THE WHOLE CLUB FOR SUCH A HARMONIOUS, SUCCESSFUL AND ENJOYABLE SEASON - ROLL ON 2013/14

## Treasurer's Report

**Don "Bristles" Alexander**

The summarised report on income, expenditure and trading for the season 2012-2013 have been taken from the 2013 Audit conducted by Edward Jaynes, which is included as Annexure "A".

Cash on hand at the end of the financial year totalled \$155,253, the biggest amount ever in the Club's history, This was mainly due to an extremely generous donation from Bob Mayo of \$100,000, which has been invested in a fixed interest account. The remaining \$55,000 in the bank was a good finish for the year and provides ample funds to carry us over during the winter months.

In general income was on par with the previous season but as can be seen from the breakdown not a lot changed over with the exception of no Sponsorship money coming into the Club. On the expenditure side our costs continue to rise, mainly in Lifesaving Services, Patrols and Premises. As mentioned in last year's report, the main increases continue to be with electricity and water. The electricity bill was just over \$10,000 and the water bill \$6,500, although over \$4,000 was attributable to a water leak, which we were not able to have reduced.

Our Trading Operations continues to be the main contributor to our profits, with all three areas recording almost similar results from the previous year. A very special thanks to David 'Wal' Watt, Club House Manager and Yvonne Olesinski, Canteen Manager, for their contribution: both put in a considerable number of hours to ensure that the bar and canteen are well stocked, clean and staffed for the benefit of our members and guests. A special thanks to all members who donated their time to help behind the counter on the weekends and special occasions, your assistance is much appreciated.

### Grants

The Club has regularly received Grants from the many groups and while we are always thankful for the support, it should be pointed out that in some cases there is flow back of funds to the provider as the table below shows. While there is no question that the Club is in a better position with a long term lease from the City of Onkaparinga, we now have to pay for a number of items that we didn't pay for under the old arrangements. The expenditure with SLSSA is a total of all costs that we have been invoiced over the past financial year.

2012-2013 Grants	Income	Expenditure
City of Onkaparinga	\$11,622	\$7,035
SLSSA Trust Fund	\$7,500	
SLSSA	\$4,000	\$30,311
Recreation and Sport	\$6,000	\$6,000
<b>Total</b>	<b>\$29,122</b>	<b>\$43,346</b>

As our President has mentioned in his report, the Club is on track to have an extension to the Clubhouse. Even with the fantastic donation from Bob Mayo there will be an impact of what areas of expenditure we proceed with in the future. The challenge is to increase the revenue stream so that we can continue to financially assist all areas of the Club.

## Captain's Report

---

**Adrian Votino**

Another season has come and gone with another fast approaching it just seems like we just started patrolling and we were all enjoying some nice warm weather and good surf.

My first season as Club Captain was very challenging an eye opener as I had to learn a few things very quickly; I enjoyed it and its challenges and hopefully would like to continue this role next season. This season refurbishing the first aid/ patrol room having it guttered and repainted and putting up new shelving was a priority in making sure that we had a clean environment for all to use. I would like to thank Sharryn and Michael Campbell for their assistance in getting this done before the season started. Another task getting all the patrol rosters done and making sure that all equipment we had was all accounted for and that we meet all the state's criteria for the upcoming season's patrols. I would like to thank Lyndon Mills and Sharryn Campbell in helping me in doing the patrol roster as this is one job trying to satisfy over a hundred patrolling members isn't an easy task as it has its challenges. We tried to place experienced members with junior and new bronze holders to create a good mix of people so they can learn from each other and hopefully the older patrolling members can mentor the new and junior patrolling members by teaching them about what patrolling is all about. I am big on learning and improving your skills so I encourage all patrolling members to take on new challenges to improve your skills by doing courses that come up during the year.

Regarding patrol this year we made use of the SMS system on Surf Guard each week in reminding people of their impending patrol, the feedback we got was great as people were aware of their patrol and that if they couldn't make it they had time to find a sub. Thanks to Lyndon for taking ownership and making sure this was done each week a useful tool which we will continue to use next season.

Patrols went pretty well this year I would like to thank all the patrol captains and patrolling members for doing a great job. There are plenty that I could write about each patrol but the following come to mind. Our first one for the year had a cliff rescue called in by our member Michael "Muncha" Campbell which made for a very interesting day and to Ian Boy's patrol for doing a great job in co-ordinating all the relevant services on the day. Also Stefan Olesinski and Shaun Burnett's patrol's this year having multiple rescues in one day as the surf conditions became very challenging and to see their patrols all working as a team in making sure the beach safe for all, and to Alex Botha's patrol for having a snake at the river mouth shows that we so more than just watch the beach.

I would like to thank Sharryn Campbell and Janet Puplett and their assistants throughout the season in taking their time in teaching the new bronze holders and quallies and also making sure that all the club proficiency were done much appreciated.

Patrol inspections all three that we had by the state went well we might not have received full marks but overall the patrols that were inspected all worked well as a team. Next season we will have internal patrol inspections for each patrol; this will be done by our own club assessors and hopefully by doing this we can all be prepared for any scenario.

There are many people that I would like to thank throughout the season; firstly I would like to thank John Devitt for all his advice and knowledge and helping me with issues and questions relating to Surf Lifesaving that I had. To my Vice Captain Lyndon Mills having our chats and coffee and working together it was fun hopefully we can do it again next season and for all his data input to Surf Guard. To Sharryn Campbell for taking her time and assisting me in proficiencies and other matters relating to training, much appreciated. Also I would like to thank Bernie Tanner for taking over the IRB side of things much appreciated, and to all the current board of management for their support. Lucky last I would also like to thank Ashlee Biddle at Surf House for her advice in lots of issues that I had during the year relating to Surf Lifesaving and running report for me a big thank you.

# Chief Instructor's Report

---

**Sharryn Campbell**

Unlike previous years where South Port training Groups have been given the test of the elements at South Port with savage seas, rips and cold winds: this year was a pleasant surprise with calm seas fresh clear water and sunshine.

The under 14 Surf Rescue Certificate were the first group to go through – what a wonderful group of young people. This potential group of young leaders went through with lots of laughter and fun; Janet and I couldn't wait for the next Saturday adventure.

I also assisted Adrian with the Under 13's Resuscitation group. We met over a period of three nights or as required, to complete all activities to ensure that they went away with not only the knowledge required to carry out such a task but also the confidence to do so! Janet was our assessor for this group and as expected they provided her with outstanding understanding and confidence for their exam – we as adults also learnt a few new things too.

Our Bronze Groups for this season was a mixture of past Bronze Holders, members and partners of Bronze Holders and friends, it was also nice to see a couple of old faces return after many years raising a family to regain their Bronze, Sarah Martin, Rachel Martin, Ray Martin, Sam Fox and Darren Curren.

## **Congratulations to:**

Allana Campbell, Katie Dubrich, Jamie Frost, Nathan Gray, Joel Haines, Olivia Manik, Duane Odell, Evelyn Orr, Daniel Ruiz, Lorna Shore, Ashleigh Boys, Owen Burnett, Richard Graham, Belinda Hammond, Corinne Hams, Holly Joyce, Emily Mikulcic, Jessica Mikulcic, Jessica Charter, Jordan Cushing, Taylah Eastwood and joined by Adam Webster from Aldinga

We also completed an Advance Resuscitation Techniques Certificate for 6 of our patrol members. The exams are carried out by outside assessors and always provide a nervous time for not only the participants but also for Janet and I, our fears come true when it came to the Assessors setting up the candidates for their scenario – I can only say Janet and I were speech less!!!

## **Congratulations to:**

Nicole Berry, Justin Campbell, Penn McKenzie, Erika Oemcke, Robert Perry, John Watson.

Patrol Proficiencies were carried out in the actual patrols this season, the majority turned out well as I like the team involvement. However once again advantages were taken and the proficiencies went right through to the end of December. A reminder if I may – dates will be set and pre warning will be given, it will be up to you to make the dates set this coming season, they will not be done as part of the patrol set up.

Janet and I along with Michael (Muncha) Campbell went to Robe in early December - we trained and assessed 9 SRC candidates for the Robe Service which they now have up and running.

We returned in March, Janet, Muncha, Dave Cornish and myself to complete the training and assessing to give them their Bronze Medallion (thanks Dave and Muncha, Bernie and Devo for organising the IRB for us to use). We completed this task with 9 Bronze and 3 SRC. At this stage we have planned to return to train and assess their Advance Resuscitation Techniques Certificate and their Spinal Management with the support from South Port and Surf Life Saving SA.

## Senior Chief Instructor's Report

---

**Sharryn Campbell**

On a personal note, I couldn't have done this season without Janet by my side; it is a lot of work for one person to achieve competently. Also to Muncha who, well just had to come along for the ride as he knows I am extremely passionate about the things I do – he was my rock behind the scenes.

Adrian for his ongoing support and confidence in me and to the Board of Management which allowed me to just get the job done and to the many that popped in and out to help do what they could with the groups and equipment. A big thank you to shivering Shags for their wonderful support and donation of a Resuscitation Annie, Baby Annie and a spinal Board, which we took to Robe use.

Thank you!!!!!!  
Sharryn Campbell

# Surf Sport Manager's Report

---

**Ray Burnett**

Although very successful, this has been a very long and difficult season. We started training in April last year for World Titles in November. Managing tapers and peaks for Worlds in November, States in March and then Nationals an incredibly long four week gap later was tough. Maintaining motivation, fitness and focus as well as managing injuries and illness for that long in a squad of about twenty five whose ages ranged from 14 to 40 was also challenging. I have been coaching for many years in different sports and I have never witnessed so much bad luck with injury, illness and exits from squad.

Zac Ryan – Wrist the week leading up to States – didn't compete

Shaun Burnett– serious knee injury after Worlds – limited preparation - not 100% at States

Salomae Haselgrove– Serious knee injury – not 100% at States – struggled to run

Arnica Clappis – Foot injury requiring surgery – running an issue

Tonia Fielke – Shoulder injury requiring surgery – only about 4 weeks training before states

Patrick Smith – pulled a muscle in his first race at States – couldn't do any relays

Jared Burnett– sick – didn't compete in the two day event

Josh Wright – severe cramps at States restricting him to team events only

Dana Clappis– sick for three weeks leading up to States

Thank you so much to those who persevered.

Add to this the loss of Jake McKenzie [last year's most outstanding competitor] to Noosa SLSC, Lauren Etheridge and Esther Dudley [both medallists last year and I missed their experience and maturity immensely] the fact that we still finished fourth is amazing. This year's squad still picked up 10 gold, 15 silver, 16 bronze and 16 fourths at States.

Highlights and comments.

Sean Lohse made the underage ski final at Worlds, won the Under 17 Ski final at States and overall was brilliant all year.

Shaun Burnett and Brendan Dykes came 6<sup>th</sup> in Open Board Rescue at Worlds

Shani Copley made three finals at Worlds, had an awesome State Titles and won Gold in Champion Lifesaver at Nationals.

Josh Mills made the Under 19 Flag final at Nationals.

Tom McKenzie, Josh Wright and Sean Lohse made the Under 17 Taplin Final at Nationals.

Dana Clappis made the Open Swim Final at Nationals.

Arnica Clappis, Dana Clappis and Shani Copley won the club's first Open Women's Taplin Relay State Final [maybe the only Taplin win anywhere with twins?] Dana's final swim leg, body surf and early 'getup' were awesome.

Ray Burnett

Tom's finish in the Under 17 Ironman to claim second from nowhere had to see it to believe, he passed 3 or 4 in the wade/run to the line.

We won both the under 19 and under 17 male Taplins.

Our under 15's led by Taylah, Tiff and Jordan had some great results.

From last year's State Awards of Excellence [which happens after these reports] South Port won both the Champion Board Club and Champion Taplin Club which is fantastic because our team is relatively small.

Well done to you all and in particular those carrying injuries and experiencing life's troubles. I thought the atmosphere within the team this season was all it should be.

I enjoy your company and look forward to another great season.

Congratulations to the March Past, Surf Boats and R&R areas, all had excellent results, another great club performance.

Let's focus on creating a positive environment at our club, which encourages youth, in particular, to want to stick around. Cut negativity and intimidation. We all need to want to do this and none of us have to.

Ps We were ripped off in the Lifesaver Relay and thanks to Dollar's crew for the lead.

Ray

I started the season by popping over to Anglesea Victoria for a Training/Coaching clinic with Mike, which lasted for a full week-end. We had coaches come from Victoria, South Australia and New South Wales. This was a wonderful experience and I took away a lot of knowledge and interesting facts which I was able to mould into the groups this year. With new contacts made it was fantastic at Kirra to rub shoulders so to speak with the big boys, this is certainly something that I would like to continue with the ready to take a team to complete at Nationals.

There never seems enough time to get things organised for R & R, So I had Michael gather the reels for me and arranged for the bearings and the shaft servicing and a rebuilt of the white reel, we then organised new line from Queensland and so we were up and running.

The first group to gather was the under 15's (our under 14 team from last year) so the polish went on and laughter flowed through – this time was outstanding gaining a Silver Medal for their efforts.

*Congratulations to: Allana Campbell, Tiffany Copley, Holly Joyce, Emily Goldy, Taylah Eastwood*

The next to get organised was our under 19 team and open mixed; with a few changes from our team last year, we welcomed Rachael Boys, who with only several training sessions, didn't let the team down as she had no choice but to take up position 5 which is resuscitation, with Sal injured with her knee, so she quickly became the patient. My goodness me, I can only say exceptional !!!!! what a team – GOLD in the under 19's and then backed it up with GOLD in the open mixed.

*Congratulations to: Allana Campbell, Shani Copley, Chris Goldy, Sal Haselgrove, Rachael Boys.*

I convinced the ladies to put it together for another year – why not – and with all of our experience and a new member to our team Sam Leatherbarrow with 1x DVD training and 1 x beach session and the return of Mandy Bedford from retirement we pulled off a silver ( go girls)

*Congratulations to: Gina Mills, Mandy Bedford, Anita Johns, Sam Leatherbarrow, Sharryn Campbell*

In the mixed of all the above, I did attempt to put a male team in – although the efforts were there, we just couldn't pull it off in the short amount of time we had – NEXT season boys!!! I was also fortunate enough to assist the Seacliff under 17/19 team here in Adelaide and also at the Nationals which is once again knowledge gained and shared. I look forward to the season ahead and to get some junior teams together also.

P.S. Thanks to everyone involved in the search for the missing reel.

This season again was a busy and successful year for the South Port Surf Club boat crews.

In particular we had some excellent results both locally and interstate from one of the girls crews, outstanding results locally and at the World Titles for one of the other girls crews (and a substantial improvement), some great results locally for our open men's crew together with some notable results interstate providing an optimistic base for the coming season, and generally a great level of participation and results from and for all of our crews – in particular with the number of crews willing to travel interstate over the season, which travel will benefit those rowers and the boat area enormously for the experience.

On top of this our first class masters crew (the Phantoms) again proved themselves as a consistent top performer in their division, both locally and at the Worlds (although this year they were unable to travel to the Aussies (but maybe next year they can – provided the rowers cease their involvement in backyard amputations)).

Further the boat area travelled interstate 3 times this year, once to Surfers Paradise in November, to Stockton in February (for the ASRL Open), and to the Aussies at North Kirra in April.

In that respect the boat area and the rowers are extremely grateful for the assistance with interstate arrangements, travel, accommodation and entries provided by the unbelievably reliable team of John Devitt, Don Alexander, Schmidt (each for all interstate trips over this past season), and Zee, Ray Martin and all the others who assisted with driving up and back to the Aussies as well. Our crews would not be able to compete, nor be at the standard they have been at, without this hard work, assistance and personal sacrifice by these guys.

Here is a summary of the results for each crew, and the list of team members:

## **Shooters**

- Lisa Biggs, Lauren Priest, Katherine Clohesy, Kate Krzys – Sweep: Don Alexander (Bristles)
- These girls again had another stellar year. Most notably their performance at the ASRL in Stockton (making the semi-finals), winning the South Port Classic (thanks to Mary Carr for stepping in when Lauren had to go to work) and at the Aussies at Kirra (making the quarter finals, after winning the first four races).
- They were consistently the best performing female crew when averaging all of the women's races in SA, and they picked up a silver medal at the State Titles after being pipped by Dougie and his Sprockets in the final.
- A great notable performance from Katherine in her first year with this crew, and again 'dial a wave' Bristles had the girls performing at their peak whenever they approached the start line.
- It was also good to see the girls perform so well when most have quite demanding careers to attend to at the same time.

# Surf Boat Report

Gavin Cragg

## Sprockets

- Rowers – Rachel Martin, Sarah Lane, Steph Baggalley, Laura Greer - Sweep: Adam Parkinson (Dougie)
- Now these girls were the surprise packet of the year, and they should be congratulated for their enormous improvements and for their gold medal winning performance at the State Titles.
- Further the girls had a great result at the World Titles in November making it through to the fifth round (which was a great result, and towards the pointy end for the good crews).
- Let's hope they go around again and improve more and more in the coming years.
- It was also good to see them travel to the Aussies and hopefully they have the bug (and realisation) that the interstate races are where to aim, in addition to being one of the top crews in the State.

# Surf Boat Report

Gavin Cragg

## Snappers

- Rowers – Angus Boot, Tom Drought, Jason McGaffin, Gavin Cragg - Sweep: Christopher Ford (Dolla)
- It was quite a good year for these guys, with some good consistent results in the State, a State gold medal, and some respectable performances interstate.
- The crew was a combination of our previous 2 open crews, and under Dolla's guidance they performed better than expected from the outset.
- The interstate performances were solid, but there is improvement needed to reach the levels achieved by the original snappers outfit, but providing they can stick together they should be on track for some good results.
- Other good results was their winning performance at Surfers Paradise in November (for the Sunday rowing), and winning the South Port Classic, which set them up for a good season.

## *Pony feeders*

- Rowers – Ben West, Jason Cloonan, Steve Clohesy, Jarrod Savage - Sweep: Brian Johns (Zee)
- A stella performance from a first year crew, and for the boat area it was outstanding to see a strong and consistent reserve grade crew.
- It was also good to see some quality past (but not done) Open Men's rowers stepping up and competing again in this crew, in particular to teach others the trade.
- Having said that this crew performed well and were up to the task of competing in the Open Men's division at the State Titles, and with some excellent rowing home in the Semi-Final they came down a great little wave to push themselves through for a well-deserved spot in the Open Men's State Titles Final.
- This crew also travelled to the Aussies which was great for them and our boat area. Their results were mixed but notable and unfortunately the surf was flat on the morning of the Reserve Grade heats at North Kirra.
- Their outstanding effort for the season was at a training session from the club car park – outstanding as in true Reserve Crew fashion they rowed out through the river mouth one night, noticed they were rowing quite badly (and I hear the conditions were rubbish), so after only 10 minutes of effort they made the executive decision to turn around, row back and put the boat on the trailer, and crack a Coopers Pale instead. This training program did assist with their relaxed ethos and no doubt their results at the State Titles.
- Hopefully this crew goes around again in 2013/14, and their efforts as professional boat handlers must also be noted in this report (and the other crews couldn't have competed so well in their divisions without the assistance of these guys up at the Aussies).

## ***Supa-Novas***

- Rowers – Gina Mills, Samantha Leatherbarrow, Alberta O’Leary, Sarah Martin - Sweep: Brian Johns (Zee)
- This crew was again an extremely consistent performer and always around the mark in the open women’s division.
- They made the State women’s final with ease, but unfortunately they didn’t get a medal, however it was an extremely tight race and they weren’t far off the medal winning crews at the end.
- Some memorable performances were in Robe in December (with a great backshoot in some heavy surf, and a good recovery to finish a tricky race in touch conditions) and so I hear a ‘to be forgotten’ exchange of words at the Masters State Titles (Gina could fill you in!).
- Overall they showed we have enormous depth in the women’s rowing department of the club

## ***Phantoms (Old Farts)***

- Rowers: Chris Foord, Mark Webster, Richard Olesinski, Norm Churchman – Sweep(s): Ben West and Jeff Hegarty
- This crew has been performing well year in, year out, for the past few years (in particular ever since they won their first Aussie medal up at Kurrawa).
- A notable result this year was the bronze medal at the World Titles in November at Christies Beach. One could say they now have quite a set of (steak knives) rowing medals for the pool room.
- The crew also won gold in the 240 division at the Masters State Titles at Moana this season.
- Overall a great effort from this crew and hopefully most of them will go around again next season.

Finally, both the Shooters and Snappers were also State Team representatives this year, which was a great achievement (and it shows we really do have the best crews in the State in the divisions that it really counts (no offence Phantoms!)). And in that respect those crews were integral participants of the bronze medal winning State Boat Team at the ASRL in Stockton this year – with superb results in their individual races, and they were also part of the winning team in the Boat relay: the photo below of John Smith, State Team Manger at the presentation.

## March Past Report

---

### John Hall

2010 saw the retirement of the older members of the March Past team and coach Bob Mayo.

During the early part of 2012 and after discussions with Anita Johns it was decided to honour George Hann by way of establishing a team to defend the 2006 world title.

Most of the previous senior members were willing to participate, but we were short on reel positions. The inclusions of David Watt and Steve Clohesy allowed us to construct a team. We were also thankful to have the assistance of Brian Johns and Robin Atkinson for the winter training program for the World Titles at Glenelg Beach in November 2012.

Training commenced in early July with a pre-World Titles carnival being held at South Port with the team winning their event. The team was thankful for the assistance of Phil Carter and Karyn Kelly for this first competition. The team as follows successfully defended the World Title at Glenelg in November.

John Treacy, David Watt, Steve Clohesy, Rob Perry, Frank Drake, Anita Johns, Trevor Harris, Jenny Whitmee, David Gardner, John Hall, Kath Lines, Greg Higgs, Coach Bob Mayo.

The team had previously decided to retire after successfully defending the World Title, however some weeks later it was decided to pursue the 2013 Australian Championship, with Robin Atkinson and Simon Simms replacing David Watt and Steve Clohesy.

Training recommenced on the same basis as earlier and the team as follows won the State Title.

John Treacy, Simon Simms, Robin Atkinson, Rob Perry, Frank Drake, Trevor Harris, Karyn Kelly, David Gardner, John Hall, Kath Lines, Yvonne Olesinski, Greg Higgs, Coach Bob Mayo.

Karyn Kelly filled in for Jenny Whitmee while she was on her world tour and Yvonne joined the team replacing Anita who was unavailable for the Australian Titles due to her pending operation.

The team as follows won the clubs eleventh Open Australian March Past Title on the 21<sup>st</sup> of April 2013 at North Kirra, Queensland.

John Treacy, Simon Simms, Robin Atkinson, Rob Perry, Frank Drake, Trevor Harris, Jenny Whitmee, David Gardner, John Hall, Kath Lines, Yvonne Olesinski, Greg Higgs, Coach Bob Mayo.

Thanks to the untiring efforts of the coach Bob Mayo and also Rob Perry for his dedicated communication dialogue in keeping the team aware of all activities. Special thanks to Karyn Kelly, Anita and Brian Johns.

These recent achievements bring to a combined total of 14 international and national championships won by the South Port Open March Past team since 1995.

## Junior Chairperson's Report

---

**John Devitt**

It's that time of the year again and how quickly they seem to pass. I write this report for the 2012-13 season, and this year has seen a few changes to the junior committee and more of those changes will be evident next season. I would like to thank all the Junior committee for their hard work and diligence this season it has not been as smooth as one would like things to be but we have to move on and work as a unified group, after all the only thing that really matters is that the juniors enjoy being here.

I would like to say a special thank you Mark Orr for his efforts this season. Mark has done brilliant job coaching and mentoring our juniors, his efforts with the juniors has been exemplary, and testimony to that is the number of juniors that were going out to training during the week. Mark has a unique and dynamic way of doing things and I think that shows in the enthusiasm shown by the kids and some parents during the season.

There are a few innovative changes coming up next season because we have a big group of juniors about to make the step into the senior ranks and it behoves all of us to make that transition easy and smooth as possible for them, they are our future and deserve every opportunity. We are making a change to the junior positions to accommodate these young life savers in that the position of Age Group Managers role will change into a role to help these people transition. Mark virtually covers that position now and we have deemed the role of steering these young people on their path through to senior's ranks as most important. Another change will be that of Water Cover Officer, as on all beaches around Australia the Patrol Captain of the day is the boss on the beach and this year Mark as Head Coach has worked in close association with them. So with this in mind the job of Water Safety on Saturday afternoons will fall on the patrol captain of the day as he does have control of the beach. Carnival water cover will still fall under the control of the Water Cover officer, Adrian Votino the Club Captain endorsed this idea and would be happy for this to be implemented.

Just a note regarding the building of the board walk, the Onkaparinga Council are in the process of public consultation and about to go out to tender for the job, so hopefully we'll see it underway and completed prior to next season. Our own building project is in the hands of the Councils planning group for some input from them before progressing, we are currently waiting on them to come back with some idea on what we will have to do.

A special thanks to all the parents that came to help out at the Senior State titles, it's a big weekend for the Club.

On behalf of the Juniors I would like to thank our sponsors and in no particular order, McLaren Country Meats, Coast View Motor Inn, Bakers Delight, Liquid Stix, South Port Shivering Shags, Bunnings Noarlunga, Fasta Pasta Christies Beach, McDonalds Noarlunga, Seaford, Reynella, Snuba Diving Port Noarlunga and Hungry Jacks Seaford.

Please support our sponsors where you can.

I wish the incoming office holders all the best for the next season and as long as we do work on a united front we should enjoy a great season

**John Devitt**  
Club President

## Promotion Officer's Report

Sara Lane

What a season 2012/2013 has been, you could not open the Southern Times Massager without seeing one of our members featuring. The great media coverage started with a story on our patrolling members who rescued two boys fallen from the cliff at the river mouth. This was followed up with promotion of our involvement in Rescue 2012. The Burnett boys were on the front cover and our Board girls not only made it in the local rag but were also featured in the Advertiser. Not to be out done, the Boaties also got in on the act with the 'Orthos' finding their way into the Advertiser, the 'Snappers' and a few extras jumping in on the Channel 10 weather presenter Jane Reilly's weather cross back in January. The Snappers and Shooters have also featured in some of the Foxtel coverage of the Navy Surf Boat Series. Even in the 'off season' we are taking up pages with a feature story on Shani Copley and her success at Aussies. The other local clubs must get annoyed with how much coverage we get. All this great media coverage helps promote the Club to the local community and gets our name and image out there. Great work everyone.

The clubs Facebook group has been a great way for members to have fun, promote events, achievements and keep in touch. Everyone who has contributed to the activity to the group should be congratulated; it adds to the positive club culture that we have.

The club has held many events over the year to bring everyone together. We had a number of visitors to the club from the Rescue 2012 event, including the Master Boats After Party and we also played host to the Thailand competitors at Rescue 2012. Annual events continue to be successful and a draw card to the club including 'Make your Club-your Pub' nights in the off season, Xmas Morning Swim, New Year Eve Party, Australian Day/Triple J Hottest 100 Count Down, ANZAC Day, States After Party and the Aussie's Club Dinner.

The Club Annual Dinner was held in June to celebrate the year and the achievements that everyone has achieved. Thanks to all who helped in making the evening a success. Congratulations to everyone who won an award, it was well deserved. A special congratulation to the Aussie Gold Medallists, Shani Copley for her dominate season and also the March Past Team.

Behind the scenes there has been work on updating the club website, sponsorship documentation and event management planning. It will still take some time for these projects to be completed but we will keep plugging away at them.

I'd like to thank everyone who has helped with putting on events at the club and promoting the club to the media; it's not an easy task. I know there are many of you who help out in many different areas but I'd like to especially thank Laura Greer, Richard (Olly) Olesinski, Steve Clohesy, John (Devo) Devitt and the rest of the Board of Management for helping me in my first year as Promotions Officer.

# Environment Officer's Report

Steph Baggalley

Yet again the EcoSurf group have been hard at it trying to save the world, one recycling bin at a time! We have been busy both on state and club levels. So here is a quick rundown of what the 2012/2013 season has been like.

## Rescue 2012

Yes, EcoSurf South Australia had a presence at the World Life Saving Championships in November 2012. There were recycling bins strategically placed all along the esplanade down at Christies Beach and Glenelg, with many of our overseas and interstate visitors impressed with our efforts in keeping our beaches clean and litter free during such a big event. Dick 'Olly' Olesinski and I even went around to each of the competition tents handing out a rubbish bag or two for each club to strap to their tents in true South Port "boatie style".

## EcoSurf Club Committee level

As per last year, the EcoSurf Club Committee decided to continue on with the current EcoSurf policy developed in 2010/2011 season. Some of these actions included:

- Promoting environmental issues
- Reducing waste and recycling
- Partnering
- Environmental grant programs
- Investigate renewable energy use
- Briefing Nippers

## Annual Emu Parade

In early 2013 we held our annual emu parade for the nippers. Our Nippers did another wonderful job of helping keep the beach clean. There was very little rubbish around the beach, which is great to see! Thanks to all involved.

## State Titles

Well done everyone! The beach was kept pretty clean during state titles; your efforts are much appreciated. So much so, that even the State EcoSurf committee applauded our efforts yet again. Give yourselves a pat on the back and keep up the good work!

## South Port's Hooded Plovers!

South Port beach had two chicks this breeding season unfortunately they did not survive and it is not sure as to why however it is important that we as a club remain vigilant about protecting these tiny birds. Remember Hooded Plovers are small beach nesting birds which nest on the sand between the high-water mark and the base of the sand dunes during spring and summer, which is also the busiest time of the year on our beaches. Hooded plovers are listed as vulnerable under the *National Parks and Wildlife Act*, chicks and eggs are at risk from disturbance and trampling when people and their pets visit the beach. Disturbance of nesting adults can also affect the survival of chicks and eggs. People and their pets can unknowingly be their greatest threat.

If you would like to know more about Hooded Plovers or would like to help them out please contact Emma Stephens on 8229 9826 or 0417 081 695. Emma is working closely with a network of volunteers who are monitoring Hooded Plover pairs on the Fleurieu coast. Alternatively you can go to the following website.  
<http://www.amlnrm.sa.gov.au>

### Fishy Mystery!

Many of you may recall the mass of dead fish that were washing up on our shorelines during March/April 2013. Several people have asked me why they are washing up and what was with the dead dolphins washing up also. There could be a multitude of possible answers with many sceptics pointing the blame towards the desalination plant. You are free to have your own opinions of course however, in my own opinion as an independent scientist and having conversations with other scientists on this issue, the most logical conclusion (for the fish at least) is that there has been a toxic algal bloom (non-toxic to humans) caused by the above average water temperatures. The type of algae which has caused such a mass death is in fact a diatom (microscopic algae) that attaches to the gills of fish and essentially suffocates them. Juveniles and localised reef fish are more susceptible to such changes in environmental conditions. As for the dolphins, biopsies are still being conducted however the results that have come back so far indicate it is a highly contagious virus with one PhD student at Flinders University commenting "it is like the measles virus we get but for dolphins".

Both Dick Olesinski and I sit on the State EcoSurf committee, South Port as a club are perceived as being an EcoSurf 'model' for other clubs in the state, with a dedicated Environment Officer on the committee and Board of Management. Because of South Port's environmental successes, EcoSurf South Australia is looking to roll out what we've been doing to other clubs in the state. This is a massive achievement for South Port and a lot of the hard work is done by dedicated members. As we all are aware, this club cannot function with the efforts of only one or two people so I would like end my report with a call to get others in club involved in helping to care for the environment in and around the club, even if it is taking the bins across the footbridge each week, every little bit counts.

If you see a full one,  
drag it over to Weatherald Tce.

If you see an empty one  
on Weatherald Tce,  
feel free to drag it back!

All of us generate rubbish so do your bit.

## Vale Mike (Bones) Etheridge and Pam Etheridge

---

John Smith

Mike Etheridge passed away Sunday morning 3<sup>rd</sup> February 2013 aged 56 and his wife Pam passed away on Tuesday 18<sup>th</sup> June 2013 aged 53. They had been members of our Club for 18 years and both certainly enjoyed all aspects of Club life.

Bones was a larger than life member of our Club, holding positions of Captain, Chief Instructor, Club House Manager and a number of other positions. The work load of the Club Captain and the Chief Instructor are the heaviest in the Club and Bones carried out these roles for 7 of the 18 years he was in the Club. Add to these 3 years as Club House Manager, not an easy job also and 2 years Junior Head Coach plus a few of years as a Junior Age Group Manager and you have an amazing record in a very short time. This certainly was exceptional service. His patrol record was also outstanding with a number of years as Patrol Captain and averaging over 70 hours per patrolling season.

He was an exceedingly hard worker at whatever position he took and the Club owes him so much. He was awarded Life Membership of South Port in 2007. Bones was also a Life Member of the Shivering Shags where he was major contributor each Sunday morning.

Pam got her Senior First Aid award in 2001 and her Bronze Medallion in 2004. She competed in the Open March Past team winning Gold at Kurrawa in 2000 and Bronze at Kurrawa in 1999. She also won Medals at both State Titles and Masters State Titles. She was involved with many different activities around the Club and was a regular patrol member after earning her Bronze. She was very supportive of Bones in his club work and also very supportive of the girls Lauren and Bec in all their endeavours.

They were a very special pair and much loved in the Club. The turnout for both of their funerals was extremely large and at the Club after each funeral it was a mixture of sadness at their passing but also a celebration of what they mean to the members and the South Port Club.

Our deepest sympathies go out to Lauren, Trent and Bec and all family members.

# Shivering Shags Report

Robert Morgan

The Brothers and Sisters offer their sincere condolences to the Etheridge Family (Pam, Lauren & Rebecca). We the Shags will miss our mate Bones. His legacy will remain our 'Hawaiian Shirt Day – don't tell Bones'.

Erstwhile, the Shags story continues to grow with membership now higher than one could imagine. The dedicated winter swimmers, whose sole purpose is to have a laugh and generating funds for 'the Club', out of season.

The AGM for 2012 saw the following up standing Shags democratically elected. Schmidt again found himself duly elected as Head Shag. The man's perennial ability to control this group mesmerises the best of us.

## Shivering Shags end of season trip - Vagued out @ Victor Tour

Season 2012 culminated in a trip to Victor Harbor where may a young fledgling opted to explore the locale with differing results. Some were well heeled whilst other may have misplaced important and required attire necessary to participate in the normal Sunday proceedings? Will they confess to having lost such item? But for such events the rest were well behaved and many Shag's were still to be found up past midnight. Morning brought a flogging of sorts and realisation that once again the Shags had raised a tidy sum for the South Port Surf Life Saving Club, this being the object of why Shags exists in the first place. The South Port Shivering Shags donated a total of \$2,710 made up of \$600 for a second hand board for the 13 to 15 age groups, \$1,070 for 2 mannequins, 1 spinal board and extra face masks and finally \$1,040 for 2 foam boards.

## The Major Award Winners in Season 2012

**Golden Flipper:** Trippa-**Over the Top:** Gecko-**Girley Frock:** Gecko-**Spit the Dummy:** 2 Dogs **Jock Strap:** Pussy. You'll need to join Shags to find out who won other awards.

The Shivering Shags were conceived in 1985. This is the 28<sup>th</sup> Year for this unique group.
