VICE PRESIDENT'S REPORT
Penelope McKenzie

It was wonderful to have an uninterrupted season back at the Club and on the beach. Importantly, there were no lives lost on our beautiful stretch of sand.

Over the past season we have had a total of 9 rescues, 704 preventive actions, 4125 patrolling hours completed this season to ensure the 12,000 people recorded attending the beach are kept safe.

With the official opening of our new changerooms, the unveiling of our new "Australian Champions" wall, regular Sunday sessions, board training, ski training, Club swims and Nipper trainings, branch and senior carnivals, the Club was a very busy place over the summer season.

We welcomed 29 new bronze holders and 5 new SCR awards. Thank you for committing to becoming part of our incredible Club patrol teams. Whilst patrolling carries great responsibility, it is such a privilege to do so when you are surrounded by the wonderful environment in which our Club is situated. Being part of what is such an iconic Australian association brings with it a sense of community that I really believe doesn't exist in other organisations. We look forward to seeing you patrolling the beach. Thanks to Noelene and Barry for their commitment to training and assessment of South Port members.

Highlights for season 2022/2023:

- 226 members competing between the ages of U6 – Open.
- Opening of the new bathroom and changeroom facilities
- Unveiling of the Australian Champions Wall
- Continued consultation and progression of the Wearing Street redevelopment (due for commencement of construction later this year)
- South Port youth division continuing to grow in numbers and achieving excellent competition results.
- Surf Babies again conducted on our beach – providing a pathway to nippers for young children and their families.
- The Friday "Bar Fly's" – a group who continue to work together 'behind the scenes' ensuring our clubrooms are in ship shape condition each week.
- A cohesive Board of Management who have worked together to ensure that the Club ran smoothly.
- Multiple Gold medallists at State Championships – including almost a 'clean sweep' of March Past – Junior (Gold), Under 23 (Silver) and Open (Gold) all medalling at the State Championships.
- The most successful Aussie Titles for our Board and Ski team for many years, with multiple athletes from other clubs choosing to transfer in for the championships, and many finals made. Special mention to our swimmers - including Amy Buck for a silver medal in the Under 17 Belt, our Open Men swim team, for making the final – a massive achievement.

Thanks must go to our volunteers across all divisions of the Club – without you all we simply would not function. There are many opportunities to become involved and if you are currently considering 'putting your hand up', I urge you to do so. It is a wonderful way to get to know more members, and many hands do make light work. Your skillset – whatever it is – is needed and valued. Together we truly are better.

Thanks to our sponsors and partners, Kahini Pty Ltd (SLSSA Trust Fund), the City of Onkaparinga, the Federal Government, State Government, through SAFECOM and our major sponsor, KFC Seaford Rise. Please consider all of these and our other sponsors (listed at the end of this annual report) when you are seeking products and services. We are extremely thankful for their continued support of our Club.

VICE PRESIDENT'S REPORT... CONT
Penelope McKenzie

The Club's Sunday Sessions have continued to grow in reputation and numbers, bringing many visitors from the broader community to our 'palace in the dunes'. The income from these sessions is now a major fundraiser for our Club and again it would not exist without the volunteers who ensure the entertainment is available and the bar is stocked and staffed. Sincere thanks to all who continue to serve the Club in this capacity.

It would be remiss of me to sign off from this without acknowledging the efforts of Mark 'Dobbo' Dobson who left us mid-season as he relocated interstate. We are grateful to you for all that you have done. Thanks too, to Ray Martin for stepping into this role mid season.

I would also like to acknowledge the sad passing of our State President, Kevin "Brakey" Watkins this season. He loved South Port (even though he was a Brighton clubbie). He will be sadly missed.

To conclude, I would like to thank all the members of the South Port family. I'm grateful for the commitment of our members to ensure that our wonderful piece of paradise is kept safe and a place where we can nurture the next generation of patrolling surf lifesavers.

See you on the beach.

Penny McKenzie

Wow what a learning curve this season has been for me! First year as Secretary and I'm still finding my feet and still have so much to learn... but I can honestly say I have enjoyed the challenge. I do wish there were a few more hours in each day but I think I'm slowly getting my head around everything South Port.

Season 2022/2023 started off with a bang and it never slowed down. The calendar this year didn't seem to have a spare weekend in sight, from Board Riders events, Nipper carnivals, Senior carnivals, Surf Boat carnivals to Squids camp and Club Swims. Members also travelled to Robe for the annual Boat carnival and Senior competitors travelled to Manly and Freshwater to gain experience in larger competitions. We held a full Senior carnival at South Port in early January and as always, it's great experience for our members to have carnivals at South Port as we all like to show off on our home turf. Unfortunately, the waves forgot to show up but everyone else did and it was a great day with the South Port spirit in full swing. I would like to say a huge THANK YOU to all members that volunteered their time at this carnival to make it all happen - we couldn't do it without your help. We also hosted both VacSwim and Surf Babies again this year. Both programs were well attended and we look forward to hosting these programs next season.

This year the State Title weekends never really did end - I think it was 6 weekends in a row, starting with Nipper qualifying rounds, then onto Seniors held over a few weekends, Masters and Nippers finishing it off. Once Nippers were finished, some of us backed these weekends up with Aussies held in Scarborough, WA. I would like to congratulate all competitors that headed to Scarborough, you all did South Port proud. I would like to also extend a big THANK YOU to Kylie Cederbald for all her hours of organisation for another successful Aussies titles trip.

To all the coaches, coordinators and AGMs - you should be proud of all your work this season in getting our competitors to such a high standard, it showed on the beach - South Port was in contention in every race. A special mention to the Junior Development Panel: Danni, Chloe, Tracy, Kelly and Alex. Nippers is the start of our surf lifesavers journey and I thank you for the hours and hours of work you do, both on the beach and behind the scenes, to ensure each Saturday and the whole Nipper program runs so well. Another shout out to Robyn Gilligan, Robyn took on the role as Registration officer this year, you have done an amazing job - Thank you.

Of course, we also need to recognise our Patrolling Members, the dedication of these volunteers ensures we are promoting water safety and preventing drownings. It's exciting to see so many new SRCs and Bronze holders this season - keeping South Port beach safe is the reason we are all here in the first place.

I would like to extend our thanks to all our volunteers inside the club rooms as well: Thanks to Donna for once again looking after the canteen, to Devo, Coral and Wal for ensuring the bar is always fully stocked, and to the Bar Fly's for all your tireless work to ensure our Club is ready for the weekend onslaughts.

To the Board of Management, thank you for your understanding, support and guidance for my first season as Secretary, I appreciate all of your hard work and help throughout the year.

As we look forward to a new season, I would like to thank each and every one of you, especially since we are all volunteers. Your tireless efforts in supporting our Club does not go unnoticed, your contributions are invaluable and we could not achieve what we do without you all. A special mention to both Laura Odell and Nicole Berry, THANK YOU so much for all your help, support and guidance this season, I could not have done this without you.

Secretary

Onwards and upwards! This financial year has seen an increase in income across the board we continue to return to pre Covid-19 and Clubroom renovation conditions.

Audited financials are based on 1 May 2022 to 30 April 2023.

Cash in the bank and cash equivalents at the end of FY23 has increased by \$24,612 from last year to \$324,935. At the risk of sounding like a broken record, a fair chunk of these funds will be used for the Wearing Street development with commencement expected this year.

1. Sales:
 - a. Bar: Sales for the year increased from last year to \$90,328, with cost of goods \$43,256, the bar made a profit of \$48,288. Thank you to John 'Devo' Devitt in the early days, Coral McWhinney and David 'Wal' Watt for the remainder of the year, the Bar Fly's and all the volunteers for making this possible.
 - b. Apparel: Whilst sales of \$14,121 are down this financial year they were still very healthy. The previous three years have seen exceptional results which cannot be expected to be sustained long term. Afterall, our members can only wear so much apparel and 'slow fashion' is better for the environment. Apparel made a small profit of \$263 with closing stock sitting at \$7,594. Great job Sally!
 - c. Canteen: It was great to see the canteen back up and running for the full season with sales steadily increasing to \$5861 and a profit of \$2,693. Well done Donna Logan and the volunteers!
2. Fundraising: income for FY23 \$29,867 less costs \$13,066 = \$16,801 profit – an increase from last year as we return to pre Covid-19 activities. Thank you to all involved who have spent countless hours not only raising funds for our Club but also organising fun events for members and the wider community.
3. Grants: A successful year with a total of \$76,334 received.
4. Sponsorship and Donations: A tidy sum of \$48,381 was received this season. Thank you to all who made this possible!
 - a. Large sponsors, donations, grants:
 - City of Onkaparinga Council Grants x 3 totalling \$18,304
 - Office for Recreation and Sport \$20,000
 - Kanini (SLSSA Trust) \$11,000
 - M F Paterson \$10,000

 - Australian Sports Foundation \$7,121
 - CMI Toyota \$5,000
 - SAFECOM Grant \$5,000
 - The Lipman Family \$5,000
5. Operating Expenses: some operating information for those interested:
 - a. Competition: includes Tour Team Expenses, Training and State Team Subsidies and Travelling Expenses, and Carnival Entry Fees (including Juniors) -increase largely due to two extra interstate carnivals and Aussies being held in WA.

Cassandra Stoodley
Treasurer

Let's not lose sight to why we are here, *Patrolling is our core business* and for the 63rd year we have maintained our proud record of no lives lost between the flags at South Port.

This was another successful season due to the commitment of our volunteer lifesavers. Between October – April, our lifesavers collectively patrolled 4120 plus hours (up from last year) taking care of approximately 12000 visitors to our beach.

All patrols performed well over the season and was great seeing more new faces along with the return of some old salty one.

In this time, we achieved our core objective to ensure zero preventable drownings in our waters. We did this by performing **9 rescues**, responding to **44 first aid incidents**, **704 preventative actions**. This is a considerable undertaking for our Club and meant that beach goers were able to return home safely to their families at the end of the day.

I would like to thank the patrol captains and vice captains for continuing to lead their teams, at times with reduced numbers.

Thanks also to those who committed to additional patrols.

A big thank you also to all our trainers for putting in the time to train and complete our Club proficiencies. It's like herding cats it's always a challenge.

Total of 437 Proficiencies completed by Club members both Junior and Senior

Male 223
Female 214

Total of 629 Awards held by South Port members

Male 261
Female 368

Finally thank you to every member who volunteered their time in any capacity throughout the season.

Also, a big thank you to the families who support them
Thank you
Remember to swim between the flags if we can't see you, we can't save you.

Lyndon 'Boonie' Mills
Club Captain

SURF SPORTS TEAM REPORT

What a fantastic season 2022/23 we had in the South Port surf sports area. We had an ever-growing number of senior competitors as well as growing number of competitions attended, including interstate.

This season was a medal tally instead of a point score to determine the champion clubs for seniors and masters. For the juniors, it was a champion club based on five pillars of surf lifesaving.

SLSSA Senior State Championships - South Port finished 7th overall, with 12 gold, 16 silver and 13.5 bronze medals.

SLSSA Masters State Championships - South Port finished 8th overall with 9 gold, 19 silver and 19 bronze medals.

SLSSA Junior State Championships, Champion Club - South Port finished fifth overall for the champion club. South Port was fifth, overall, in the medal tally for competition, but was the top song in the sports participation environment category, which takes into account, attitudes at carnivals of competitors, Parents, volunteers, and supporters, showing that we are raising our youngest Surf Sports SLSSA to behave and act in a respectful and sportsmanlike manner.

None of these results could be achieved without the amazing commitment from our coaches, Alex Botha (Board, Iron and Nippers), Sean Lohse (Ski), Jason and Keith (Boats), Clayton Jones (Sprints and Beach Flags) and Alex Gettie (Tuesday nights Swimming). These people have been amazing volunteering their time to plan sessions, support athletes and parents, as well as looking after equipment and craft, do selections and guidance on race days. Without their efforts we would not have the volume of competitors and results that we have been achieving.

This season, we had a number of athletes selected to be part of the Surf League Series. Alex Botha (leader Air Diffusion yellow team, Kylie Cederblad (manager Air diffusion yellow team), Sadie Proctor (Helistar orange team), Zalika Cederblad (Air Diffusion yellow team) and Macklin Harvey (Helistar orange team).

We also had Sadie Proctor as a member of the SA Reds Thunder team, competing at the Super Surf League Teams event at Maroubra. While Zalika Cederblad represented South Australia in the State Team, also at Maroubra. Alex Botha was selected as a coach for both the SA Reds and the State Team competitions.

On the end of the interstate trip, was the Manly and Freshwater carnivals. South Port had a group of 5 more athletes join those already away on State duties, to have South Port Represented at these interstate carnivals. Unfortunately, due to some local wildlife issues the Manly carnival was cancelled, however the freshwater carnival for the next day went ahead and South Port came away with some fantastic results, with everyone competing in finals and being very proud of their results.

AUSSIES

We were lucky enough to have quite a strong contingent head over to WA for Aussies this season. With the help of a number of competition transfers, South Port had one of the most successful Aussies in the board and ski area for quite a few years. We also had a large boat contingent competing this year, with four different crews competing over the Masters and Open Championships.

SURF SPORTS TEAM REPORT... CONT

Youth - Kade Stoodley and Franklin Oliver

Masters - Alex Botha and Brett Harvey

Surfing - Erika Oemcke

Open - Zalika Cederblad, Chloe Klingner, Macklin Harvey, Mali Gilligan, Leo Oliver, Alex Botha and we welcomed in Amy Buck, Lachie Larven, Summer Corbett, Lily Jackson, Georgia Warriner and Oscar Bartos who transferred to compete for South Port at Aussies.

This group produced some amazing results, mixing it with the best in Australia. The Youth competitors competed hard and unfortunately missed out on any finals. In the Masters South Port had 3 x 4th, 3 x 5th and 1 x 6th. In the Open Championships South Port made 10 finals, with a number of very close calls just missing Aussie finals. The Highlight being a three way tie for 2nd in the U/17 female belt race, Amy Buck Swimming, with Alex, Chloe, Lily and Georgia on the reel. A fantastic effort. Erika Oemcke also brought home a bronze medal in her surfing, awesome work!

The Board and Ski team was bolstered this season by a number of incoming transfers from Aldinga. These new members helped increase our number of teams in competitions as well as strengthen the squad to keep pushing for sustained success. The culture, friendships, teamwork, and support within the group has been a credit to all involved. With the group of under 14's coming up next season, we look forward to further growing the board and ski area and continuing this journey.

This area of the Club could not function or continue to do what they do without the volunteers that help support us along the way. To all those parents and family who have officiated throughout the season. Thank you very much and to our officials coordinator Paul Zeitz, fantastic job. Massive thank you to all the photographers who leave us with all the photos we see in this years books as well as many other memories captured to keep, Chloe James, Tracy McAvaney, Deb Sinclair, Danni Hansen, Kylie Cederblad, Marcus Syvertsen and Vander-Lee Giebel, who stand on the beach capturing all the action, thank you. The Squids coordinators, Aaron Oliver and Zack Rodriguez, for all your amazing work, keeping our youth engaged at South Port, thank you.

Lastly, massive, thank you to someone who has done the Surf Sports Managers role for quite a few years, Kylie Cederblad. The amount of work she has put in over the years to help get this area of the Club to where it is, is nothing short of amazing. Her tireless efforts, continuous support and elite level organisation have helped the South Port surf sports, especially board and ski areas, flourish into what they are today. South Port is in a great position moving forward and can hopefully have continued success thanks to the work done by Kylie. Thankyou!

As we look forward to the 2023/24 season, we have lots of goals of growing and improving the Surf Sports area of the club. We look forward to putting in the work and hopefully seeing the results that come from that as well as growing the culture, teamwork and family feeling around South Port.

South Port Surf Sports Team!

As always, lots of hard work has been put in by many people over the course of the season. Thank you to everyone who has contributed in any way.

The Sweeps this season – Jason McGaffin, Keith Mills and Barry Dellow.

The Sponsors –

KFC Seaford Rise – once again, KFC Seaford Rise has been our major sponsor. We are very grateful for the continued support they have given us, and indebted to the people who make it happen. Thank you.

Enerven - a new sponsor for South Port SLSC this season, thank you to Damien ‘Ginge’ Taylor for his groundwork arranging this.

RJE - Smarter Engineering - thank you to Barry Dellow for bringing RJE onboard.

Boaties Supporters Club - once again the Boaties Supporters Club has been a great success. Thank you to everyone who has contributed.

There are also individual people in and around the Club who have generously donated to our rowers – we appreciate your help and thank you very much.

Siggi Giebel generously donates each season, as well as being the South Port carnival official in the boat area. Remember – without officials, none of us can compete!

Deb Sinclair - (South Coast Optometrists) – our official photographer, with consistently great pictures.

The Helpers.

A steady stream of maintenance and upkeep is required for everyone to row with good equipment. Thanks to all who have got their hands dirty repairing and maintaining. Boats don’t get to carnivals on their own - thankyou to boat towers everywhere.

Quarter Final - Snappettes U23 F - Catherine Taylor, Megan Sinclair, Amber Smith, Mikayla Flynn, Jason McGaffin (sweep).

A special mention -

The Snappettes U23F have worked tirelessly for a few seasons now, in most cases they would have been State Champs by a comfortable margin, except that they were up against a crew from Glenelg who not only won the SA State Title, but also took out the Australian U23F title. It isn’t often we see a crew as successful as the Glenelg ladies here in SA, but to me the South Port Snappettes never wavered, and doubled up on the day at State Titles to take out the Res F title – respect!

Also, Barry’s SAS crew have learned and developed over the season, and deservedly came away from Masters States with a medal - well done crew!

Keith Mills
Boat Captain

As a result of our Club being involved in an extensive range of activities from keeping South Port Beach safe to the Club's large and active Junior Division to our extensive youth development activities to our now growing group of competitors in most areas of surf sports, it continued to provide numerous opportunities to market our Club to the broader community.

Huge thanks to Laura Odell for her unbelievable commitment to raising member awareness as to what's happening within the Club and beyond through our extensive range of communication avenues, Team App, Facebook platforms and via SMS/Email posts.

Feedback also indicates a need for us to review our 'shop front' to the community, our website www.southportslsc.org.au which we'll look to upgrade sooner rather than later.

Earlier in the season we were fortunate to have a few weeks of a direct on-air chat to past member, Michael Keelan on the Saturday morning breakfast show on 5AA. This was a great opportunity to promote our activities, provide a surf report and a beach and surf safety tip each week. Thanks again to Michael and 5AA.

From a sponsorship perspective, the Club continued to perform well with our partners, major sponsors and supporters providing support to allow us to fund our extensive activities and finance much needed surf rescue and competition equipment. Our sincere appreciation to all.

Thanks also to Kylie Uptis who added a very professional edge to our grant applications and provided partners to come on board to support South Port.

The Club's Sunday Sessions, now in their fifth year, enabled new community members to be exposed to our activities and also provided opportunities to engage with young families to invite possible future members to get involved with the Club.

Feedback on these Sundays has been most positive and has now become one of the Club's most consistent fundraisers. Big thanks to all our members who regularly work together to make these days such a success. This is an area that the broader membership needs to support, particularly for RSA-accredited members.

Over the past season our Major Partners included:

- Onkaparinga Council
- Australian Government - BeachSafe Fund, COVID Recovery Program, Volunteer Grant Program. In particular our local Federal MP Amanda Rishworth.
- SA Government - SAFECOM, Office of Recreation and Sport, LIVE Music Grant Program. In particular, our local MP's Katrine Hildyard and Chris Picton.
- Kanini Pty Ltd - SLSSA Trust.
- Surf Life Saving SA.
- Surf Life Saving Australia.

MARKETING & SPONSORSHIP OFFICER'S REPORT *Richard 'Olly' Olesinski OAM*

Huge thanks also to our numerous supporters who have been identified in this report, in particular, Club members who have contributed as supporters as well.

MARCH PAST REPORT - OPEN *Anita Emswiler*

Open March Past Team

Once again, it was a short season for the team with training commencing late January and States only a few weeks away - boy it was early in the season!

As the team was pretty much the same as last year - thanks to Katherine Foster for joining the team this year and being so fabulous on the handle. We also welcomed back Sharryn Campbell and missed Tracey Jaggard who was away holidaying.

Andy Higgs took the coaching position again, along with his ever faithful helpers in John Hall and Frank Drake - thank you to all of you. You really bring a relaxed, and fun atmosphere to our sessions.

As I've mentioned in previous reports, there's a lot to be said for experience and 'muscle memory'..... aaaahhhh how easy it is to slot back in - like riding a bike really! Just the tweeking aspect to work on.

We all knew what we had to do, and what was required to keep the South Port tradition in March Past alive - and we did just that.

We walked away with another Gold Medal at States this year!

Thank you to the team, and coaches for making it all happen. I would like to see us compete again at Aussies and truly cement South Port as a force to be reckoned with. Watch this space.

Here's to the 2023/24 season and all that it may bring.

Anita Emswiler
Team Captain

MARCH PAST REPORT - U23

Donna Logan

U23 Past Team

After a successful 2021/22 season with both our U23 division teams bringing home gold and silver our youth/senior squad were keen to give it another crack. Again, the Club was successful in putting two teams together for this season.

The Green Team led by Pennant Bearer William McAvaney with Tillie Zeitz in Belt.
The Blue Team led by Pennant Bearer Sadie Proctor with Daisy Proctor in Belt.

With new members to the youth/senior squad the teams looked a little different this season. I am pleased to report that all marched well for their team, as a team with pride in true South Port tradition bringing home silver and bronze!

Special thanks to Vonnice, Munch, Hally, Frank, and the Open March Past team for their support and encouragement.

Warm regards

Donna Logan

CANTEEN REPORT - Donna Logan

The canteen received some much needed upgrades during the recent Club renovations. The space is more workable and visually much tidier and less cluttered due to the upgrades. Overall improvements include:

- New entrance through the purpose-built storeroom with new shelving
- Two new stainless under bench fridges
- One new stainless under bench freezer
- Chip stands, wall mounted corkboard, wooden counter bench and new food storage containers

The introduction of bakery items from Willunga Bakery was well received as well as some healthier/GF snack options. Look out for other new options in season 2023-24.

Thank you to all the volunteers who helped with a shift or two during the season with special thanks to Corrina Wright who was a regular helper.

Warm regards
Donna Logan

FACILITIES MANAGER'S REPORT

Raymond 'Hooray' Martin Jnr

After a hiatus of 18 years from the Club it was a real eye opener to see how far the Club has come in those years. Some of the members I remember as 14 year old Juniors are now into their 30's and have nippers in the Club themselves.

The addition of the Mayo Room, the redevelopment of the change rooms, first aid room, kitchen and entry over that time have ensured that the Club is well and truly ready to proceed into the future with facilities sufficient for our needs.

Other big redevelopments on the horizon are the replacement of the Club room roof and the Wearing Street building. Suffice to say the Wearing Street redevelopment has been a labour of love for those involved they deserve our unreserved thank you.

Special mentions

My always available assistants ready to go and open the Club for contractors and other needs when I'm unavailable. A huge thanks to Paul Howse and Richard Olesinski.

Another group of hard working clubbies are the Bar Fly's. Without the constant work from these guys the bar would not be stocked, the showers would be cold as they arrange for the gas, and you wouldn't be able to get into the Club as the sand would be shoulder high. They are also the first ones to put up their hands to clean up after the Sunday Sessions and any other Club functions. These gentlemen are corralled by Richard Olesinski and the band comprises of Paul Howse, Steve Reddaway, Kev Heher, Paul Edwards, John Devitt and myself.

One of my responsibilities as Facilities Manager is the operation and management of the bar. All I can say is that with Coral McWhinney running the day to day operations and coming up with many and varied ideas to make the bar run the way it did made my job a breeze. A great big thank you Coral. Thanks also goes to Wal for his support and many hours behind the scenes.

Donna Logan who ran and organised the canteen. Running the canteen is a tough gig and her efforts did not go unnoticed.

Our Club cleaner Paul Catchpole, the mess he cleaned up every week would have made any other person throw the towel in. A huge thanks mate for going above and beyond.

Aaron Oliver for being my eyes around the Club picking up things that needed attention that I missed. Ian Bradshaw who is our liaison with the City of Onkaparinga Council for maintenance issues. He made many trips to the Club when contacted and arranged contractors etc to get those issues seen to quickly and efficiently.

Laura for your BOM Agendas and minute keeping and the reminders to get our reports in. Finally the Board of Management for their understanding and guidance as I moved into the job. It was a real eye opener to see how the Club management has changed over those years I was away. Many times eyes were rolled with some of my comments and questions at meetings but I was so lucky to have such an understanding group of people guiding me through the maze. Especially Cass who got questioned almost every meeting by me and always had an answer.

MEMBER DEVELOPMENT OFFICER'S REPORT

South Port Surf Club is lucky to have a thriving community of young members who are actively engaged in various activities and events. The youth of the Club has been very busy over the season, participating in a range of exciting and enriching activities and I'm proud to be part of this Club.

One of the standout events this season was the Open Mic Night, which gave the young members the opportunity to showcase their talents other than on the beach. We were intertwined by singing and playing musical instruments. This event was a huge success, and it was amazing to see the level of creativity and talent that the youth possessed. It provided an excellent platform for them to express themselves and build their confidence in performing in front of an audience along with bonding with some new Squid members.

Another fantastic event that the youth participated in was the camp to Corny Point. The camp was a fantastic opportunity and experience of a different surf environment. The youth were blessed with surf every day, which made the experience even more unforgettable. This trip also provided an opportunity for the Squids to build relationships with other members of the Club.

We had a Surf Boats come and try day and the youth got to experience the thrill of rowing and learn about teamwork and coordination. Similarly, the Frisbee session with Zack Rodriguez was an enjoyable experience that allowed the young members to engage in a fun activity.

As the season rolled on the Club hosted a Pizza night on the beach to introduce the U13s to the group. This event was a great way for the young members to get to know each other in a relaxed and fun environment.

The youth of the South Port Surf Club also played an essential role in the Club's fundraising initiatives. They participated in selling Jolly Socks to the public on Sunday sessions and to Club members before Christmas. The Club also organised a Barista course with the help of Carla and Tracey, enabling the youth to gain valuable skills in coffee making and raise funds for the Club. The Squids were introduced and equipped with the basics to help run the coffee machine and raise money for the Club through out the season.

The youth community at South Port Surf Club is growing, and our Club expects to see an increase in numbers next season as well. All of these events and initiatives wouldn't have been possible without the help of volunteers. Kylie Cederblad was instrumental in helping plan and supporting many events, and Zack Rodriguez's contribution to the team was also appreciated. The Board of Management's support was also crucial in enabling the Club to provide the youth with such fantastic opportunities.

In conclusion, the youth of the South Port Surf Club has been very active and engaged in a range of activities, and the Club's commitment to supporting and engaging its young members is commendable. These events have not only helped the youth develop their skills, but also fostered a strong sense of community within the Club. The club looks forward to hosting many more events in the future, and the youth community will undoubtedly continue to grow and thrive.

SENIOR LIFESAVING EDUCATION OFFICER'S REPORT *Noelene Charles*

Education in Season 2022-23 is the same as every season! Gaining an award is both time consuming and rewarding for both Assessors, Trainers and Candidates.

Education is a section of Surf Life Saving that all members access during their time as a life saver. Over years some members become passionate about being able to share their experience and knowledge with new and younger members to expose them to knowledge and skills to help gain awards. As a Club I would like to recognise all the members that have helped trainers during courses to ensure members participating in gaining new awards are exposed to different levels of skills and knowledge to take away all of the information. THANK YOU!

Massive Congratulations to Brett Fisher in gaining his Assessors award having RPL for his Certificate 4 in Training and Assessing and after completing 2 bulk assessments has been signed off as an assessor. This will help the Club in a big way to be able to offer In-House assessments to our members. Congrats Fish!

Good Luck to Marg Botha who has put her hand up to obtain her trainers award, Maggie has helped out this season with proficiencies and supporting trainers with courses, all while she's gaining experience and confidence in knowing her knowledge will be passed on through her passion.

Big Thank You and Congratulations to Barry Dellow Jnr, he has taken season 2022-23 under his wing, with his passion and drive he has successfully put through multiple courses. 27 members have obtained new awards or regained awards as returning members (list below).

I would like to personally thank all the members of South Port for their support during the 5 years I have been in the Senior Lifesaving Education Officer's role. It was an honour to have the support I experienced when I first stepped into South Port, I took on a role that was in need of filling to help out the Club. It has been a pleasure to help the Club and transfer my knowledge and skill to many members. As I step down from this role, I hope to still offer time for members proficiencies and to offer assistance to who may step into this role.

JUNIOR DEVELOPMENT CHAIRPERSON'S REPORT

Danni Hansen

We made it!

Finally I got a season without dealing with covid. A 'normal' year which somehow felt like the longest, short season I've been involved in.

Thank you to some extra special people:

Chloe...no one (not even me) could begin to grasp the volume of work that you do. Words cannot express how thankful I am that you have it all under control and make my role so easy.

Aaron and Alex, for the countless hours you put in to ensuring the Nippers have the best training possible and are always safe. Your organisation for carnivals and in general is greatly appreciated.

Kelly-Ann, for taking on the huge role of Junior Registrar and helping me on the sign in desk.

Tracy McAvaney for dotting the i's and crossing the t's as the Junior Competition Officer. I'm not quite sure how I'm going to fill your very big shoes.

Thank you to my Age Group Managers and Assistants. Your dedication to the kids development does not go unnoticed and the flow of this is evident in our Nipper numbers as well as our results throughout the year.

The BBQ boys, bar staff, canteen volunteers, water cover and general legends who help set up and pack up every week.

Vanda-Lee, Chloe, Tracy and Marcus. Thank you for capturing the seasons special moments.

Last, but certainly not least. Everyone who helped at a carnival, we cannot enter without you. Whether you official, do water cover, set up the beach or unpack the trailer - all of these roles are so important so thank you on behalf of the Junior Panel but more importantly the kids.

Take care and keep warm through winter and I'll see you ready for season 2023/24.

The South Port Shivering Shags AGM for 2022 saw the following up standing Shags democratically elected.

Strong, courageous, gutsy, awe inspiring, those are just some of the words that are used to describe the Shivering Shags. Not by any sane individual, but by those crazed enough to enter the icy waters of the Southern Ocean, all in the name of raising funds for this amazing Club of ours.

Each winter season this group bravely steps forth into the wind and rain, battling freezing conditions to complete a run and swim in only their South Port bathers. They compete for the honours of awards such as 'wave of the day' and 'first in', showing off their superior skills and physical strength. Sure, there's the occasional squeal and a giggle as someone kicks cold water up your back before frolicking away, but mostly we're really tough. An extremely sophisticated meeting is then held in the Clubrooms, where charming banter amongst brothers and sisters contributes to the group's fundraising abilities.

Shaggers for 2022 were Hugo "Baby Shark" Altmann, Lyndon "Boonie" Mills, Larry "Chalky" Edge, Craig "Clagus" Smith, Gary "Emu" Eastham, Ray "Hooray" Martin Jnr, Paul "Howsey" Howse, Tim "I Don't Think So" Edge, Katherine "Kat" Foster, Emma "Jaws" Altmann, Richard "Olly" Olesinski, Tanya "Precious" Spaan, Matthew "Pubes" Burgess, Deb "Pussy" Philips, John "Schmidt" Smith, Laura

Kevin Edward Watt

30/09/1936 – 18/08/2022

Kevin Watt passed away on 18 August 2022, aged 85 years.

Kev and the family joined South Port in 1971 and quickly became involved in the lifestyle and the varied activities of the Club.

Kev was a hardworking member in the 70's through to 1989 and during this time, held the position of Clubhouse Manager for 8 years and was a Shags Patron. Kev was awarded Life Membership in 1980. He assisted around the Club wherever he could with duties such as helping to set-up and pack-up the Junior and Senior Carnivals when South Port was hosting and turning his hand and his energies to any other jobs that needed attention.

One of his regular jobs was to assist with the cleanout of the old septic tank, although this particular job was not one of his favourites, as on one occasion the pipe exploded and he ended up covered in the contents of the septic tank!

In 1989 Kev and June moved to the Gold Coast but eventually returned to SA and settled in Encounter Bay for some time before moving to Seaford.

Kev and the Watt family have been members of South Port for over 50 years. Kev regularly enjoyed a beer or 3 as an elite drinker at the South Port Bar with his mates. He was a gentle, easy-going man who loved to have a laugh, was very loved and is greatly missed.

Kev's memorial service was held at Port Noarlunga SLSC on 21 October 2022, with a few people kicking on and ringing the bell in Kev's honour back at South Port. Kev's ashes were cast at sea at South Port SLSC on 19 February 2023, followed by larger celebrations which included many Life Members, at Kev's favourite place, the South Port Bar.

Vale – Kev Watt.

Surf Race and 49th Long Swim Report 2023

This season was back to normal with Club members having the ability to train and compete freely even though being aware covid19 was ever present within our community. Surf races were well attended with a starting variation of 10 up to 30 competitors. When it was low it was due to another surf competition within the calendar of Surf Sports.

Thanks to Debra Oliver and Shaun James for their assistance in the administration of the weekly swim. Aaron Oliver and Alex Botha for their selfless assistance in organising and laying the cans plus ensuring there was always adequate water cover.

Once again may I thank our Club Captain Lyndon Mills for all his work and behind the scene assistance that Lyndon does. I do also thank the Patrol Captains for their cooperation along with all the Patrol members who have made a large contribution to the success of the races.

It is quite amazing to witness the camaraderie within the swimming competitors. The swimmers who have completed the course all wait until the last swimmer is about to come out of the water and there is lots of cheering of encouragement for the competitor, it doesn't matter if they are young or old. It is wonderful. There are lots of rivalries active within and throughout each weekly race and the aggregate over the season. The Long Swim definitely is a whole Club event and continues to run with success and enthusiasm. Every-one involved really works hard and they bring along the "can do" attitude. To all the people who work so hard on the day thanks. It is always very exciting on the day and not just for the competitors but for their parents, grandparents and organisers. The weather and the surf conditions all have to be considered along with the water cover all done by our Club members. There is a big sigh of relief when the last competitor crosses the finish line and everyone is accounted for.

Thanks Dennis "Congo" and Dawn Ferrett for your continued support via the prizes for the Long Swim. They have done this for many years.

I am of the opinion if you do not have a good swimming base then our Surf Club would be at a real disadvantage. Swimming competency is vital to most rescue work at a surf life saving club.

It is a real pleasure supporting the young people of South Port.

SOUTH AUSTRALIAN SENIOR STATE TEAM REPRESENTATIVES

Name	Year	Place	State	Position	Type
Botha, Alex	2023	Maroubra	NSW	Coach	State Team
Cederblad, Zalika	2023	Maroubra	NSW		State Team

Dick has a remarkable 57-year history in surf lifesaving at Semaphore, Christies Beach and South Port Surf Life Saving Clubs, where he has served in various roles such as Publicity Officer, Club President and more. He has accumulated thousands of hours on patrol across our beaches.

His contributions to the movement extend beyond his Club, chairing the State EcoSurf Environmental Committee since 2006, promoting environmental practices and sustainable behaviour among coastal and the development of the EcoSurf policy. These Codes of Practice set a benchmark throughout Australia in educating local coastal recreational and fishing communities to adopt sustainable behaviour and restore and protect eco systems contained within sand dunes and off shore bio diversity.

Notably, he secured a grant for the Rescue 2012 Clean Beach and Red and Yellow Bins project, promoting recycling and cleanliness during the World Life Saving Championships. He also led the ""What Lies Beneath"" project, focusing on land-based impacts on the marine environment and organising educational activities. This stalwart's dedication to surf lifesaving and environmental stewardship is truly exceptional, therefore Richard Olesinski was presented with Life Membership.

Congratulations Olly!

SLSSA HALL OF FAME

Mark, Shane and Scott Wooden

Wooden Brothers – Inducted into SLSSA’s Hall of Fame for Sports.

The three Wooden Brothers, Mark, Shane and Scott were talented surf ski paddlers who dominated that surf sports discipline. They were known as hard working athletes who trained in a very disciplined manner. With their father, Peter developing specific training programs they made a big impression at National SLS Championships across the 70’s and 80’s.

Each secured multiple hauls of Gold, Silver and Bronze finishes in Ironman, Single Ski, Double Ski, and Surf Races. Adept in surf conditions and fearless competitors, they were always tough and respected opponents. Together, they helped advance the training techniques for surf ski paddlers in SA and were leading paddlers across the coast.

Up until the Australian Open Ski Gold won by Mark, it was a legendary aspiration for any SA ski paddler to mix it amongst the highest calibre paddlers in the country.

This breakthrough then made it all possible for every SA paddler to aspire to be the very best. These inductees are true "trail blazers" and outstanding athletes. Congratulations to Shane, Mark and Scott Wooden on being inducted to the Surf Life Saving SA Hall of Fame for Sport.

The Wooden Brothers won numerous individual and team State Championship medals in craft, surf races and Ironman events as members of South Port SA.

Their Australian Championship results were outstanding and included:

Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Interest revenue

Interest is recognised using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

Impairment of non-financial assets

At the end of each reporting period, the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

Independent audit report to the members of association, South Port SLSC

Report on the audit of the financial report

Opinion

I have audited the accompanying financial report, being a special purpose financial report, of South Port SLSC (the association), which comprises the balance sheet as at 30 April 2023, the income statement, and notes to the financial statements, including a summary of significant accounting policies and the statement by members of the committee.

In my opinion, the accompanying financial report of the association for the year ended 30 April 2023 is prepared, in all material respects, in accordance with the Associations Incorporation Act 1985.

Basis of opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial report section of my report. I am independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter - basis of accounting

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the association in meeting the requirements of the Associations Incorporation Act 1985 and regulations. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the association and should not be distributed to or used by parties other than the association. My opinion is not modified in respect of this matter.

Responsibility of management and those charged with governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 1985, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
